

STOKES IS FORCED TO QUIT TOURNEY

Broken Nose Keeps Him From Meeting Brown in Boxing Match.

DENNIS WINS GOOD BOUT

Seattle Will Probably Carry Off First Honors, and Finals Tonight Will Be the Best of the Meet.

A broken nose and several lads who declined the laces insured the second night of the wrestling and boxing tournament being held by the Multnomah Club.

F. A. Brownell, of the Reliance Club, Oakland, who defeated J. E. Finnegan, M. A. A. C., and Trainer C. A. McIntyre, who is anxious to meet Dr. B. F. Keller.

There was another large crowd on hand and because some of the cranks felt that they had not received their money's worth there were some signs of dissatisfaction. The fact that the Reliance Club, of Oakland, was not able to go on with West, of Seattle, was one of the disappointments, but it was not the fault of the Multnomah management, for in his bout against Sax, Stokes lost the misfortune to stop a right-handed wallop with his nose and when Dr. Zan finished putting it in shape he informed the Oakland manager that he had best forfeit his match with Brown. Stokes also injured his hand and it would have been a farce to have sent the two men together.

Just why some of the put-ups should howl at the show given last night is beyond guessing, for the battle between Dennis, of the Olympic Club, of San Francisco, and Couture, of the Reliance Club, of Oakland, was fully worth the price of admission. The lads fought four rattling rounds, four rounds in which there wasn't a second let up in the miling. Dennis turned up the winner. He was on top of his man all the time and show he wasn't using a straight left poke in his corner of a swinging right that was a daisy. It was only Couture's gameness that made the judges call for a fourth round, for at the end of the third round he went to his corner wobbling like a drunken sailor. It was an extremely clever match for amateurs, for both boys showed up well, both in footwork and in ring generalship. Dennis is a scientific youngster and while he was jarred several times by Couture, he never backed up.

Seattle Picked as Winner.

The card tonight will be the best of the tournament, in spite of the disappointments. In seven of the ten events, Seattle boys will be under the arc light and it looks as if the athletes from the Sound City would carry off the greatest number of honors. Seattle has already carried off one of the championship titles and it went to J. Johnson in the middleweight wrestling bout.

Harvey Donaldson, of the Seattle Y. M. C. A., beat Fred R. Hussey, of the Seattle Athletic Club, in a lively wrestling bout. This was the opening event on the card and one of the best matches of the tournament up to the present time. The boys never delivered a second effort; they were sent together. During the first half of the bout Hussey did most of the work. Then Donaldson got busy and at the end of the six minutes it was an even break. After the rest there was

JURY IN MURDER CASE STILL OUT

Fate of Men Who Caused the Death of Hindu Undecided at Oregon City.

DEFENSE BADLY SCORED

Special Prosecutor Pictures Cruelties Imposed on Dark-Skinned Foreigners—Participants in Affray Were Intoxicated.

OREGON CITY, Or., April 24.—(Special.)—At midnight the jury in the case of the five men charged with the murder of a Hindu near Sandy last October was still out, with little prospects of reaching an agreement before morning. The jury retired at 3:30 in the afternoon. At 9 o'clock the foreman asked for a repetition of the judge's definitions of the different degrees of murder, and at 11 o'clock a request was made for some of the evidence presented by the prosecution.

Olmur Dranga, M. A. A. C., who meets Willie Speck, of Seattle Athletic Club, 125-Pound Boxing.

Best Fight of Night.

Couture, of the Reliance Club, and Eddie Dennis, of the Olympic Club, fought a battle that will be long remembered. Dennis was all over his man and by using straight left he had Couture going. Dennis was awarded the championship after four rounds of fierce battling. The boys fought like a pair of game cocks. The featherweights were both game, but the Olympic Club boxer not only had the better punch, but he made use of both hands. Couture was wild and his judgment of distance was bad. At the end of the third round Couture was very groggy, but the minute rest sent him back into the fight with lots of steam. He had an even break in the two-minute affairs, but Dennis' work in the other three rounds gave him a decided lead.

Sluggish Receives Fatal Wound.

One of them, HARRAN SLUGG, was struck by a bullet from a rifle in the hands of William Dickenson, and received a wound from the effects of which he died in a Portland hospital two days later. The other members of the party, which included Walter Sinclair, Vernon Haves, had shotguns and revolvers, and although J. M. Dickenson, a farmer of Boring and the father of William and John Dickenson, did not fire into the cabin, evidence showed he aided and encouraged the young men on their night of crime, and did nothing to prevent them from firing shot after shot into the cabin.

Admit Taking Part in Fray.

The seven men were arrested and made a signed statement to Deputy District Attorney Eby, admitting their participation in the fight of evil work. Haves was used by the prosecution on the stand and it is understood that he will never be brought to trial. Sinclair was jailed, along with the other men, but several weeks ago he made an unprovoked assault upon Jailer Peter Nehren, and Dickenson, his two sons and Riley and Sinclair, who is reputed to be a man of hard character.

Whitman Meets Washington

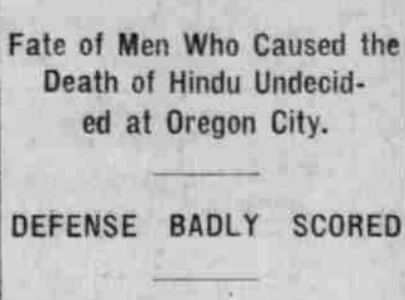

Field Meet on Seattle Campus Today—Varsity's Chances Best.

SEATTLE, Wash., April 24.—(Special.)—The University of Washington and Whitman College, of Walla Walla, will hold their annual track meet on the University campus tomorrow afternoon. Whitman will have 11 men in her team and the University will be allowed to enter three men in each event. The University men expect to win, but are not overconfident. While the track squad is larger this year than ever before, there are few stars, and the men are not in as good condition as they will be in a couple of weeks. Several events, notably the jumps, are practically conceded to Whitman.
