SCHOOLS TO BE LARGER

EASTERN MULTNOMAH TO INCREASE ACCOMMODATIONS.

Gresham, Rockwood and Terry All Vote for Additions to Their School Buildings This Summer.

GRESHAM, Or., April 24.—(Special).—Three school districts of this vicinity, Gresham, Rockwood and Terry, have recently voted to increase their present accommodations for pupils by erecting new buildings at an aggregate expense of about \$18,000. At this place the present building will be enlarged by adding four more rooms and an assembly hall, at a cost of \$800, the outlay having been authorized by the people of the district. The money will be borrowed and paid off in two years by a direct tax. The present structure contains four rooms, beside which the old Methodist Church is in use by one of the grades. The school population is something over 300 and is growing all the time. Work on the new building will begin in June and the structure will be ready for use when the Fall term begins in September. At Rockwood an entirely new four-room building will be erected in place of the one-room structure now in use. The latter building is but six years old and has been sold to Rockwood Grange

for a lodgeroom. It will be moved to a new location and the new building will be put on the old site at a cost of \$600. Plans are drawn and the building will be ready for use by the middle of September.

The one-room schoolhouse at Terry will be enlarged by the addition of two more rooms. The district has authorized an expenditure of \$200 for the purpose and the building will be ready for the Fall term. Fifteen teachers will be employed in these three districts next Winter, instead of eight, as at present. The Gresham High School will be continued on broader lines, the experiment having proved successful of inviting outside pupils to take the prescribed course upon payment of a small fee in addition to the sum paid by the district out of the school allowance, from which the pupil comes. The school is now in its fourth year and will probably have a few graduates at the close of the present term. There is a movement on foot to organize a Union High School at some other point in Eastern Multnomah, available to all pupils of this part of the county, but the plans are not fully developed yet.

PRIZE BABY KID GOAT

THEATER MANAGER'S JOKE ON ABERDEEN PUBLIC.

Lottery Announcement Arouses the Newspapers, and Humane Society Asked to Intercede.

ABERDEEN, Wash., April 24.—(Special).—This city has been kept in a state of turbulent agitation for a week by the announcement that a live baby would be given away tonight by Manager Goldsmith, of the Empire Theater, to the person holding the lucky number. Newspapers have condemned the proceeding and the humane society has been called upon to intercede. Tonight the theater was packed and hundreds were unable to get seats in anticipation of trouble over the drawing. The live baby proved to be a "kid" goat, which was dressed to imitate a child. The scheme proved a tremendous advertisement for the theater and the crowd went wild over the joke played upon an unsuspecting public.

WASH GOODS SALE.

All wash goods at special prices today. Supply your needs now and save. McAllen & McDonnell.

On Thursday, April 23d, at 4:30 o'clock in the afternoon, Frank L. Smith was asked to stand in with the Beef Trust and raise the price of meat here in Portland. "People are getting their meat too cheap," was the argument. After trying for two years to drive him out, using every means and method to do the work, after putting up markets all around about him in order to trap the public, the Beef Trust now offers Smith a chance to stand in with it and share the spoils.

SMITH WILL NOT RAISE THE PRICE OF MEAT.

If he gets more patronage he can lower it. He is now saving the Portland public at least \$500,000 a year. Every householder in the city should trade with Smith. Pass up the Beef Trust and its markets, who are scheming to control the meat supply of Portland.

CAUGHT PASSING BAD COIN

Steve Ramsey Runs From Officer, but Denies Guilt.

Steve Ramsey, a young man accused of passing a large number of counterfeit dollars in the city during the past few weeks, was arrested late yesterday afternoon by Patrolman Blackman, at East

Second and East Alder streets, after a lively chase of two blocks. Half a dozen pedestrians joined in the chase, but Blackman proved the speedster man in the bunch and overtook the fugitive easily. Ramsey passed the dollar on Henry Mayer, at 113 Grand Avenue. That the money was bogus was not discovered until Ramsey had left. Patrolman Blackman was called and given a description of the bogus-coin man. The officer located his man shortly afterwards on Second
