

## SUCCESS OF ROSE FESTIVAL GROWS

### Auto Parade Triumph of Floral Beauty.

### MILLIONS OF BLOSSOMS USED

### Water Carnival at Midnight Is an Inspiring Sight.

### DECORATED CRAFT IN LINE

### Procession Moves Up River From Lower Harbor to Ross Island. Crowds in Streets Catch Festival Spirit.

**TODAY'S PROGRAMME.**  
11 A. M.—Floral parade, accompanied by bands of music.  
1 P. M.—Start of long distance automobile races on Base Line road.  
7:30 P. M.—East Side school children's parade, followed by street festival.  
8:30 and 9:30 P. M.—Walter Damrosch, New York Symphony Orchestra and Novica, at the Armory, Tenth and Couch.

Millions of roses, hundreds of miles of bright bunting, tons of serpentine, myrtle flags and banners, scores of novelties, big daily parades and special features are all doing their full share to make the reign of roses an eventful week in the history of Portland.  
But the keynote of success, the feature which is giving the annual festival its unparalleled success is the responsive enthusiasm of the people. This spirit of loyal support has been manifest from the first, and with the succeeding days of the celebration there has been no falling away of loyalty. Rather it has been increasing.  
Out until well into the night for the "Spirit of the Golden West" parade, the populace was still again bright and early yesterday morning for the decorated auto procession. The attendance was nearly as great as at the illuminated parade, and it is conservatively estimated that there were 60,000 people on the streets at 10:15 o'clock in the morning, when the column moved.

### How Crowds Spent the Day.

And again last night the same great enthusiastic, loyal multitude flocked to the river to see the Venetian water carnival and procession of illuminated water craft. The intervals between those two big events of the day were spent in walking about the street throwing serpentine and confetti or in viewing for the last time the marvellously beautiful rose exposition at the Oriental building. Twenty-five thousand people gave up their entire day to the Rose Festival. Fifty thousand additional visited one or both the procession features.

Today's programme is the most elaborate yet held. This forenoon will be given up to the big floral procession and attendant battle of roses. The afternoon will be devoted to the big automobile racing events. It is believed more than 100,000 people from Portland and Multnomah County will view the racing events from one part or other of the 14-mile course. At night the East Side will have the center of the stage with the children's parade on Grand avenue and the masque street carnival following the parade.

### Auto Parade Two Miles Long.

Both the auto parade and the water carnival of last night were momentous entertainment events. The auto procession was nearly two miles in length, and there were many fine features in the column. The parade moved promptly at 10:15, and passed over the line of procession at a speed of 10 miles an hour. Decorations were mainly in roses, although many other plants and greens were used to good advantage. Scotch broom was used effectively on many cars.  
Machines of every variety appeared in the column, and the number of autos in use in Portland, as developed by the parade, was a surprise. There was most every kind of auto, from the all but obsolete machine of a few years ago, to the sleek and span car of the present year. Not a few were completely bedded in roses and bright bunting. Art in decorative effect was achieved by no less than 25 of the participants. The car that attracted most attention was Miss Izetta Jewell's, which was banked in roses and surrounded by two Teddy bears, engaged in tossing roses to the crowds. Occupants of several autos showered the crowd with roses.

### W. C. T. U. Entry Applauded.

On one auto 20,000 pink roses were used. This was entered by the W. C. T. U., and committees from that organization planned and effected the decoration of a big touring car with their own hands. Eight young women dressed in white robes in the auto, which was applauded all along the line.  
On both sides of the river, the procession was viewed by the thousands of people who turned out. The procession swept gracefully across the Morrison-street bridge, passed through the East Side business center and returned over

## ROOSEVELT FALLS FROM HIS HORSE

### NARROWLY, ESCAPES SERIOUS INJURY WHILE RIDING.

### Animal Bears in Crossing Creek and Falls With President Beside Him. No Harm Is Done.

WASHINGTON, June 3.—While fording a stream in Rock Creek Park yesterday afternoon, President Roosevelt was thrown from his horse into about two feet of water and was in danger of injury from the fallen animal's hoofs, but escaped without suffering any further than a good ducking.

The President was riding on a new horse and in ascending the bank after crossing the creek the animal reared. The President leaned forward and slackened the reins, thereby avoiding pulling the horse over backwards. On reaching the top of the bank, the horse reared again and stood up straight on his hind legs. Although Mr. Roosevelt leaned forward, the horse went over backwards into the rocky bed of the creek.  
Mr. Roosevelt escaped being caught under the horse in its fall by slipping from the saddle. He fell in the stream beside the animal and, to avoid being struck by its feet in its struggle, got out of the way quickly. The horse turned over in the opposite direction from him and was quickly recaptured. The President remounted and rode for an hour and a half before returning to the White House.

Mrs. Roosevelt was with her husband. Occupants of several carriages which had crossed the creek ahead of him spread rumors of serious injury, which were promptly denied.

## BEST MARKSMEN IN ARMY

### Company C, Fourteenth, Champion. Vancouver Post Stands High.

WASHINGTON, June 3.—Company C, Fourteenth Infantry, made the best target record for the season of 1907, according to figures made public at the War Department today. The individual figure of Troop D in the Philippines was 88.75, considerably higher than in the United States, where the individual figure of merit was 78.63.

In the qualifications in the classes of expert riflemen, sharpshooters and marksmen, there was a material net decline in the United States in 1907, while in the Philippines there was an increase. The organizations in the United States leading in target practice in 1907 were the Department of the Lakes, the Vancouver Barracks Post, the Fifth Regiment of Cavalry, the Fourteenth Regiment of Infantry and Troop E, Second Cavalry. In the Philippine Islands the Department of the Visayas led the several departments with a merit of 73.45.

## ACCEPTS MONTANA OFFER

### Professor C. A. Dunway to Be President of State University.

PALO ALTO, Cal., June 3.—Professor C. A. Dunway today accepted the offer to become president of the University of Montana, and he will assume his new duties on September 1. He has been for some time a member of Stanford University faculty, distinguishing himself in the history department. He graduated from Cornell in 1892. He is the third member of the history faculty to leave Stanford in the last three years, one going to Yale, and another to Harvard.

## CAST AWAY ON LONE ISLE

### Twenty Shipwrecked Men Picked Up by Brazilian Ship.

RIO JANEIRO, June 3.—It is stated that the Brazilian training-ship, Benjamin Constant, which is on a voyage to Yokohama, picked up 20 shipwrecked men on Wake Island, a possession of the United States in the Pacific Ocean.

## Death Is Sequel to Party.

CHICAGO, June 3.—Mrs. Mary Dohmann, living at 29 Tell Court, and her three children, were found dead early today, having been asphyxiated by gas escaping from a stove. Mrs. Dohmann last night entertained a children's party in honor of the birthday of her eldest daughter. The company broke up at 10 o'clock and from that time until today, when the bodies were found by neighbors, nothing was seen or heard of them. A rubber-tub which conveyed the gas to a small cooking stove was found detached and it is supposed that it slipped off during the night and filled the house with gas.

## PEOPLES' LAWS IN FORCE SOON

### Effective When Vote Is Announced.

## WORKING NOW UNDER RECALL

### Newly-Elected Officials Subject to Its Provisions.

## ELECT TWO MORE JUDGES

### Additional Members Supreme Court to Be Chosen in November—Legislature Must Provide Proportional Representation.

SALEM, Or., June 3.—(Special.)—The constitutional amendments and bills adopted by the people at the election last Monday will go into effect as soon as the vote thereon can be canvassed and the result proclaimed by the Governor. This will probably be three weeks yet, as some of the County Clerks are always slow in sending in returns. Most of the amendments and initiative measures have no immediate effect, however, though they will be in full force as soon as the proclamation has been issued.

## Recall Effective at Once.

The recall amendment is self-executory and will be effective at once. It provides that 25 per cent of the voters of an election district may compel an officer to stand for re-election at a special election to be held within 20 days for which election other candidates may be nominated. The reasons for the recall and the defense of the officer may be printed upon the sample ballots in not to exceed 200 words each. No provision is made as to the manner in which nominations shall be made for the special election. Recall petitions cannot be filed until an officer has occupied his position six months, or, in the case of a member of the Legislature, until the Legislature has been in session five days.

## No More June Elections.

The act instructing members of the Legislature to vote for the people's choice for Senator will, of course, never be effective as an imperative law, but as a moral influence upon the Legislature its significance will be determined next January. The amendment changing the time of holding elections from June to November will take effect in 1910. If the amendment has passed increasing the number of Supreme Judges from three to five, though it now seems improbable, there will be two Judges to elect at the November election this year, for it is so provided in the amendment. Nominations must be by convention, assembly of electors or by petition. If both fishery bills have been adopted, each will stand, except that if there be any conflicting provisions the act receiving the largest affirmative vote will prevail.

## More Chances for Minority.

The proportional representation amendment merely authorizes the Legislature to provide a system of election by which minorities shall be assured of representation in all offices to which two or more persons are to be elected. The amendment does not prescribe the manner in which this shall be accomplished, but leaves the Legislature to adopt any one of a number of plans of attaining it. The amendment authorizes the Legislature to enact laws permitting the voter to express his second and third choice or laws requiring that the person elected shall receive a majority of the votes cast for the candidates for the office. As the measure increases the opportunities of minority parties and as the direct primary tends to loosen party ties, there is strong probability that the two together will result in minority parties securing more representation than that to which they would be entitled upon their actual party strength. The corrupt practices act limits the expenditure of candidates in primary campaigns to 15 per cent of the salary for

## CORBETT MARRIED IN GREAT STATE

### YOUNG PORTLAND MILLIONAIRE TAKES A BRIDE.

### Wedding With Miss Hoyt in Church Converted into Italian Garden. Honeymoon in Europe.

NEW YORK, June 3.—(Special.)—Wedding of Henry Ladd Corbett, son of Mrs. Henry W. Corbett, of Portland, Or., and Miss Gretchen Hoyt, elder daughter of Mr. and Mrs. Henry Reese Hoyt, was celebrated today at noon in St. Bartholomew's Church by the Right Rev. David H. Green, bishop coadjutor, assisted by Rev. Leighton Parks, rector of the church.

The church decorations were unique and as fine as have ever been seen in New York. The body of the church was turned into an Italian garden, laid out

with bay trees. The pews along the side were marked with tall globe-topped bay trees, from the bases of which grew white and pink peonies. Great clusters of peonies were tied to every pew on the nave. The chancel was a miniature Italian garden, with its bay-trees arranged in line, huge rows of rhododendrons and peonies giving the effect of growing flowers.

Miss Elizabeth Hoyt was her sister's maid of honor, and the bridesmaids were the Misses Elizabeth B. S. Hoyt, a cousin of the bride, Lorraine Roosevelt, Edith Landon, Dorothy King and Anita L. Peabody, all of New York. All of the attendants carried Kilmaree roses. Elliott Corbett was his brother's best man and the ushers were Hamilton Corbett, another brother, Roderick Macleay, of Portland, Or., William Boulton, Jr., Arthur Page, Richard Derby, Gardner Perry, Gordon Parker and Henry Parker, of this city.

The bridal pair will sail for Europe next week, and will remain abroad all Summer, spending a portion of the time motoring in England and France. On their return here they will reside in Portland, where the bridegroom is in business.

## EUGENE PEOPLE GRATEFUL

### Returning Roses Because of Handsome Vote for University Bill.

EUGENE, Or., June 3.—(Special.)—The friends of the University of Oregon here published over the result of the election, and besides joining with the students in their celebration of the event, they are preparing to reward Multnomah, as far as they can, by sending to the Portland Rose Festival the most and best roses that grow in Eugene.

The school children are today working with the Commercial Club and the Women's Auxiliary of the club, and they will send tonight and tomorrow night to Portland the best that the city has in roses. The people are all joining in this endeavor to show Portland that they appreciate her loyalty to the State University.

## Sergeant-at-Arms Arrives.

DENVER, June 3.—Colonel John I. Martin, of St. Louis, sergeant-at-arms of the Democratic National Convention arrived here today and will remain until after the close of the convention. Preparatory to the final meeting of the general committee on arrangements, a list of assistant sergeant-at-arms is being prepared. The total number will be about 400.

## CHAMBERLAIN LEAD IS NOW OVER 1500

### Final Figures Will Be Around 1700 or 1800.

## SEVENTEEN COUNTIES FINISH

### Nearly All Show Steady Gains for the Democrat.

## CAKE GETS MARION BY 11

### Malheur Comes In With Double Its Former Estimate—Lake, Too, Goes for the Governor.

Governor Chamberlain's plurality over Cake for United States Senator will be about 1700. He now has 1546. Complete returns from a large number of counties received by The Oregonian yesterday, increase previous estimates. For example, Malheur, which had previously been in the Chamberlain column by 100, nearly doubles that plurality by giving him 196, with five small precincts still to hear from. Cake's previous lead of 18 in Benton County is cut down to eight, while in Clatsop the full vote raises the Democrat's plurality from 200 to 387. Crook County, too, with nearly all votes counted, gives Chamberlain a lead of 224 over his competitor. The Oregonian last night received the full vote of Douglas, showing that each Senatorial candidate has 1899 votes. Effort was made to verify these figures, but the office at Roseburg had been closed. If this is correct, it shows a slight loss to the Democratic candidate. Gilliam County comes in with only 20 for the Republican nominee, while Lake, hitherto in dispute, adds 70 to the Chamberlain column. Lane County, however, as the country precincts are heard from, continues to add to the Cake figures. In Wallowa County, with 11 out of 59 precincts, Cake has a lead of 113 which will probably reach 200. Marion, with every vote counted, shows just 11 for Cake, while Multnomah, with the count complete and a total of more than 25,000 for the two candidates, shows just 91 for the Governor.

Mr. Cake has carried 19 counties and Mr. Chamberlain 13, counting Douglas a tie. The state at large, outside of Multnomah, on the vote so far at hand, has given Chamberlain a plurality of 652. Seventeen counties out of 33 are complete and most of the others are practically complete. It is not probable that the final returns will make a difference of more than 100 votes in Governor Chamberlain's plurality one way or the other.

LITTLE ROCK, Ark., June 3.—Arkansas Socialists in convention here today declared for state-wide prohibition and condemned lynching and anarchy.

## PLATT MUST PAY WIFE'S EXPENSES

### VERDICT GIVEN LAWYERS WHO ADVANCED HER MONEY.

### Senator Gave Her \$75,000 and Tioga Lodge to Abandon Suit for Divorce.

NEW YORK, June 3.—Senator Thomas C. Platt will be compelled to pay to the law firm of Marsh, Winslow & Weber \$2471 expenses, which they paid for Mrs. Lillian Janeway Platt, the Senator's wife, during the pendency of her suit for separation. This was the verdict of a jury in the Supreme Court, which heard testimony in the case yesterday.

The terms of agreement between the Senator and Mrs. Janeway Platt at the time of their separation became public for the first time during the hearing yesterday. It appears the Senator agreed to pay his wife \$75,000 in lieu of all her claims upon him, besides recognizing her as the absolute owner of Tioga Lodge, the Platt Summer home at Highland Falls, and several other smaller pieces of property which had been deeded to her by the Senator. In return, Mrs. Platt agreed to discontinue the suit for absolute divorce and also not to make any demands upon him for support.

## SCOUTS THE GOLDEN RULE

### Shippy's Theory: "Do Others Before They Do You."

DETROIT, June 3.—Today's features of the convention of the International Association of Police Chiefs were an extemporaneous talk at the morning session by Chief Shippy, of Chicago, who scouted the golden rule theory of dealing with offenders, and a review of the Detroit police this afternoon. "There might have been a time in Chicago when the golden rule was followed by the police, but the new rule is: 'Do others before they do you.' This later rule," he said, "worked very well when I was attacked recently in my own home by a supposed anarchist."

Captain Henry Curran, of Nashville, one of the veterans of the chiefs, ejected a negro from a restaurant today. The Chief was just about to order his breakfast when the negro entered and sat down on the next stool to the Southern officer. "He didn't seem willing to leave," said Captain Curran, afterward, "so I took him to the door. Did I throw him out? Yes, I guess that's about the size of it."

## COWBOYS' RACE IS CLOSE

### Workman Leads, but Three Others Hang to His Flanks.

MEDICINE BOW, Wyo., June 3.—At noon today 15 horses and riders still remained in the endurance race. All are reported in good condition and all, it is predicted by the veterinarians in charge, will be in at the finish at Denver. All of the horses have passed Rawlins, 243 miles from Evanston, the starting point, and eight went through Medicine Bow, 203 miles from Evanston, this morning. Workman, Newman, Kern and Edwards are leading in a bunch. These four riders left Medicine Bow early this morning and stopped for lunch at Lookout, 28 miles west of Rawlins. Newman and Means, Kern and Edwards declare they will hang to the flanks of Workman's horse, if they do not outfoot him before Cheyenne is reached.

## REOPEN ERIE CARSHOPS

### Several Thousand Men Will Be Given Employment.

NEW YORK, June 3.—President Underwood, of the Erie Railroad, issued instructions today that all that roads' carshops should be played on a ten-hour basis. It is the intention of the company to immediately begin repairing all equipment which has been idle by reason of lack of business. The resumption of work will give employment to several thousand men.

## East Regains Confidence.

NEW YORK, June 3.—Signs of returning confidence are to be seen on the hotel registers all over the city, for the buyers from out-of-town firms have been flocking in of late, seemingly in every train. A remarkable instance of this is at one hotel, where from a single St. Louis drygoods house 20 buyers are staying. In former years 12 buyers were usually the limit to be sent here at one time, and in a Presidential year the number was much less, as a rule.

## HONORS TO ZOLA REVIVE OLD FEUD

### Hatred of Dreyfus Breaks Out in Paris.

## CHAMPION CALLED TRADUCER

### Removal of Bones to Pantheon Causes Outburst.

## GREAT CEREMONY TODAY

### Glorification of Man Who Forced Justice to Dreyfus Enrages Fanatics, and Grooms Mingle With Cheers.

PARIS, June 3.—Preparations for the interment tomorrow of the remains of Emil Zola, the eminent novelist, with full National honors in the Pantheon, the Temple of Fame, are now complete. The ceremony will be elaborate and impressive and almost identical with that observed when the body of Victor Hugo, the last great Frenchman to be so honored, was transferred to the Pantheon.

Revives Dreyfus Feud.  
The realization that Zola is to be glorified, not so much as a reward for his prodigious activity in literature, but because he was the first great leader in the Dreyfus case, which routed the general staff of the army and forced the government to purge itself of the charge of social injustice, has revived whatever is left of the old animosities that ten years ago divided France into two hostile camps. The anti-Dreyfus papers are today heaping insults upon the memory of Zola as the "traducer of France" in his novels, and alleging that translations of his works disgrace the country. The reactionary agencies plainly are trying to provoke anti-Zola manifestations for tomorrow.

Today, in accordance with the arranged programme, the remains, which have been lying under a striking bust of the great novelist in the Cemetery of Montmartre, were borne in a simple hearse, followed by the members of the Legion of Honor and a few friends, to the Pantheon, where the coffin was placed upon a high catafalque erected in the middle transept, beneath a high cupola.

## Grooms Mingle With Cheers.

Thousands of persons who gathered around the Pantheon great cheers and groans, the cheers predominating, as the hearse passed, and an attempt by a few rowdies to start a howl manifestation proved a failure. It has been decided to close the Pantheon after the ceremony tomorrow and to reopen it on Saturday for the public.

La Libre Parole publishes an extract denouncing the government and Parliament in his novels, and alleging that translations of his works disgrace the country. The reactionary agencies plainly are trying to provoke anti-Zola manifestations for tomorrow.
