LEAGUE CARRIES BIG CITIES

SwEEPING VICTORY IN SAN FRANCISCO AND LOS ANGELES.

RAN COSTS OF LEAGUE TO BE $20,000,000.

CHICAGO, May 3—(Special)—The American League carried the big cities today, sweeping the National League, the cost of the season's play estimated at $20,000,000. The victories came easily today, the National League teams defeated by the American League, 7-3.

The National League clubs have already made big profits from the season, with the exception of the New York clubs, which were defeated by the American League. The American League clubs have made large profits, with the exception of the Chicago club, which was defeated by the National League clubs.
