

CITY IS HOST TO 650 PORTLANDERS

McMinnville Entertains Baptist Excursion With May-day Exercises.

PICNIC AT THE COLLEGE

Addresses and Track Meet in Afternoon—Debate at Night—Each Visitor Receives Yamhill Walnut as Souvenir of the Day.

McMINNVILLE, Or., May 1.—(Special.)—Today was given over to gaiety in McMinnville, in honor of McMinnville College and the visitors from Portland, Oregon. Preparations for the event had been in hand for more than a week, and when a dispatch was received this morning from Passenger Agent McMurray, of the Southern Pacific, announcing that a special train with 650 passengers on board had left Portland for McMinnville, the citizens here felt that their fond anticipations for a successful Mayday party were nearing a realization. The excursion was given at the suggestion of the Baptist denomination, and its purpose was to allow the Baptists of the metropolis an opportunity of becoming better acquainted with McMinnville College, which institution the Baptists of the Northwest have chosen as their foremost denominational school.

Show windows were handsomely decorated for the day, and the business houses remained closed during the greater part of the day. Upon the arrival of the visitors they followed the carriage of the Mayor to the college campus, where the coronation of the Queen occurred in all its royal magnificence.

Miss Galloway Queen of the May.

Miss Zilpha Galloway, of the class of '08, had been elected May Queen by a great majority of the students. Queen Zilpha, with her pretty maid, and the gallant royal guard, occupied first place on the programme of exercises. A few musical numbers followed, when the visitors were given an exciting and substantial luncheon. This was distributed in the college basement on account of the prevailing Spring shower, which institution the citizens of the region of the great oak untenable. In the afternoon the people were escorted to the First Baptist Church, where an eloquent address of welcome was made by Mayor McEwen. Responses were given, as was also an entertaining address by Rev. J. Whitcomb Brouger, of Portland. Adjourning was made to the athletic field, where a tournament and field meet occurred between Willamette University and the local college. The day closed with a debate in the evening between the orators of Willamette University and McMinnville College, the question being, "Resolved, That the United States should permanently retain the Philippine Islands."

Unique Advertising Feature.

One feature of today's festivities was the presentation to each one of the 650 excursionists of a unique souvenir of McMinnville. Business men and others took the matter up a few days ago and purchased all of the Yamhill County grown walnuts that were in the local market. To each walnut was screwed a small brass eyelet, and into this was inserted two pieces of ribbon in the college colors. Upon one was printed, in gold, the words, "McMinnville, the Walnut City," and upon the other, "The Home of McMinnville College." A delegation carried the supplies to Forest Grove this morning, where they met the incoming special train and pinned a walnut to the lapel of each of McMinnville's guests. It was a clever bit of advertising.

FOUND ALONE SLOWLY DYING

Body of Vancouver Suicide Discovered by Children at Play.

VANCOUVER, Wash., May 1.—Following a desperate attempt at suicide, William Barton, who had been a resident of this city for a number of years, lay for two days in a woodyard alone in his sufferings. Discovery was the result of a game of hide-and-seek between children, whose families reside in the neighborhood. The children found the man lying on the ground between two piles of slabs, and thinking it was a drunken tramp, reported to Chief of Police Seibert, who immediately made an investigation.

According to his own statement, which is corroborated by the surroundings, Barton drank two ounces of laudanum, and followed this with a small quantity of carbolic acid some time Tuesday morning. After taking this dose, he crawled out of sight between the piles of wood, and lay waiting for death until discovered yesterday afternoon.

Barton, while somewhat eccentric, has always borne a good reputation. It is understood that he had a small sum of money in one of the banks.

DEAD OF THE NORTHWEST

Marshfield Pioneer Dies While Playing With Children.

MARSHFIELD, Or., May 1.—(Special.)—Charles L. Anderson, a pioneer resident of North Bend, dropped dead of heart disease on the street today. He stopped to play with some children, putting them in a wheelbarrow and starting to give them a ride, when death overtook him.

Mrs. Diana Brynn, an old resident of Libby, the Coos County mining town, died late last night.

Mrs. H. M. Dutcher.

ABERDEEN, Wash., May 1.—(Special.)—Mrs. H. M. Dutcher, a former resident of Aberdeen, died yesterday in Portland. Mrs. Dutcher was 79 years old and leaves two sons—William Dutcher, of Aberdeen, and a son in Kansas.

ABERDEEN, Wash., May 1.—(Special.)—C. M. Pardue, whose wife keeps a rooming-house in Portland, was killed by a falling tree today in a camp on the Nwahkahk River.

STRIKES IN HOQUIAM MILLS

Discharge of Union Filer Causes Trouble Among Employees.

HOQUIAM, Wash., May 1.—(Special.)—Unexpected strikes occurred today at

noon in the shingle mills of the North-western Lumber Company and the Polson Shingle Company. Each mill employs approximately 60 men. As far as can be learned, the strike of the Northwestern resulted from the discharge of a union filer; that at the Polson mill being over some union wage scale controversy. It is not expected other local mills will be affected.

Dies With Perforated Stomach.

ABERDEEN, Wash., May 1.—(Special.)—D. E. Smith, a logger, aged 30, died tonight in St. Joseph's Hospital. A few nights ago Smith was found outside a saloon unconscious, and it was believed he had been poisoned. The case has been a mystery until tonight, when an autopsy revealed that Smith had been a sufferer from a perforated stomach, which caused death. There was no trace of poisoning. The man's relatives or residence is unknown.

Find Child's Body in Bay.

MARSHFIELD, Or., May 1.—(Special.)—The body of a 5-year-old boy, of Mr. and Mrs. Willis Varney, was discovered by boatmen today in Coos Bay near Marshfield. The child had been missing since April 21, and was last seen when playing along the water-front near the parents' home in East Side. It is supposed the boy accidentally drowned.

CATTLE STARVE TO DEATH

Humane Association Appeals to the President for Mercy.

WASHINGTON, May 1.—An appeal has been made to President Roosevelt by the American Humane Association in the interests of the cattle that graze on the Western ranges. The Association indorses the President's efforts to maintain proper Federal control of the public domain, especially the grazing privileges thereon. It is held that the wholesale perishing of range animals on Western plains is due to starvation and thirst caused by overcrowding and abuse of the public ranges.

Rates to Klamath Reduced.

Joint tariff No. 58 was issued by the Southern Pacific yesterday, providing for rates between Portland and Klamath Falls. The rates are for freight hauled over the Southern Pacific and the California & Northwestern, and tariffs will be the same from Portland as from San Francisco. Freight will be hauled to Dorris, Cal., by rail and from thence to Klamath Falls by teams. The rates are good to the store or warehouse door at Klamath Falls and show a reduction in all classes of freight of about 10 per cent.

Working Women at White House.

WASHINGTON, May 1.—President and Mrs. Roosevelt received at the White House this afternoon a delegation of 90 wage-earning young women from seven Eastern States, representing the National League of Women Workers, now holding its convention in this city. The young women are here principally on pleasure bent, and very little business will be transacted. Wu Ting Fang, the Chinese Minister, has promised to tell the girls "the Chinese view of the American women."

SAVARIAN AT FAULT

Council Committee Inclined to Take That View.

MAY LOSE OFFICIAL HEAD

Mayor and Councilmen Indulge in Bitter War of Words Over Fire-Alarm Cable Blunder—Utters Threats of Impeachment.

Mayor Lane, City Attorney Kavanaugh and Councilmen Bennett and Cellars, of the judiciary committee, last night engaged in the bitterest battle of words in the history of the turbulent period during which the Executive and members of the Council have carried on their bitter fight, covering about three years. The session began at 7:30 and ended at 11 o'clock, the subject supposedly under discussion being the purchase of \$20,700 worth of fire department cables.

Mayor Lane took the stand after other witnesses gave their testimony, and answered questions from City Attorney Kavanaugh and the members of the committee relative to the purchase. At the end of his testimony he asked if it was the intention of the committee to lay the ground for impeachment proceedings, and said it appeared to him that such was the case. If so, he declared, he would like to enter into that matter, and he then charged Mr. Kavanaugh with openly, in a Council session, advocating a continuation of a violation of the charter, relative to public funds, alleging that City Treasurer Werlein, during the recent financial panic, illegally loaned to certain banks the city's money.

City Attorney Kavanaugh, who sat directly across a table from Mayor Lane, challenged the truth of the Mayor's assertion, and denied emphatically ever recommending any charter violation. The Mayor held to his original statement, however. Mr. Kavanaugh explained that he worked in conjunction with Mr. Werlein to straighten out matters of finance, and said that Mr. Werlein's violation of the charter was made in ignorance, and simply to benefit the city by securing interest.

Mayor Lane replied that so doing Mr. Werlein might have secured some interest for the municipality, but that he thereby jeopardized \$60,000, and that the Council went on record as approving this action. Councilman Bennett, chairman of the committee, denied that the Council approved it, but declared that "the Council met the issue like men, not being afraid, like the Mayor, to take action."

Mayor Lane also openly charged Thomas C. Devlin, ex-City Auditor, with "juggling" appropriations, and declared that Mr. Devlin, as Auditor, and the members of the ways and means committee at the time, of which Mr. Bennett was one, studied how to arrange each item, so as to hamper the administration, and cited as an example how the street-cleaning department fund specified brooms to sweep the dirt, but no wagons to cart it away. "Just to annoy and cripple the department," Mr. Bennett, as chairman of the committee, denied the allegations, and said the specifications were made "to protect the city."

All Talk at Once.

At times the wordy war became so loud, and so many were talking, that

A MARVEL OF HAT VALUE IS THE NEW "MCKIBBIN SPECIAL" FOR THE MAN WHO WILL BE SATISFIED WITH NOTHING LESS THAN SUPERLATIVE QUALITY IN HIS HEADPIECE \$4

THE OLD RELIABLE "MCKIBBIN" T H E "STANDARD OF HAT VALUE," STILL RETAILS AT \$3

EITHER IS SOLD EVERYWHERE, AND EACH IS THE BEST IN ITS CLASS

It was impossible to distinguish anything that was said. There was no semblance of order, the Mayor insisting upon finishing his remarks, and others trying to put questions at one and the same time. The subject of cables was lost sight of in the fight. At the close, Councilmen Bennett and Cellars openly expressed themselves as of the belief that the blame for the needless expenditure originated with City Electrician Savarian, and the latter replied, "I hope you're satisfied, having made a goat out of me." It is thought, from what was said, that the committee will recommend the dismissal of Savarian on the grounds of incompetency, and Fire Chief Campbell may be involved also. The committee will compile its report later.

Challenges the Remark.

Among its findings is sure to be one that, while section 151 of the charter makes it the duty of the Mayor to report to the Council on all provisions of public-service franchises, he did not do so, and that therefore the Council voted to appropriate the \$20,700 for underground cables, which should have been furnished by the telephone companies.

MAY STOP CLEVELAND CARS

Employees Want New Company to Keep Old One's Promises.

CLEVELAND, Or., May 1.—A general strike of motormen and conductors employed by the Municipal Traction Company, the new holding company which took over all the local street railway lines under the recent peace agreement, appears to be imminent. The Carmen's Union demands that the new company carry out the promises of the old Cleveland Electric Railway Company to give an increase of 2 cents an hour in the wages of the men, in the event that the general street railway controversy was settled.

OPEN SHOP CAUSES STRIKE

Between 800 and 900 Carriage-

Workers Affected in Frisco.

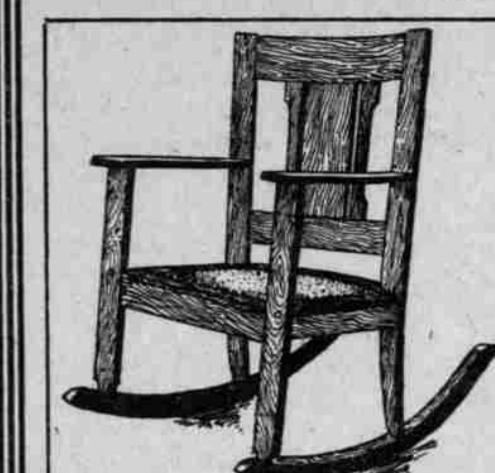

AN FRANCISCO, May 1.—A strike involving between 800 and 900 employees of about 500 carriage and wagon shops was called today by local union No. 6 of the Carriage and Wagon Workers, in accordance with a vote that was taken Wednesday night to compel the employees to sign a new agreement for the next year, maintaining hours and wages as they have been in the past. The working agreement between the union and the bosses expired yesterday and the employees held together on the stand they had taken not to commit themselves to a contract for another 12 months.

The point at issue is solely on the matter of open shop. "The employers claim that they are entirely willing to continue the prevailing wages of \$4 and \$5 for an eight-hour day, but do not wish to be bound to a formal compact. The horsehoes and blacksmiths are not involved in the strike."

Medicines are made almost absolutely tasteless, according to a new German process.

LIVED IN THREE CENTURIES VIGOROUS AND STRONG AT 108

Mrs. Mary Wilkins, 108 Years Old.

Mrs. Mary Wilkins, of Remington, Ind., Mother of Dr. John A. Wilkins, of Delta, Ind., is One of the Oldest Residents of the State, Having Lived in Three Centuries and Being in Her 108th Year.

She was born in County Tyrone, Ireland, September 29th, 1799, and came to this country with her husband in 1840. She is the mother of four children, all living. At the present time she is visiting a daughter in Indiana and is in splendid health. She enjoyed an automobile ride a few days ago and was greatly pleased at the speed. Mrs. Wilkins remembers the crowning of Queen Victoria, and enjoys telling of the experiences and conditions of a hundred years ago.

On January 18th, Margaret Watson, daughter of Mrs. Wilkins, sent the following letter from her mother:

"Dear Mr. Duffy—I want to tell you about your medicine, it is doing me so much good. I am now a very old woman. I have passed my 108th birthday. Since taking your Pure Malt Whiskey my appetite is better, and I am stronger. I rest better and my daughter, who is 75 years old, says I am getting younger every day. I feel that your Whiskey is a food and that it will keep me alive for a great many years more. Your Malt Whiskey makes me think of the whiskey they make in Ireland. You may put this in the paper if you want to."

Thousands of letters like Mrs. Wilkins' are received from grateful men and women who cannot say too much in praise of Duffy's Pure Malt Whiskey for the benefit derived from its use.

Duffy's Pure Malt Whiskey

is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt essence, which is the most effective tonic stimulant and invigorator known to science; softened by warmth and moisture its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

It is invaluable for overworked men, delicate women and sickly children. It strengthens and sustains the system; is a promoter of health and longevity; keeps the old young and keeps the young strong. CAUTION—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey, be sure you get the genuine. It is the only absolutely pure medicinal malt whiskey and is sold in sealed bottles only; never in bulk. Price \$1.00. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Write Dr. R. Curran, Consulting Physician, for free copy illustrated medical booklet and free advice. Duffy Malt Whiskey Co., Rochester, N. Y.

"FORCE"

It was always good enough, but it's better than ever now. Get the "happy habit" by eating the food that's full of sunshine and strength. FORCE has all the muscle-making material in the whole wheat combined with barley-malt—the "pre-digested energy" of the two great life-giving cereals.

"FORCE" is made of the best white wheat, steam-cooked, rolled into thin flakes, combined with the purest barley-malt and baked. Always "crisp" before serving it by pouring into a pan and warming it in oven. Then serve in large dish with cream, piling the flakes in one side of the dish and pouring the cream in the other side, dipping the flakes as eaten. Your grocer sells it. No other Flaked Food is "just as good."
