

IOWA MAN MUST TAKE NOMINATION

Roosevelt Tells Convention What to Do.

BUT DOLLIVER IS BALKING

Does Not Want to Leave Senatorship to Cummins.

FAIRBANKS SECOND CHOICE

Says He Does Not Want Vice-Presidency, but Hoosiers Threaten Loss of State if He Is Not Placated.

CHICAGO, June 15.—(Staff Correspondence.)—President Roosevelt is running this convention from the White House by long-distance telephone and other available instruments of ready and instant communication. He is the boss. The convention will do nothing that it thinks may be in the slightest degree objectionable to him, and it is in a humor to do cheerfully and promptly everything that he favors. Take the case of the Vice-President.

It is reported that the President has given out an intimation today that the Vice-President must be either Senator Dolliver or Governor Cummins, his chief political rival. Thus Iowa will get rid of one or the other of its chief fiscal disturbers and the troubles of that truculent commonwealth will be composed.

Radical Mate for Taft.
That appears to be the President's idea, so far as the nomination of one or the other of these well-known men would affect Iowa. But this is a minor consideration, though important. The fact that the removal of Mr. Dolliver from the stormy scene of Iowa affairs would deliver the Republican machine into the hands of Mr. Cummins or vice versa appears to be a matter of small consequence to the President, but to Mr. Dolliver or Mr. Cummins the whole business is fraught with tremendous consequences. Mr. Cummins possibly would like to be Vice-President if he cannot be Senator, but Mr. Dolliver does not want to be Vice-President if Mr. Cummins is to succeed him as Senator. Therefore, Mr. Dolliver's friends are considerably excited and say that the convention should give the Vice-Presidency to some one that would like the job and not insist on offering it in turn to about everybody that does not want it. But Mr. Roosevelt insists on Mr. Dolliver or Mr. Cummins. It appears, because Secretary Taft is "conservative," or is at least acceptable to the "conservatives," and Mr. Dolliver or Mr. Cummins is a radical and will be able to make a rabble-rousing campaign. Mr. Taft, in the Presidential view, will be able to carry the conservative East with a whoop as against W. J. Bryan while Mr. Dolliver or Mr. Cummins ought to be acceptable to the progressive and radical West.

He added that, "despite the attitude of Mrs. William Thaw and other members of the Thaw family, who have been opposed to her, Evelyn Thaw, she will remain her position as the wife of Harry Thaw."

HERRICK FOR CHAIRMAN

Ohio Springs Man to Manage Taft's Campaign.

CHICAGO, June 15.—A new name was presented today for the permanent chairmanship of the National committee to manage the coming campaign in the person of ex-Governor Myron T. Herrick, of Ohio. The name of Mr. Herrick was most favorably received in influential quarters, as he occupies the leading place on the Ohio delegation, which has been in the vanguard of the Taft movement, and is a close personal friend of Mr. Taft. Much pressure has been brought to bear in Mr. Herrick's behalf by members of the Ohio delegation.

FULTON HONORED BY TAFT

Regarded as Safe Chairman for Credentials Committee.

OREGONIAN NEWS BUREAU, Washington, June 15.—It was at the personal request of Secretary Taft that Senator Fulton was slated for chairman of committee on credentials at the Republican National Convention. At Taft headquarters here it was said today that the Secretary deeply appreciated the strong and loyal support he had received from Fulton and was doubly appreciative of his work at Chicago. Fulton having held the proxy of a California Committeeman and heard arguments in all contexts, Secretary Taft believes the Oregon Senator exceptionally well equipped to head the committee that must finally report all contents to the convention.

ROOSEVELT HAS MARKED AN EPOCH

Platform Declares High Ideal Are Set.

PLANKS 'MEET ISSUES FAIRLY

Tariff Revision, Control of Trusts and Railroads.

NO HASTY INJUNCTIONS

Justice and Fair Play the Motto of Administration—Fight Begun on Anti-Injunction Plank by Both Labor and Capital.

CHICAGO, June 15.—The draft of the Republican platform made by Attorney-General Wade Ellis, of Ohio, and approved by President Roosevelt and Secretary Taft is now in the possession of the prospective members of the committee on resolutions and will in all probability be adopted by the committee on resolutions with but slight changes. The platform contains a most emphatic endorsement of the Roosevelt administration and its policies. It contains planks on the subjects of trusts, railroads, injunctions and currency which embody the Roosevelt policies on those subjects without equivocation. It declares for revision of the tariff by the next Congress on the lines of the Ohio platform.

EPOCH OF ROOSEVELT

In this great era of American advancement the Republican party has reached its highest service under the leadership of Theodore Roosevelt. His administration is an epoch in American history. In no other period since National sovereignty was won under Washington, or preserved under Lincoln, has there been such mighty progress in those ideals of government which make for justice, equality and fair dealing among men. The highest aspirations of the American people have found a voice. Their most exalted servant has come to represent not political sovereignty alone, but the best aims and worthiest purposes of all his countrymen.

ROOSEVELT—"NOW THEN, WHAT HAVE YOU FELLOWS DONE FOR YOUR COUNTRY?"

GIVES NEW HOPE TO LUMBERMEN

RULING IN POINT MADE BY INTERSTATE COMMISSION.

Orders Reduction in Old Rate on Hardwood From Chicago to Pacific Coast.

OREGONIAN NEWS BUREAU, Washington, June 15.—In a decision rendered today by the Interstate Commerce Commission, hope is held out that Pacific Coast lumber cases, now pending, will be decided in favor of the lumbermen, and in event the decision is of that character, the commission will allow the lumbermen full recompense for the excessive rates they have paid since filing their complaint.

Today's decision bore on the rate on hardwood lumber shipped from Chicago territory to the Pacific Coast, the commission holding that while hardwood from Chicago to the Pacific Coast should undoubtedly pay a higher rate than softwood from the Pacific Coast to Chicago territory, yet at the same time the old rate of 85 cents on hardwood lumber is excessive and that rate was ordered reduced to 75 cents. The commission further held that, "When the shipper has paid an excessive rate he may recover as reparation the difference between the rate paid and what would have been a reasonable rate at the time, even though he may not ultimately be damaged by payment of the higher rate." But reparation was allowed in this case only from date of filing the complaint.

WILLEMSTAD, Island of Curacao, June 15.—Two Dutch sloops, the Marion and the Carmita, plying between a Dutch Island near the Coast of Venezuela and Curacao, have been detained by a Venezuelan Coast guard vessel on the high seas off La Vela de Coyo, a seaport of the Gulf of Coro. The sloops were stopped by shots from the Venezuelan vessel and all letters outside of mailbags were retained.

GOLD OUTPUT \$15,000,000

SEATTLE, Wash., June 15.—(Special.)—The Spring clean-up in the Tanana district will exceed all expectations and may reach \$15,000,000, says a letter that has been received here from Falcoo Joslyn, president of the Tanana Railroad. Last year what is technically known as the Tanana country produced approximately \$8,000,000 in gold, and Joslyn estimated that the same country would turn out about \$12,000,000 this year. Surrounding districts in the same region, Joslyn estimated, would bring the total up to \$15,000,000. He believes now that that estimate will be exceeded. Delays in the clean-up have occurred because of the backward season and a scarcity of water.

Cuban Patriots Amuse Taft

WASHINGTON, June 15.—Secretary Taft laughed today when he was told of a further report of preparations of revolutionary uprisings in Cuba based on the proposed withdrawal of American troops on or before next Friday.

CANNON BUSY AT PLATFORM

Wants to Cut Out Anti-Injunction Plank and Change Anti-Trust Plank—Taft in Full Control of Committees.

CHICAGO, June 15.—The eve of the Republican National convention finds Chicago on the uptick of anticipation, with final preparations well matured for candidates and platform, except the ever-doubtful Vice-Presidency, and with the whole city astir with the tumultuous scenes which usher in a National convention. Tonight the streets are ablaze with lights; flag day has brought forth a wealth of color on the tall buildings, bands vie with glee clubs in the packed headquarters of candidates and in the open air; marching clubs in fantastic regalia parade the main thoroughfares singing "Taft, Taft," or "Knox, Knox," and there is that universal pandemonium which befits the night before a National convention. The main force of the invading army is now here, leaders and followers, delegates and rank and file, marching and glee clubs, bands and drum corps. The last of the state delegations from the far South came in tonight.

LITTLE SLOOP IS MISSING IN FOG

GUIDING STAR ARRIVES OFF MOUTH OF COLUMBIA.

Open Boat, Bound From Victoria, B. C., for Portland, Then Disappears and May Be Lost.

Sighted late Sunday afternoon off the mouth of the Columbia River, but unsighted and unheard of since that time, the disappearance of the diminutive sloop Guiding Star, which left Vancouver B. C., June 4, to sail to Portland, is causing great uneasiness. Considerable apprehension is entertained as to her fate and especially to the fate of her crew of three young men of this city.

Henry Cabot Lodge, Who Will Be Permanent Chairman of the Convention.

Capitally to the fate of her crew of three young men of this city. Captain Stuart, of the Cape Disappointment Lifesaving crew, reported last night that late Sunday afternoon he sighted the little sloop off the mouth of the river and heading in. She was almost completely enveloped in a dense fog and soon disappeared, nothing more being seen of her. The tiny craft had not reported at Astoria up to a late hour last night, and what has become of her is a mystery. She is 18 feet in length, with a six-foot beam, and draws only 15 inches of water. She is commanded by Captain Leopold A. Bernays, the youngest son of Chaplain A. E. Bernays, of the Portland Seamen's Institute. In addition to her skipper, the little vessel has a crew of two, Mate B. Hancock and Seaman J. Wilson.

REPORT NEWS IN CUBA

New York Rumors of Threatened Insurrection Not Credited.

HAVANA, June 15.—The publication in the Havana papers of dispatches from New York and Mexico to the effect that preparations are being made for an insurrection in Cuba excite much comment but little credence is given to the reports. The palace is without any information that would indicate any uprising of any kind. On the contrary Governor Magoun says that reports from all sources show complete tranquillity throughout the islands.

NEW YORK FORTS MANNED

Regulars and Militia Ready to Repulse Imaginary Attack.

NEW YORK, June 15.—Six thousand regulars and National Guardsmen are on duty tonight in the forts of New York harbor preparing for a naval attack from either the sea or the South approaches to New York. The forts are closed to visitors and the men are being drilled in handling the guns and tactics for defense work.

BORAH'S VICTORY MADE COMPLETE

Names Successors of Deposed Enemies.

SENATOR HEYBURN IS IGNORED

Junior Chooses New Attorney and Marshal for Idaho.

LONG DELAY EXPLAINED

President Waited Until Heyburn Was Powerless Before Removing Ruick and Rounds—Appoints Lingenfelter and Hodgkin.

OREGONIAN NEWS BUREAU, Washington, June 15.—Senator Borah has not only got the scalps of District Attorney Ruick and Marshal Rounds, of his state, men who were responsible for his recent indictment, but he has had the pleasure of picking successors to both men, the President today appointing C. H. Lingenfelter, of Lewiston, United States District Attorney, and Shadrock L. Hodgkin, Sheriff of Ada County, United States Marshal on sole recommendation of Senator Borah. Senator Heyburn, who is in Chicago, was not consulted about either of these appointments. It was announced at the White House that Heyburn was "supporting the men who have been removed."

Heyburn Works Secretly.

This announcement differs somewhat from the statement given out by Heyburn's friends last week, when it was declared that Heyburn had decided to abandon Ruick. Evidently Senator Heyburn publicly renounced Ruick but secretly worked to have him retained. The fact that Heyburn was ignored in making these appointments shows that Idaho's Junior Senator is much stronger with the administration than is the senior, and moreover indicates the President's displeasure at Heyburn for having induced him to appoint such men as Ruick and Rounds to office.

Delay Is Explained.

The reason for delaying removal of Ruick and Rounds now becomes apparent. The President evidently desired to get both out of the way at a time when Borah men could be substituted and Heyburn would not be in position to hold up the new appointments. (Concluded on Page 5.)
