M'GREGOR FOR COLLECTOR

OREGON DELEGATION UNITES ON ASTORIA MAN.

His Prompt Appointment by President Expected—Fulton Returns to Washington.

OREGONIAN NEWS BUREAU, Washington, April 27.—William F. McGregor, of Astoria, will tomorrow be recommended by the entire Oregon delegation for appointment as collector of Customs at Astoria, to succeed Carnahan, deceased.

Senator Fulton late this afternoon met Senator Bourne and told him he was anxious to have this appointment made as early as possible. He stated that he still stood by McGregor, whom he selected immediately after Carnahan's death, and also informed him that Congressmen Ellis and Hawley favored McGregor.

ENGAGED IN MANY PURSUITS

W. F. McGregor Represented in Varied Industries.

ASTORIA, Or., April 27.—(Special.)—W. F. McGregor received a dispatch this evening from Senator Fulton stating that the entire Oregon delegation has agreed upon the recommendation of Mr. McGregor for appointment as collector for the Port of Astoria, to fill the vacancy caused by the death of the late Clark W. Carnahan.

to a farm near Anderson, Ind., and two years later went to Rock Island, Ill. On June 5, 1876, Mr. McGregor arrived in Astoria, and, with the exception of one year spent in Alaska and one year attending school in Indiana, has made his home here since that time.

His first business venture was conducting a blacksmith and wagon shop, which he ran for three years. In 1879 he organized the Astoria Box & Lumber Manufacturing Company, and was manager of its mill until 1882, when the plant was burned. That year he spent in Alaska, operating a salmon cannery, in partnership with M. J. Kinney, but, on returning to Astoria in 1885, he organized the Astoria Box Company, rebuilt his sawmill on the same site, and since that time has been president and manager of the company, retaining a half ownership of the plant.

In addition to this, he is vice-president of the Alaska Fishermen's Packing Company, president of the Bremner Logging Company, president of the Johnson Logging Company, secretary of the Sorenson Logging Company and a director of the Altona Packing Company. He is also heavily interested in timber lands in this and adjoining counties. Mr. McGregor has been chairman of the Republican County Central Committee for several years, but the only public office he has held has been to serve three successive terms as a member of the Astoria City Council. His family consists of his wife and three children, two daughters and one son.

TENDER FULTON SYMPATHY

Senators Irrespective of Party Warmly Welcome Oregon Man.

OREGONIAN NEWS BUREAU, Washington, April 27.—Disappointed at the result of the Oregon primaries, Senator Fulton was much gratified today with the reception he received from his fellow Senators, regardless of party. When he entered the Senate chamber this morning many Senators shook his hand and expressed their profound regret that he had not been renominated. These expressions of appreciation, said Fulton, partly compensated him for his defeat, for it was very gratifying to him to know how kindly his colleagues felt toward him.
