INSPECTING SYSTEM OF ORE-GON ELECTRIC COMPANY.

Member of Company That Is Financing System Confirms Announcement of Proposed Extensions.

W. A. White, of the firm of Moffatt & White, the New York syndicate, which is financing the Oregon Electric Railway, is registered at the Portland, accompanied by his son, A. W. White, also of New York, Mr. White annually visits the Pacific Coast, where he has interests aside from those of the Oregon Electric, and declined yesterday to enter lote a discussion of the plans of the men who are financing the road other than to confirm the published report of proposed extensions of the system throughout the Willamette Valley and into the Coast countries.

into the Coast counties.

Accompanied by Guy W. Talbot, gen eral manager of the Oregon Electric, and members of the contracting firm which built the road, Mr. White and son yes-terday made a trip of inspection to Salem. This was the first trip Mr. White over the road since it was

White leaves today on a fishing trip to Meadow Lake and will return to Portland again next week. A few days later he will go to Spokane, where he has other business. He will be in Spo-kane probably until June 1, when he will return to Portland and join his associates, George B. Moffatt, A. C. Bed-ford and W. S. Barstow, of New York, who are expected to be in this city about that time. The financiers of the road will then complete their inspection of the system as far as it has been con-structed and arrange definitely for vig-orously pushing the work on the various extensions that have been decided on.

DELEGATION SOLID FOR TAFT

G. C. Fulton Declares Oregon Representatives Will Be Instructed.

"A large majority of the delegates to the Republican State and Congressional conventions in this city next Thursday will be friends of Secretary Taft," said G. C. Fulton, of Astoria, brother of Senator Fulton, yesterday. "Of the 233 delegates in the state convention, more than one-half will come to the convention instructed for Taft. Reports from throughout the state conclusively indicate that the membership of the two congressional conventions will consist largely of Taft men. The state convention will select four of the eight delegates to the Chicago convention and each of the two Chicago convention and each of the two congressional conventions will select two. There can be no question but that the three conventions will be dominated by friends of Taft and this means that an instructed Taft delegation will be sent from Oregon to the National convention. This assertion is based on the reports I have received."

Mr. Fulton went to Astoria last night, sir. Futon went to ascora has night, temporarily leaving the Fulton-Taft head-quarters at the Imperial Hotel in charge of J. H. Brown and C. W. Halderman, He will return, however, early next week further to organize the Taft forces in the

three conventions.

Since coming to Portland and establishing headquarters at the Imperial the first of the week, Mr. Fullen has been busy. He said yesterday that he had heard from practically every county in the state and had learned that a majority of the dele-gates are piedged to Taft and have in-structions to work for an instructed Taft delegation to the Chicago convention. Twenty-five of the 22 counties of the state have selected their delegates to the state and congressional conventions. The only counties yet to make these selections are: Coos. Curry, Crook, Grant, Lake, Lane, Morrow and Wheeler. The Fulton-Tatt forces declare that the delegation from Clackamas County, which has been claimed by the Bourne people, will not be unfriendly. The Secretary of War and unfriendly to the Secretary of War and the plan to send an instructed delegation to Chicago. C. G. Huntley, of Oregon City, who will probably head the delegation from Clackamas, will have the in-dorsement of his county as one of the delegates to the National convention. He is known always to have been a staunch
