# NOME CITY HELD BY LIBEL SUITS

Three Cases Brought Against Steamer in Federal Court by Local Firms.

OBJECT TO HIGH RATES

Libelants Contend Wheat Was Shipped to California, No Rate Being Agreed Upon and the Amount Asked Excessive.

Three suits were brought in the Federal Court yesterday in libel of the steamer Nome City, and as a result the steamer is in the custody of the court. The first to be filed was by Vollmer, Clearwater Company, the petition filed reciting that, on January 28, of this year, there was shipped from this port on the steamer 1148 sacks of wheat, or 37 tons, consigned to San Pedro, Cal. The petition further recites that no rate was agreed upon at the time of the shipment, but that the ruling freight rate at the date was 33 per ton.

ment, but that the ruling freight rate at the date was \$3 per ton.

Upon the arrival of the steamer at its destination, the agent of the California & Oregon Steamship Company demanded payment of freight charges at the rate of \$7.50, and that the bill was finally paid at that rate under protest. Kerr, Gifford & Co. filed a similar suit, reciting the same complaint of carriage of 1290 sacks of barley and 2500 sacks of wheat.

The other suit was filed by B. E. Meredith in dispute of a bill of charges on 261 bags of wheat consigned to the Globe Grain & Milling Company.

F. P. Baumgartner, local agent of the

Grain & Milling Company.

F. P. Baumgartner, local agent of the California & Oregon Coast Steamship Company, filed bonds for the release of the vessel and she left down on schedule. The case will come up for hearing July 6.

There will be but three more opportunities to see Gillette's fascinating play, "Secret Service," as so excellently presented by the Baker Stock Company this week. Tenight temerrow matines and tomerrow might will close the highly successful run.

Today and tomorrow will be the last op-portunities to see 'The Torcadors' at the Star Theater. This is a musical comedy which is being interpreted and sung by the Armstrong Company, an organization of tal-ented comedians surrounded by captivating chorus girls. The fake bullfight is immense.

#### COMING ATTRACTIONS.

John Drew Coming.

The attraction at the Heilig Theater, Fourteenth and Washington streets, next Friday and Saturday nights, May 29 and 30, with a matince Saturday, will be the famous American actor, John Drew, and his excellent company in the delightful comedy.

Next week the Baker Stock Company will appear in one of George Broadhurst's famous laughing successes, "Why Smith Lett Home," which is one of those few plays that keep audiences in a state bordering on absolute hysteria of laughter from beginning to end.

## "Sweethearts and Wives."

## Matinee for Children.

Children should by all means be taken to the Marquam Grand Theater this week to see Mile. Camille and her troups of wonderful leaping hounds. There will be a special matinee for children on Saturday. The melodious Bell trio, Bert Wiggin, the Marion sisters, and others make up a strikingly good show.

#### BACK FROM CONVENTION

Delegate Rice, of Portland, Tells About Musicians' Federation.

E. L. Rice, delegate from the local Musicians' Union to the convention of the American Federation of Musicians, held at St. Louis last week, returned yesterday and reports a very successful meeting.

"The threatened rupture between the theatrical syndicate and the Musicians' Federation was amicably averted," said Mr. Rice, "and a three-year agreement was entered into.

"The convention elected Professor Jo-seph N. Weber and W. L. Mayer, of Pittsburg, as delegates to represent the American Federation of Musicians at the American Federation of Musicians at the fourth convention of the International Confederation of Musicians, composed of delegates from the musicians' unions of England, the United States, France, Holland, Belgium, Denmark, Hungary, Switzerland, Spain, Italy and Austria, This convention will meet in Vienna, Austria, in October.

"At the suggestion of the National Soclety of Sons of the American Revolution, a resolution was passed instructing band and orchestra leaders to make "The Star Spangled Banner' a special number on all Spangled Banner' a special number on all appropriate occasions, and further, to omit playing the National Anthem in medleys or ragtime trash, as has heretofore been customary to a certain extent. The object is to inculcate a greater respect for the National Anthem, also to discourage publishers of cheap trash from using patriotic music to bolster up their miserable rubbish.

"The next convention will be held in Minneapolis in May, 1909, when the entire Pacific Coast delegation will make a concerted move to bring the convention of 1930 to Seattle.

1910 to Seattle. Mr. Rice distributed 500 copies of the first prize article of the Commercial Club contest in St. Louis, Kansas City and Denver, and noted a lively interest among all classes in everything pertaining to the Pacific Northwest.
