Adjusto Dowager Models Royal Worcester Corsets.

Here's a corset with Patented Improvements. It possesses advantages that are recognized by the United States Patent Office, over features contained in any other form reducing corset. For stout women this model is the best made. In the twinkling of an eye it reduces the hips and molds superfluous flesh into graceful lines. Gives the youthful back lines that women inclined to stoutness seek. Buy the Adjusto Dowager, and if you are of full figure, you've found the best ever made for comfort and looks. Remember that the Adjusto Dowager is patented in this and other countries, and no government will issue patents on articles that do not possess distinctive merits

Miss Milne, an expert corsetiere from the East, is with us this week, and will be glad to give you the benefit of her expert knowledge of corset building and wearing. In addition to this special corsetiere, we have the best fitters on the Coast, Permanently Employed.
