The second and third rounds were but a repetition of the initial one. In the fourth round, after about a minute's fighting, Atteil bluined Sullivan into close quarters and promptly toppled him over with a short-arm right to the chin. Sullivan struggled to his feet in a dazed condition and Atteil went after him. Twice more the St. Louis man hit the mat and as he rolled over on his back, completely knocked out, Police Captain, Aderson stepped into the ring and ordered the contest discontinued. Atteil left the ring without a mark.

Just as the fight commenced Luke Marisch, the club manager, instructed Referee Alvie King to call all bets of agreement, which permitted Sullivan to weigh in at 125 pounds at 5 o'clock this afternoon instead of at 123 pping the hinning.
