But this se-cession is problematic. The chances are that it will not be very extensive, and it may not take place at all. If it does not, how can Mr. Taft be elected." Mr. Clint G. Ford, who has been identified with the very foremost dramatic attractions, including Gillet's "Secret Service Co.," "David Harum," "The Clansman," etc., has this to say of Newbro's Herpicide:

"For years I was annoyed with dan-druff and liching of the scalp, all due to my twenty years of theatrical life with its incumbent "make-up" and wig wear-ing. At times the itching of the scalp was intense. All remedies failed me until I tried Herpielde, and I soon found that it was giving wonderful results. The itch-ing and also the dandruff entirely ceased and my hair resumed its natural life and vigor.

NEWBRO'S HERPICI

Extravagant claims for toilet remedies do not influence theatrical people, because long experience enables them to discriminate intelligently. They demand merit and will rarely use a preparation that is not actually worth as much or more than it costs in dollars and cents.

Herpicide kills the dandruff germ and by actual test does more good than all other hair remedies combined. This accounts for its popularity in theatrical circles.

"Queen Roselle" writes of Newbro's Herpicide

"I take pleasure in announcing the very sat-istactory results I have had from the use of Newbro's Herpicide. My hair was failing out so rapidly that I was afraid I would lose it all. A friend advised Herpicide, and after using it faithfuily my hair stopped failing out, the dandruff disappeared and my hair is now very soft and glossy.
