BY WILL G. MAC RAE.

Portland, 5.
Los Angeles, 2.

Big Ed Kinsella, the happy bridegroom, performed during yesterday's matinee, so there was a happy ending all round. Ruby Randolph was on the firing line for Captain Dillon and with the exception of a slight attack of wobbles, in which both slabsters offended, the game was a battle royal from start to finish. Randolph was in search of his range-finder in the sixth chapter, forcing one of Portland's pennant hopefuls over the pan. The rest of the runs came home because they were driven there.

The locals got busy with Randolph in the opener. Casey drew four wide ones and Ryan bingled over second. McCredie dumped one down, advancing Casey and Ryan along the route. Babe Danzig struck the ozone route and the gleeful noise of the sun gods became a wail for Bassey. The Italian didn't disappoint. He caught a wide one, dropped it into short right, when Brashear tried to grapple it, the ball got by and rolled to the fence, and was good for three cushions. Casey and Ryan registered, but Johnson also went the way of the wind jammer.

Angels Busy in Third.

Los Angeles kept making threats until the third and in this canto they finally put one over. A couple of passes issued by the bridegroom, together with a double steal and Cooney's error, gave Dillon his chance to score. Brashear was one of the Angels that benefitted by Kinsella's passes. That is, he benefitted to the extent of getting on the base and then, when Madden made a bum heave to second to catch him, he kept on coming home. Ryan retrieved the ball and winged it to the plate. The throw was a beauty and morgued Kitty at the pan. In coming in, Madden blocked Brashear and in the mixup, Brashear was put out of business with a turned ankle. Easterly debuted into the game at this juncture.

After this there wasn't much doing until the ninth. Danzig touched things off with a rattling single and Bassey sacrificed him to second. Johnson again became a windjammer. Madden hit to Wheeler, and the keystone sacker foozled the approach, sending Danzig to third and placing Madden safe. Randolphy lost his range-finder on Cooney, and although he slaved hard to get rid of Kinsella, he failed and passed Ed along. This forced Danzig home to make room on the pillow. Happy Hogan hadn't been heard of much, so when his old pal came up there was trouble for Hogan. Casey mushed one of Randolph's choicest. Happy was in a brainstorm hurry to heave the ball to Dillon, and the toss went to the land of bleach, scoring Madden and Cooney. Thanks, Happy!

Another Score in Ninth.

In the ninth, Kinsella took things easy. Smith poked out a ripping single to left Ellis' grounder forced the dentist at second, but saved his own life, because Kinsella thought more of getting Smith. Bert Delmas ruffled things up with his second two-bagger of the game. The poke went to the fence in Basseyville, scoring Ellis and that was all, for Ryan took care of Hogan and Randolph, who skied to center.

Thrown into the game was a lot of real baseball. Casey saved a run in the first inning, when he grabbed Brashear's short infield drive. Casey had to move like lightning to morgue Kitty at first. Madden and Cooney also worked into a rapid-fire double that nipped trouble in the bud. There was also that one-handed spear of Jud Smith's, when he grabbed Bassey's shot, tagged McCredie and then heaved the ball to Dillon in time to get Bassey.

Chit-Chat of Sporting World

BY WILL G. MAC RAE.

BIG ED KENNEDY slammed out a home run for Fresno the other day and the bugs of that California town are sure he is the greatest ball player on earth and any old time that Kennedy won't help them to believe it you can win $100,000,000.

* * *

Hal Chase is at the top of the American League swatters. He has made 30 hits up to last Sunday.

* * *

Benny Henderson, who is weeping and wailing to get his suspension lifted, has'nt lost a game so far this season for the California outlaw team with which he is playing. No one is wasting sympathy on Benny for he scrambled his own eggs.

* * *

The Tri-City League officials want the fans to understand there is no such ball team as the "Frakes." Just remember they are the West Portland and the officials will be happy.

* * *

Any way lets all be thankful for one thing: Happy Hogan, the mump distributer, has quit the business. Physicians pronounced him absolutely cured before he came north.

* * *

Wheeler looked natural in a Los Angeles uniform. He can still clout the ball some.

* * *

There were a couple of cross-eyed two-baggers hurled into yesterday's game. Two at least were singles that escaped the outfielders and rolled to the fence.

CLUB PLANS FLOAT

Multnomah to Have Part in the Festival.

ATHLETES JOIN IN PARADE

Plans Are Well Along for Big Field and Track Meet Under Auspices of Winged "M" on Saturday, June 6.

In addition to ratifying the proposed field and track meet to be held in Portland on Saturday, June 6, of Rose Carnival week, the directors of the Multnomah Amateur Athletic Club last night decided to furnish 100 uniformed athletes for the festival parade. This body will be uniformed by the Rose Festival Association and will man two large floats in the floral parade, during which they will give gymnastic exhibitions for the benefit of the spectators along the line of march.

Plans for the big field and track meet are well under way and the work of reconstructing Multnomah Field is practically completed, for in two weeks the athletes of the club will be able to work out on the new field and track. Thursday morning a 15-ton steam roller will be placed in operation levelling the field and track and in about five days after that operation is finished it is expected that the cinder path and necessary space devoted to athletics will be in readiness to accommodate the athletes.

Complete by June 1.

By June 1 it is expected to have all the improvements completed and the baseball team of the club will probably be the first athletic team to use the new grounds for a public exhibition, while on May 28 Professor Krohn will give the big public drill of 4000 school children on the newly-improved field.

President George W. McMillan has written the athletic bodies of the University of Oregon, University of Washington, University of Idaho, Whitman College, Oregon Agricultural College, Washington State College, Pacific University, University of Puget Sound, Willamette University, and all the athletic clubs of the Northwest for their banners, for it is the intention of the Multnomah Club to fly the colors of each athletic institution of the Northwest from flagstaffs on the top of the new grand stand, which will shortly be completed. All the college and athletic club colors will be displayed on June 6, the date of the big All-Northwest field and track meet, at which practically all of the institutions named will be represented by five or more entries.

Nineteen flagstaffs will be erected on the top of the stand extending from one end to the other. In the center, the tallest staff will float the American flag, while adjoining it on either side will be staffs a trifle shorter in length on which will be the rival colors of the athletic institutions competing in dual meets, while the other staffs will be shorter still, but of equal height for the purpose of displaying all the colors on days when big meets are in progress or on gala occasions.

Much Interest in Meet.

The coming field and track meet is attracting more interest in club circles than any previous meet ever held in the Northwest, and is especially interesting to the members of the Multnomah Club for the reason that, with the assistance of American's premier sprinter and hurdler, Fred C. Smithson, the local athletic institution hopes to score enough points to win the Northwest championship.

From the standpoint of the public it should be of greater interest than any previous meet, because all the colleges, in addition to the athletic club, will be represented for the first time in the Northwest. Heretofore the collegians have either competed in inter-varsity events, or with individual clubs, and this year will be the first time they have entered against all the athletic and educational institutions in one gigantic meet.

During the A. A. U. contests at the Lewis and Clark Exposition, several educational institutions were arrayed against the athletic clubs, but the coming meet promises to eclipse the fair games in every particular, and Multnomah's new track promises to give out some new records. It is now expected that there will be something like 150 entries for the meet, making it the largest affair of the kind ever held in this section of the country.

ABERDEEN, Wash., May 12.—(Special.)—The Black Cats carried off the honors this afternoon in one of the swellest exhibitions of baseball ever seen at Electric Park. The Canucks outhit the locals, but the superior teamwork of the Champs gave them the victory. Thompson was in fine form, as was Engle.

Aberdeen's first score came in the fifth, when Fitzgerald clouted the ball into right field for two sacks. Brown sacrificed him to third and Spencer worked the squeeze play for the tally. In the seventh the trick was repeated. Boettiger drove a two-bagger into left. Was sacrificed by Mahon and came home when Brown pulled off the squeeze play. Hyatt might have stretched his fourth inning three-bagger into a home run, but loafed. Vancouver looked dangerous for a moment in the ninth, but Thompson tightened up. Nordyke's work at first was the feature. The score:

	R.	H.	E.
Aberdeen	0	0	0
Vancouver	0	0	0

Batteries—Thompson and Spencer; Engle and Sugden. Umpire—Mr. Frary.

Seattle 2; Spokane 3.

SEATTLE, Wash., May 12.—(Special.)—Seattle lost an 11-inning pitcher's battle today, the first of the Spokane series. Jensen out-pitched Welch and deserved his victory. Seattle had more chances to win than the visitors, but the needed hit was never forthcoming. Welch weakened for an instant in the 11th when Chandler drove the ball far to center. Kippert followed with a short single, putting Chandler on third and he scored on Mackin's long fly to right center. Seattle scored two in the third on Bennett's fungo hit, an error and Frisk's screaming two-bagger. James' double, a walk and singles by Clynes and Stevens scored two for Spokane in the fifth. The score:

	R.	H.	E.
Seattle	0	0	2
Spokane	0	0	3

Batteries—Welch and Stanley; Jensen and Rogers. Umpire—Caruthers.

Tacoma 2; Butte 7.

TACOMA, Wash., May 12.—(Special.)—Butte opened the season here today by giving the Tacoma Tigers the worst beating they have had yet. Hall's team outhit Tacoma 3 to 1, bunching the bingles to good effect. Tacoma's team is weakened by the absence of Mike Lynch and Danny Shea, both of whom are laid up indefinitely with injuries. Young Carson went in the box for the Tigers, but he had nothing, and was driven to the woods in the second inning, when the visitors made four runs. Osborne, who replaced him, was little better. When Samuels lost control in the fourth and Tacoma scored twice, Hall called him in and sent out Claflin. The fielding of both teams was spotted, sometimes ragged and at other times brilliant. The score:

	R.	H.	E.
Tacoma	0	0	0
Butte	0	4	1

Batteries—Carson, Osborne and Kellacky; Samuels, Claflin and Krettz.

Over the Fence for Two Runs.

PENDLETON, Or., May 12.—(Special.)—Slaughtered in the first inning, La Grande's baseball team went down to defeat this afternoon with the little end of an 18-to-5 score. Seven runs were made in the first inning, and up to the sixth the score was 11 to 0. Tracy Baker, the high school player, distinguished himself by swatting the ball over the fence and into the river for two home runs. Thirteen hits were used in the game.

Holman Heads Stanford Athletes.

SAN FRANCISCO, May 12.—(Special.)—At a meeting of the board of governors of the Stanford Interscholastic Athletic Association this afternoon at Stanford, J. R. Holman, of Portland, was unanimously elected president for the ensuing year. Mr. Holman is one of Stanford's best athletes, being a member of the football team and winner of six points at the recent fied meet.

U. of W. 8; W. S. C. 6.

SPOKANE, Wash., May 12.—(Special.)—Timely hitting, clever baserunning and taking advantage of every misplay gave victory to the University of Washington team this afternoon over Washington State College by 8 to 6.

Sell Lots at Auction.

Investors are being attracted to lands on the line of the recently opened Oregon Electric line. Yesterday an auction sale was held at the new townsite at Donald by S. L. N. Gilman, and between 400 and 500 people attended. Several tracts have been platted on the line in the immediate vicinity of Portland, and business with the agents is reported to be quite satisfactory. Garland & Shelton report an exchange of an 800-acre wheat farm near Ione, Morrow County, owned by James Baker, for the Portland residence property of A. Weinert, the consideration being placed at $16,500.

Netherlands Appoints Consul.

The Netherlands is to have a local Consul in the person of J. W. Matthes, whose appointment for the territory included in Oregon, Washington and Idaho was announced yesterday in a dispatch received by his wife, in the absence of Mr. Matthes, who is on his way to visit his parents in Holland. Mr. Matthes was in San Francisco at the time the fleet arrived to meet his brother-in-law, Captain J. C. Beaumont, of the Georgia, and from there expected to leave for New York and sail for the old country. His appointment is the first time a representative of the land of Queen Wilhelmina has been named in the Pacific Northwest.

Still More Idle Cars.

NEW YORK, May 12.—There was a further increase of idle freight cars in the United States and Canada on April 30. According to the report of the American Railway Association, there were 413,338 idle cars, an increase of 37,714 over April 15. The total increase for April was 105,259 cars. Last October there was a shortage of cars amounting to 86,811. Of the 413,338 cars, 147,326 were box cars; 24,308 were flat cars and 186,726 were coal cars. The report represents 153 railroads, with an aggregate freight car equipment of about 2,200,000. This means that 19 per cent of the country's cars are now stationary.
