GAS ON THE STOMACH

OFTEN THE CAUSE OF GREAT BODILY DISTRESS.

It Indicates a Feeble Stomach in Which the Food Lies Undigested and Shows Need of Tonic Treatment.

When the stomach is feeble the food lies in it undigested, decays and throws off poisonous gases that distend the walls of the stomach...

Expectoration shows that these troubles have been caused by indigestion. The stomach is made strong enough to digest the food.

NERVE DESERTS ROBBERS

Four Men Stop Train, but Fail to Complete Job. BUTTE, Mont., April 23.—Another attempt to hold up the North Coast Limited train, westbound, the overland flyer of the Northern Pacific Railway, was made tonight at a point between Welch's Spur and Homestead, 15 miles east of Butte, the scene of the recent holdup, in which Engineer Frank Clew was murdered.

Several torpedo explosions brought the train to a stop in a rough portion of the country. Engineers Hanscombe and Gear suspected something wrong and observed extreme caution in alignment. Evidently the nerve of the train would be robbers fallen when they saw that hold-up was suspected, as four men with guns in their hands disappeared among the rocks in the direction of Butte.

The engineers hurriedly returned to their posts and made a quick run into this city. Two men suspected of being members of the quartet were captured by Roadmaster Max Kone, who happened to be on the train. Dropping off Kone quickly made his way back over the tracks and surprised the two men,
