PLURALITIES FOR SENATOR.

Table with 3 columns: County, Calkins, Chamberlain. Lists counties like Baker, Benton, Clackamas, etc., with vote counts.

RESULT IS CLOSE IN MARION

Chamberlain Ahead by Small Margin of Votes.

SALEM, Or., June 2.—(Special).—Complete returns from 63 precincts in Marion County give Calkins 2601 votes and Chamberlain 2367. The remaining precincts are expected to change the relative positions of the Senatorial candidates very materially. Returns today confirm the report of yesterday that all other Republican candidates have received substantial majorities.

Returns are very incomplete, except on Senator and Prohibition, in which the chief interest is in counting the fringe was overwhelmingly defeated and a majority of about 150 recorded against the university appropriation. According to reports thus far received, Prohibition has carried in the towns of Jefferson, Turner, Stayton, Silverton and Woodburn. The strange manner in which some people express their views at the polls was shown in the Prohibition vote in Precinct Salem No. 4, in which the Salem Brewery is located. The precinct voted wet by six votes. In counting the ballots the judges found a dozen votes cast by Prohibitionists who marked their ballots very carefully for every Prohibition candidate and then failed to vote either for or against Prohibition. This circumstance caused considerable speculation as to whether the Prohibition party that they would not add the work of the Anti-Saloon League.

JOSEPHINE FOR CHAMBERLAIN

Plurality in County and Prohibition Carried.

GRANTS PASS, Or., June 2.—(Special).—Returns are now in from 12 precincts out of 16 in this county, and the Democratic party has, so far as these returns show, captured United States Senator on the state ticket and County Senator, Sheriff and Treasurer. The county as a whole goes dry by a vote of about 300.

CAKE IN WASHINGTON BY 160

Republican Ticket Elected and Four Saloons Put Out.

HILLSBORO, Or., June 2.—(Special).—The unofficial vote gives Cake a plurality of only 160 over Chamberlain. Hawley carries Washington County by over 500, although the exact figures are unobtainable. The entire Republican Legislative ticket is elected, two going in by but a very small margin. George Hancock, of Forest Grove, was elected Sheriff; J. W. Bailey, of Hillsboro, Clerk; Willis Ireland, Recorder; M. C. Case, School Superintendent; W. M. Jackson, Treasurer; Charles Walker, Surveyor; Max Crandall, Assessor; E. C. Brown, Coroner; John McCaren, County Commissioner; Bailey, of Hillsboro, Assessor, by 29 votes only. All are Republicans.

LAKEVIEW, Or., June 2.—(Special).—With several precincts yet to report, the vote in Lake County is as follows: Cake 277, Chamberlain 373, Hawley 38, Whitney 10. Other Republican candidates are ahead in the same proportion, as follows: For District Attorney, Kuykendall has 377, Moore 383; for Joint Senator, Merriman 294, Stringer 212. Gen. Republican, is re-elected Sheriff; Reahart, Republican, elected Commissioner; Payne, for Clerk; Foster, for Assessor; for School Superintendent, all Democrats were elected. State Senator, carries the county by 67 vote and will pull out of the district with more than 300 votes. William J. Mariner, of Blalock, Statement 1 Independent candidate, is elected and W. F. Jackson, another Statement 1 candidate for the Legislature, leads R. N. Donnelly, Republican, by 67 votes with few precincts to hear from throughout the district. Gilliam County is dry by a score of 30, and Condon voting wet by 29 votes. The Democrats elect R. M. Rogers Sheriff by 217 majority; J. A. McMeris, Treasurer; Otis Campbell, Assessor, and J. O. Lewis, Commissioner. The Republicans elect Charles H. Horner, Clerk; J. C. Sturgill, School Superintendent; W. A. Darling, Coroner. Single tax amendment overwhelmingly defeated.

CLACKAMAS FOR CHAMBERLAIN

Gives Plurality of 500 and County Goes Wet.

OREGON CITY, Or., June 2.—(Special).—Very fragmentary returns are being received in Clackamas County, and while the returns are in from every precinct save one, the figures are far short of the amount of the vote for the office of Chamberlain has carried the county by about 600 votes, receiving 2533, to 2108 for Calkins. Hawley's vote is 2320, to 92 for Whitney. McArthur, Republican candidate for Joint Representative from Clackamas and Multnomah Counties, has carried Clackamas by probably 800.

J. U. Campbell, W. A. Dimick and Linn E. Dyer, Clackamas, Republican candidates for the Legislature, are elected by pluralities ranging from 800 to 1000. Dimick is high with 3100 votes. Beattie, Democrat, is re-elected Sheriff. J. W. Greaves by nearly 1000, while Jack, Democrat, is chosen Assessor over Moody by more than 500. The Republican nominees for other offices: Greenman for Clerk; Ramsby for Recorder; Gary for School Superintendent; Mattoon for Commissioner; Holman for Coroner; Paddock for Treasurer; and Hungate for Surveyor, are elected.

Returns from five precincts on the University of Oregon appropriation give the affirmative with 223 against. It is estimated that the bill will lose in Clackamas by about 600.

Clackamas County has gone wet, but by a very narrow margin. The vote in it was 2108 for Chamberlain and 2533 for Rev. W. J. Weber, of Canby, who has tabulated the vote, gives the saloon people a majority of 118, with Highland and Marquam to hear. It is estimated that Highland will be dry heavily, as will Marquam, but it is not considered probable that the returns from these precincts will materially alter the result. The county goes wet by less than 50 votes, it is probable that a recount will be requested. The majorities by precincts follow:

CAKE PLURALITY IN YAMHILL

Republicans Win Generally and County Votes Dry.

MCMINNVILLE, Or., June 2.—(Special).—Returns from 22 precincts in Yamhill County, though incomplete in some instances, give Cake 1623, Chamberlain 1522, Bailey 1236, Emery 770, Hawley 1623, Richards 532, and Campbell, for Railroad Commissioner, 2955. Judge Bean leads all other candidates by a wide margin. He has a little short of 2000. W. N. Barrett, for Senator, in the Twenty-fourth Senatorial District, has a majority of 1570. For Representative in the Fourteenth District, A. G. Beals has a majority of 309; for Representative in the Thirteenth District, M. F. Corrigan, Democrat, and J. W. Bones, Republican, are elected.

The following county ticket is successful: Sheriff, W. G. Henderson; Clerk, G. W. Jones; Treasurer, H. Z. Foster; Assessor, Martin Miller; School Superintendent, H. H. Belt; Surveyor, H. W. Herring; Coroner, C. Tilbury; Commissioner, S. E. Cummins. The result on Recorder is in doubt. W. W. Reynolds, Republican, and H. S. Maloney, Democrat, being very close. The Republican ticket, with this possible exception, was successful throughout. Prohibition has carried by a majority of at least 600. On the amendments the vote was generally in the negative, with the exception of the University of Oregon vote of general elections, which has carried by 1200; the Sheriff's bill, which has 600 majority; the Astoria fish bill, 300; the recall, 400; increasing the Legislature, 200; proportional representation, 100; limiting campaign expenses, 200; fish wheels, 400; choosing grand jurors, 200; and Hood River County, 200. Increasing the pay of Legislators is lost by 400; likewise scattering state institutions by 100; increasing Supreme Judges by 100; the free pass amendment by 100; the army appropriation by 800; the university appropriation by 700; woman suffrage by 300; the Reddy amendment by 600, and single tax by 100.

FORTY SALOONS VOTED OUT

Umatilla Gives Cake Plurality of 250.

PENDLETON, Or., June 2.—(Special).—Practically complete returns from the county show that Cake has a plurality of 250, and that Chamberlain has gone dry by 700, putting more than 40 saloons out of business, 25 being in Pendleton. Ellis, Republican, for Senator, and Aitchison for Railroad Commissioner, have received such big majorities that no one can keep any track of them. District Attorney Phelps, Republican, is re-elected by a big majority and the entire legislative ticket has been elected. Number One nominee, leads his opponent by 256 votes. Bean is solid for Supreme Judge, Aitchison, for Railroad Commissioner, Beale No. 1 and Dairy Commissioner, Wilson for District Attorney, Belknap and Brattain for Joint Representatives. In no case has a vote on an amendment been returned.

CHAMBERLAIN'S LEAD IS 75

Douglas County Also Votes Dry by About 400.

ROSEBURG, Or., June 2.—(Special).—The count for Douglas County is not yet finished, two large precincts remaining to be heard from. Chamberlain will have a lead over Calkins of about 75. Hawley leads Whitney, the vote being 1932 to 1025. The University of Oregon appropriation bill will carry by a good hand margin. The greatest fight here is over the single tax question, where voters voted. The army appropriation measure is still in doubt. The county goes dry by about a majority. For county office the Democrats gained two offices, sheriff and school superintendent. The legislative candidates: Chamberlain, Republican, Statement No. 1; Representatives, E. R. Applegate and George Jones, both Republicans, the latter Statement No. 1; the former non-committal. Joint Representative, A. Buchanan, Republican, anti-Statement No. 1. A heavier vote was cast at this election than at any preceding election in Douglas County.

JACKSON VOTES OUT SALOONS

The Count Indicates 300 Lead for Chamberlain.

MEDFORD, Or., June 2.—(Special).—Official count from 21 of Jackson County's 33 precincts, Medford not included, gives Cake 874, Chamberlain 1004, Hammerberg 874, Kull 873, Miller 883, Purdin 783. The two latter are Statement No. 1 men and the final count in Medford may place Purdin in the lead. Hammerberg, for Joint Representative, Statement No. 1, men will be elected. Little local interest has centered in Hawley and for that reason there are no figures to be had on his vote here. Prohibition has 1154 and anti-prohibition 881. The Medford count cannot possibly change the result, though there will be a majority in favor of the saloons. Prohibitionists gave up the fight at noon today. The election of county officers is conceded to Dunn, as County Judge; Jones, Sheriff; Democrat, County Clerk; Percy Wells, School Superintendent; James Cronmiller, Treasurer, and Burnett, Recorder. Medford and Ashland have not yet completed the counting.

COVALLIS, Or., June 2.—(Special).—Cake's majority in Benton, complete but not official, is 18. Republican county officers elected are: Gellette, sheriff; Hawley, commissioner; Mack, school superintendent; Newton, recorder; Wilson, surveyor, and Jones, coroner. The Democrats elect Moses, clerk; Buchanan, treasurer, and Rickard, assessor. Corvallis precincts gave the university appropriation a strong vote, breaking nearly even, but outside precincts went heavily against it.
