HAVOC OF STORM

Hundreds of Freshly Formed

Three States.

EXTEND AID TO HOMELESS

President Wires Governor Noel of
Mississippi—Neighbors of the
Stricken People Furnish
Immediate Relief.

NEW ORLEANS, April 27.—With the 225
newly-made graves distributed broadcast
over nearly the entire width of Louisiana,
Mississippi and Alabama, the dead in Fri-
day's tornado had been mostly cared for
tonight, and it was possible today to state
with accuracy that the death list in the
three states would not exceed 350. The few
who may yet be added to the fatalities
are possibly a score of the 200 most
seriously injured in hospitals throughout
these states.

Out of the seven passes that Killain
issued to Portland Thursday, Pearl Casey
grabbed four. The old eagle bird was
certainly waiting for 'em.

Coming back home after receiving the
trimming at the hands of Los Angeles,
these Seals will not be so cocky when
they meet McCredie's men. It will be
Portland's chance to rub it in a little.

Saturday night, when Chester Brown,
the crack amateur boxer, stepped into the
ring, those that were close enough
to see him were carried away by the mys-
tery of it. It was no mystery. The deco-
ration was given to Croft. When it
looked as if Brown wasn't going to get a
match, he declared his intention of jump-
ing into the heavyweight class. Croft
was and Brown grew hot under the
collar. The talk waxed warm and finally
both boxers adjourned to a room at the
hotel where they were stopping, moved
the furniture into the hall, put on the
gloves and sailed in. Brown is said to
have planted a right into Croft's mid-section
that put him almost down and out.
The fight was finally stopped, but not
before Brown had Croft going.

Three deaths today at the Natchez
Charity Hospital make a total of 109
deaths for the territory since the storm
from Black River, La., through Con-
cordia Parish, La., and the Counties of
Adams and Jefferson, in Mississippi State.

Related reports from the territory along
the wider logging roads running west
from Elpe Station, Miss., indicate that
the loss of life in that section was much
greater than at first reported. At a tur-
pentine camp between Elpe and Purvis,
near the road, 12 dead were found and 15
injured.

DAMAGE UP IN MILLIONS

Property Loss Heavy as Result of
Recent Storms in South.

ATLANTA, Ga., April 27.—Conditions
in the district stricken by the storm of
Friday, Saturday and Sunday show no
improvement. The death list may reach
400. The list of injured stands at 1272.
Apparently, Mississippi and Louisiana
were the chief sufferers, and reports
from those sections this afternoon show
that a number of small towns have
been almost completely destroyed. In
Alabama, the damage to property has
been taken in Montgomery, Mobile, New
Orleans and other places. The report
of the Weather Bureau indicating that
the night has hastened reparations for
the relief of the homeless.

There have been no serious develop-
ments in the flood situation in the way
of loss of life, but the property damage
in parts of Georgia and Alabama was
heavy. The financial loss will aggre-
gate several million dollars in Missis-
sippi, Louisiana, Alabama and Georgia.

Reports from Catholic Parish, Loui-
siana, report the death of several per-
sons and of great destruction of prop-
erty. The report from Baton Rouge, Mis-
sissippi, reports the death of 15 persons and
the injury of many more. Reports from
the territory of Purvis, Miss., and the Gulf
and Ship Island Railroad also add to
the death list.

Governor Noel, of Mississippi, has ac-
knowledged the receipt of a telegram
from President Roosevelt offering aid.
Governor Noel has ordered all the towns
available in nearby towns rushed to
Purvis, where there is much suffering.
Reports from Amite City, Louisiana,
the relief work is progressing.

FLOODS FOLLOW THE TORNADO

Heavy Rains Do Great Damage in
Northern Alabama.

ATLANTA, Ga., April 27.—All reports
today indicate that the wind storm
which rolled up a death list of nearly
400 and a list of injured of about 1200
during the last four days has passed
north. Careful canvass seems to make
the death list 1272 for the States of
Louisiana, Mississippi, Alabama and
Georgia, with Georgia the least suffer-
er.

Devastation by wind was followed today
by reports of serious conditions in
parts of Georgia, Columbus, Ga., on the
Alabama line, is the chief sufferer, ac-
cording to early reports. The Chattahoo-
chee River at that point is rising fast
and in an hour, the power house supplying
the city with light is partly submerged,
factories near the river have been forced
to suspend operations, and the streets
have been stopped. Two steamboats were
torn from their moorings today and have
gone down the river.

In Alabama the rain of yesterday was
the heaviest of years. Frightened negroes
are flocking into Fort Deposit from all
country districts.

RED CROSS WILL EXTEND AID

Help for Sufferers Who Are Victims
of Recent Tornado.

WASHINGTON, April 27.—The officials
of the Red Cross announced today that
the organization stood ready to assist
in any way it could in extending help
to the sufferers from the tornado in the
South.

Hallstrom Blocks Traffic.
MOBILE, Ala., April 27.—Reports com-
ing into Mobile from adjacent territory
today tell of the worst hail storm in
recent years. At noon all railroads leading
into Mobile are tied up, with the pros-
pect of traffic being resumed before night.
The storm was very fierce in the lower
bay and many ships at anchor were
dragged some distance.

was in frightful condition yesterday, and
so was the grandstand. It was positively
filthy.

The Washington Post says: "It might
be well for the baseball stars to remem-
ber that only moons can get full occa-
sionally." But ballplayers have such
poor memories.

An ex-Philadelphia ballplayer is a can-
didate for Congress. He is also a million-
aire, but it's his past popularity with the
fans that will elect him and not his
money.

Oklahoma has just passed a law mak-
ing it unlawful for anyone to play poker
with a member of the Legislature. If the
reformers keep it up, they will make the
position of a legislator very undesirable.

Frankie Nell is not yet satisfied that
he is a dead one. He left San Francisco
the other day for Milwaukee, where he
goes to fight Kid Wolcott.

Battling Nelson is to become a Califor-
nia farmer. He has purchased a fine
farm near Livermore and will turn it over
to his brother to manage.

EXPLAINS HIS FILIBUSTER

JOHN SHARP WILLIAMS STATES
TERMS OF PEACE.

Informing Majority That Various
Bills Favored by President
Must Be Passed.

WASHINGTON, April 27.—Before
adopting a special rule which provides
for considering and passing the sundry
civil appropriation bill after eight
hours of general debate, the House to-
day listened to Mr. Williams, the minor-
ity leader, in explanation of a filibuster
he had made.

The filibuster, he said, will end the
moment the House gives permission for
the consideration of the campaign pub-
licity bill, a bill to put wood pulp and
print paper on the free list, and the
anti-intellectual bill. Those measures,
Mr. Williams stated, had been treated
at the President's legislative pro-
gramme. Every roll-call which was
taken was only an emphasis which the
country understood to be due to the
lack of action by the Republican in-
terests. The filibuster, Mr. Williams
said, in conclusion, would continue until
the desired results were accomplished.
That it was not delaying business was
evidenced by the fact that supply bills
were further along than usual at this
time in a long session.

The House was given the Democratic
view of the wood-pulp controversy by
Mr. Williams. The special committee
investigation resolution brought in for
passage by Mr. Curry, of New Hamp-
shire, asked authority to spend the
necessary money to carry on its work.
Doubtless 20 minutes on a side was
granted on demand of Mr. Barrett, of
Georgia, and Mr. Williams was given
the floor. He at once asserted that the
Democrats agreed that the special
committee had been created for the
purpose of delay; that it was a dilatory
and filibustering process in order to
prevent legislative action to produce
the desired results.

MASS FOR THE LATE DUKE

Large Attendance of French Aris-
tocracy at Services.

PARIS, April 27.—A solemn high mass
of requiem was celebrated this morning
at the Church of St. Philippe for the late
Duc de Chaulnes, who died suddenly of
heart disease Thursday night. The can-
opy over the bier, which was banked with
flowers, bore the arms of the De Chaulnes
family. The widow of the dead Duc, who
is a daughter of Theodore P. Shonts, of
New York, was accompanied to the
church by the Duc and Duchess D'Esne,
the Duc and Duchess de Ligner, the Duc
and Duchess Noailles, Marquis Horache,
Mrs. Drake and other relatives.

The Duchess de Chaulnes appeared to be
much broken, but she bravely withstood
the trying French ordeal of receiving con-
dolences after the ceremony. Many prom-
inent members of the French aristocracy
and the American colony were present at
the mass, including Baron and Baroness
de Grouville, the Duc and Duchess de
La Rochefoucauld, Count Boni de Castella-
ne, the Marquis de Semaillon, Count
de Lestang, Count de Vogue, General De
Larn, Ambassador Colonel Mercier spoke at
the Catholic Church.

The body will be taken down to Damperre
this afternoon, where it will be interred.

Civil War Veteran Says He Was
Deceived Into Believing His
First Wife Dead—Adver-
tised for Another.

OMAHA, Neb., April 27.—(Special.)—A
matrimonial paper and a Huron, S. D.,
widow are the causes assigned by David
R. Paramenter, of Eugene, Or., brother of
Judge O. S. Paramenter, of Spokane,
Wash., for his arrest for bigamy. Par-
menter is an old soldier, Union veteran,
65 years old. According to his story, he
is a victim of circumstances. He says
wife No. 1, whom he does not consider
mentally responsible, left him 11 years
ago. Several months later she came back
and he nursed her through a severe ill-
ness. Then, he declares, she left him
again and went to live with his daughter
at Mandan, N. D.

Last Summer, Paramenter says, he re-
ceived a telegram from his daughter an-
nouncing the death of his wife. He
brother, Judge Paramenter, of Spokane,
is said to have received a similar telegram,
seeking again the joys of companionship,
through the medium of a matrimonial
journal Paramenter offered Mrs. Louise
Bowen, of Huron, S. D., \$300 a year to act
as his housekeeper. She replied that she
was in the matrimonial market, but not
looking for an employer. They were
married in Oregon last October.

After a week of wedded bliss had
elapsed, wife No. 1 appeared on the scene
and began prosecution for bigamy. Wife
No. 2 joined her and Paramenter was
indicted by an Oregon grand jury. He fled
to Omaha, where he has a son, and was
located here through the address on his
pension papers. His arrest here was made
at the request of the Oregon authorities,
who have notified the Sheriff here that
they will send for him.

Paramenter is under a \$400 bond in Or-
gon. He says he will return without a
requisition.

Officer Goes to Omaha.

EUGENE, Or., April 27.—(Special.)—David
R. Paramenter, the old soldier who
jumped his bond before the last term of
the Circuit Court, when he was to be
tried on a charge of bigamy, has been
located in Omaha, his old home, and
Deputy Sheriff Hammond left today to
bring him back to Eugene.

Requisition Is Issued.

SALISBURY, Or., April 27.—(Special.)—Governor
Chamberlain has issued a requisition
upon the Governor of Nebraska for the
country under arrest, David R. Paramenter,
who is wanted in Lane County to answer
a charge of polygamy.

SCHOOL TEAMS PLAY TODAY

High School and Portland Academy
Will Meet.

The West Portland High School and the
Portland Academy baseball teams will
face each other on the Vaughn-street
grounds in an interscholastic League
game today afternoon. The game, origi-
nally scheduled for last Saturday,
but was postponed on account of the Ter-
City League game played on the pro-
fessional grounds.

The West Side boys have been prac-
ticing hard for this game, for a victory
means they will occupy second place in
the race for the interscholastic honors.
Portland Academy has a strong team and
in spite of its recent defeat at the hands
of Columbia, the league leaders, it is still
confident of winning the championship.
The game will be called at 7 o'clock
and a good match is in prospect.

Tomorrow afternoon, at the same hour,
the teams representing Columbia Uni-
versity and the Pacific Northwest Uni-
versity will meet. The game will be
held at the same place and will be
well looked up for the first time this
season. Hill has a strong team, and as
the players have rested up since their stren-
uous trip to Eugene last week, they
they will be in shape to give Columbia a
strong battle for the honors. The Col-
umbia lads have not yet been defeated,
and are anxious to maintain their po-
sition at the top of the percentage column
in the interscholastic League.

SEATTLE, Wash., April 27.—(Special.)—The
error column tells the story of to-
day's game. Seattle did more wild,
weird things in the field than the oldest
fan ever saw before. After one had
scored in the fifth on a couple of hits
and a passed ball, Cartwright struck out,
Porter dropped the ball, but picked it
up and whipped to third to catch
Thomas. The throw was wild and the
ball rolled into left field. Frisk hit
it and two more scores. Frisk hit
it, ran it down and threw it 20 feet
to second to catch Cartwright. The
error was another last. Two more re-
sults in the outfield, switched in with
hits, netted Butte three more in the
seventh. Mobley outpitched Thomas and
deserved to win. The score: R.H.E.
