# HEAVY MAJORITY AGAINST SALOONS

Lead of 4353 Votes in 25 of 29 Counties Which Voted on the Issue.

STATE QUESTION IN 1910

Liquor Interests Do Not Belleve Prohibitionists Will Be Able to Carry Oregon, Depending on Multnomah's Opposition.

With the vote from four small counties not reported, 25 of the 29 countles of the state in which an election on county prohibition was held this year give a najority of the 4317 for the temperance forces, the total vote being: For prohibi-tion 26,005, against prohibition, 31,748. The four counties not included in the forefour councies not included in the foregoing figures are Curry, Klamath, Lake
and Malheur. Of this quartet, Klamath
and Malheur, wet counties, voted dry by
small majoritles and Curry, already dry,
voted to continue probibition. Lake, was
the only one of the four to decide to
continue the saloon and that by a small
majority. The vote in these counties
probably will increase the aggregate of
the majority for prohibition to about 4500.
These totals do not include the vote on
precinct elections that were held in
Baker, Clatsop and Multnomah counties.
Benton was the only dry county in which
an election on prohibition was not held
this year.

With Klamath and Malheur yet to report, 11 of the 13 wet counties that were annexed to the dry territory in the recent election gave a majority of 3543 for prohibition, the vote being: For prohibition, 14,63; against, \$2,088. These II counties were: Crook, Douglas, Gilliam, Grant, Jackson, Josephine, Morrow, Polk, Umatilla, Union and Wheeler.

#### Lincoln Votes Back Saloons,

Including Lincoln, the only dry county to vote the saloons back in business by a margin of three votes, eight of the nine countles that voted wet gave a majority of 1711 against prohibition. the total vote being: For prohibition, the total vote being: For prohibition, 12,297; against, 13,518. Of this list of countles Lake is the only one from which the vote has not been reported. Lake gave a small majority in favor of the saloons. The eight countles referred to were: Clackamas, Columbia, Coos, Harney, Lincoln, Marion, Wasco and Washington.

Six of the zeven dry countles that voted to continue prohibition gave the cold water treatment a majority of 2485. The

water treatment a majority of 2485. The anti-saloon programme was approved by 9227 voters, while 6742 expressed a desire to restore the dramshops. This majority will be further increased by the vote in Curry County, which is reported to have given the temperance forces a good margin. The six counties included in the total vote were: Lane, Linn, Sherman, Tillamock, Wallowa and Yamhill.

#### Plan for State Campaign.

Encouraged by their success in carrying 20 of the 29 counties of the state in which county prohibition elections were held, besides numerous precincts in the nine counties that voted wet, the prohibition forces expect two years hence to call an election on state prohibition. Already plans are being formulated for carrying on an aggressive campaign, eclipsing in its scope that conducted during the recent contest and which was directed by the Anti-Saloon League, with hearquarters in

while the sation hen are not at an action satisfied with the inroads that have been made by the temperance forces on the wet territory, they profess not to be alarmed that the state will vote for prohibition two years hence. They find consolation in the fact that the aggregate rote on the prohibition issue in the recent election shows a majority against them of probably 4500 and declare there is no immediate danger of the entire state voting dry for the reason that Multnoma's County can be depended upon to roll up a majority of from 10,000 to 12,700 any time the prohibition question is made a state issue. Feeling assured of this support from Multnomah, the liquor interests have serious doubts that their enemies will be able to poll sufficient votes in the outside counties to offset the majority favorable to the saloons that is expected in this county. ne vote on county prohibition in the

## The Lion Clothiers **Enlargement Sale**

As we have already explained in our advertisements, we have a genuine reason for a genuine cut-price sale-that is, the enlargement of our store makes it necessary for us to make room for the carpenters. The only way is to sell the goods that are now in the way of the workingmen. So we have taken suits that are worth \$30.00 and cut the price to \$18.85; Suits that are worth \$25 you can now buy for \$16.65; suits that are worth \$20 will find new owners at \$13.35, etc., etc. There's a big saving on everything that men and boys wear. Come and get your share.

#### Try to Dissolve Injunction.

Judge Gantenbein next Friday will Judge Gantenbein next Friday will hear arguments on the application of the prohibition forces for dissolving the injunction by which the Multnomah County Court is restrained from declaring the result of the recent election in precincts 89, 90 and 91 by which the saloons in precinct 91, St. John, were voted out of business. Ed. John, were voted out of business. Ed Magoon, a St. John saloon man, se-cured the injunction on the alleged ground that the local optionists do not have the right to combine a dry pre-cinct with one or more wet ones in order further to extend the dry territory. The liquor interests expect to carry the case to the Supreme Court on that contention.

A. King Wilson has been engaged

by the prohibition people to represent them at the hearing. They ask that the injunction be dissolved on the grounds that the petition for the in-junction does not present sufficient junction does not present sufficient facts, that the County Court is en-joined from declaring the result of the election and that the injunction

#### Arion Society Holds **Annual Picnic**

WHAT turned out to be a most successful outline cessful outing was held yesterday when more than 250 members of the Arion Society gathered at Willamette, on the Schnoerr farm, to celebrate their annual picnic. As the cars came in sight of the little town in Clackamas County, carrying the members of the society, a salute of 21 guns was fired. The visitors were then escorted to the place of their festivities by the Schnoerr family.

Among the many features at the outing was an imitation circus which was arranged for the purpose of amusing the roung people. A professional acrobat was on hand and a burlesque menagerie was one of the attractions. In order that it might be possible for all to participate in the dancing, a special floor had been laid and Japanese lanterns afforded illumination for those who wished to stay late. Everybody took their own lunch, but in the evening a hot dinner was provided those present by Mrs. Schnoerr. President Harry Precemeder, Dr. Maerz and Gustave Schnoerr delivered addresses and an orchestra from Oregon City fur-nished the music. The Arion Singing Soclety, numbering 40 voices, rendered
