## 5000 Yds High-Class '08 Fancy Silks Val. to \$1.50 Yd, 63c

A silk event that will eclipse any silk sale ever held in Portland at any store

This extraordinary sale is made possible by an enormous purchase of fancy silks from the New York office of a leading French importer. Business conditions in New York are far different from Portland—that's how we bought them so cheap. Every individual pattern—there is a great variety—represents either a staple product that is the best of its kind or some new novelty in highest favor for Spring and Summer 1908.

5000 yards new fancy silks, in all this season's best styles and colorings—never shown in Portland before. Colorings are brown and white, champagne and brown, tan and reseda, helio and ecru, coral and tan, new red, reseda. Styles are invisible plaid with coin dot, print warp and Dresden effects too numerous to mention, in all the leading street shades. Regular values to \$1.50.

63c Sale begins Friday morning at 8 o'clock. An extra counter, extra salesmen and extra wrappers to wait on you. Do not fail to be here at 8 o'clock sharp to get your choice of the most phenomenal Friday bargains ever offered. 63c
