

WIFE OF GULLID'S OF INGRATITUDE

Obtains Divorce in St. Louis Court From Pendleton Physician.

PAID FOR HIS EDUCATION

Then, Says Mrs. J. N. G. Luttenberger, Newly-Fledged Medico, Told Her She Was Not His Social Equal.

ST. LOUIS, Mo., June 16.—(Special.)—Dr. J. N. G. Luttenberger, evangelist and physician, of Pendleton, Or., was divorced today by Mrs. Henrietta Luttenberger, who claims to have paid for his education.

"We were evangelists together, when we first met," Mrs. Luttenberger testified. "I spent \$5000 of my own money to educate him as a physician and when he got his diploma he said I was not as good as he was and that I was fit only for work in the kitchen. In the 10 years we were married he gave me only \$75. He said I was not his social equal and was his wife before Dr. Luttenberger left St. Louis for a three months' trip to Europe at my expense when he left me for good."

The couple were married July 8, 1898. From December, 1906, until September 3, 1907, they lived practically estranged in the same house. The testimony of Mrs. Louise Wolff, of Oregon, Ill., helped the plaintiff. Miss Wolff told of Dr. Luttenberger's attempting to embrace her when she entered his office.

"I pushed him away and told him to behave himself," said the witness. Luttenberger had filed an answer, but did not appear. His attorney, W. G. Coffey, cross-examined the witness. For a year before Dr. Luttenberger left St. Louis he was pastor of the Carondelet Christian Church several weeks. After he and Mrs. Luttenberger began living in separate apartments, he preached on "Is Marriage a Failure?" His conclusions were: "If the wife refuses to keep up reading and thinking she will soon discover inharmonious conditions."

"When the husband loves art, science, literature and Christianity and the wife is given to admiring the opposite, incompatibility soon weakens the tender chords of genuine affection."

"When the home is blessed with children, love and affection grow more perfect. Whence the woman refuses to be fruitful and multiply, love suffers irreparable loss."

CUMMINS BOOM GROWING

(Continued From First Page.)

President, Mr. Cummins must succeed him in the Senate and in turn Mr. Dooliver be given the support of the Cummins element for the Senator's return to the Senate after the retirement of Senator Allison, thus guaranteeing to Mr. Dooliver, as was claimed, that by accepting the Vice-Presidency he would not effect the termination of his own official career. On the other hand, it was proposed that if Mr. Cummins was nominated for Vice-President, his followers would be satisfied with the arrangement.

It was also stated that Mr. Borah had presented Mr. Cummins' qualifications to President Roosevelt and that the suggestion had been warmly received.

Many Want Fairbanks.

There was much discussion during the day of the possibility of the nomination going again to Vice-President Fairbanks. There is a strong sentiment in his favor, as many predict that he will again receive the honor of the nomination, unless the convention can be made to believe that, if nominated, he will resign. The Vice-President is doing his best to create this impression, and all inquiries met with the uniform response that he will not accept.

New York remains in its unsettled and somewhat embarrassing position—pledged to Governor Hughes for the Presidential nomination, but more or less openly desirous, as far as the personal preferences of most of the delegates are concerned, of securing the nomination of Representative Sherman. There was to have been a caucus of the delegation at 10 o'clock tomorrow morning, and the notices for it were actually prepared; but tonight it was postponed, on the theory that the committees on credentials and resolutions would consume much time and there was no need of haste in formal action. The main purpose of the caucus was said to be to poll the delegation on

both the Hughes and Sherman propositions.

Gullid Still in Race.

A telegram from Boston, received today, announced Governor Gullid's determination to remain in the race, notwithstanding the reported defection in the Massachusetts delegation. It was said here that an effort would be made to throw the full vote of the delegation to Mr. Gullid when the roll of the states was called and carry out his wishes. Both Senators Lodge and Crane expressed the opinion that the state should stick to Gullid.

The present indications are that the Vice-Presidential candidate will not be agreed upon until after the nomination of a candidate for President.

LET VICE-PRESIDENCY ALONE

Taft Will Wait Till He's Nominated.

Insists on Injunction Plank.

WASHINGTON, June 16.—This statement was issued from an authoritative source today: "An exchange of telegrams over night between Washington and Chicago, indicate that there will be no developments, so far as the administration is concerned, in the matter of soliciting a candidate for Vice-President here until after the platform shall have been disposed of and a nominee for the Presidency shall have been named."

It is understood that the above statement was issued with the distinct purpose of avoiding complication of the Vice-Presidential with the Presidential nomination. Reflection over night has only strengthened the determination of the War Secretary to insist upon the inclusion in the Republican party platform of the anti-injunction plank on the lines of that telegraphed last night.

Therefore, a long telegram went forward from the War Department today to Frank Hitchcock, Mr. Taft's Chicago manager, instructing him to insist upon the anti-injunction plank.

Did Not Talk With Low.

ALBANY, N. Y., June 16.—Governor Hughes today denied the report that he had talked over the telephone with ex-Mayor Seth Low, of New York, regarding his position with reference to the situation in Chicago.

TACKLES ALLIES' SCHEME

RULES COMMITTEE CONSIDERS BASIS OF REPRESENTATION.

Motion to Make Vote at Elections Fix Number of Delegates Said to Have Majority.

CHICAGO, June 16.—The question of whether there shall be a reduction in representation in future National Republican conventions was discussed for two hours today by the committee on rules and order of business, without result, an adjournment being taken until 1 o'clock, in order that the members of the committee might confer over night with the other delegates.

The basis of the discussions was the resolutions offered on the floor of the convention today by Representative James F. Burke, of Pennsylvania, providing that hereafter each state shall be entitled to four delegates-at-large and one delegate for each 10,000 votes or majority fraction thereof cast at the preceding Presidential election, and two delegates from each of the territories.

Representative Burke, chairman of other members of the committee corroborated him, that the sentiment was strongly in favor of his resolution. The opposition came entirely from the Southern States.

EDDY FOLLOWERS MEET

Christian Scientists Hold Annual Reunion in Mother Church.

BOSTON, June 16.—The annual meeting of the members of the First Church of Christ, Scientist, was held here late today. Nearly 300 members from many parts of the country and abroad were present. Officers of the mother church were elected, including John Blush, U. S. N., retired, of Boston, president.

A message was read from Mrs. Mary Baker Eddy, in which it was stated that new Christian Science societies had been established at the rate of one in every four and a half days during the past year.

GILCHRIST LEADS IN RACE

Probable Governor of Florida.

Close Race for Senator.

JACKSONVILLE, Fla., June 16.—The second democratic primary was held in Florida today and from the indications up to midnight Albert W. Gilchrist, of Punta Gorda, is leading John C. Stockton, of Jacksonville, for Governor by between 800 and 900. In the race for United States Senator, Governor Broward and Duncan Fletcher are running close, but at a late hour Fletcher is steadily gaining in South Florida, and it is generally thought he will be chosen by a small majority. It is too early to give any definite figures in the election of delegates to Denver.

At 1 o'clock it appears that the Bryan faction will elect only a portion of the delegates to the National convention.

AMERICAN CATCHING UP

Overtaking German in Auto Race.

Italian Car on Fire.

PARIS, June 17.—A dispatch to the Matin from Tahiti, Siberia, says that the Italian car in the New York to Paris race has been seriously damaged by fire.

The arrival of the American car at Nerchinsk on Tuesday morning indicated that the Americans were decreasing the lead which the German car recently secured. The latter left Nerchinsk shortly before the arrival of the Americans.

HOQUIAM, Wash., June 16.—(Special.) Hoquiam's City Council, which a week ago refused a bar license to the \$12,000 building of the Hoquiam Trust Company, tonight in regular meeting, reconsidered its action. Much enthusiasm is expressed on the streets and the Councilmen who changed their votes come in for much eulogy.

Virgil Garvin, Ballplayer.

FRESNO, Cal., June 16.—Virgil Garvin, the ballplayer, died at the county hospital tonight of consumption. He came here from Texas two weeks ago. Garvin formerly played with the Chicago Nationals and the New York Giants.

TAFT SEATED BY COMMITTEE

Contests in Six States, Involving 62 Delegates, Are Quickly Settled.

FORMER RULINGS UPHELD

Cases Adjusted Those of Arkansas, Alabama, Georgia, Kentucky and Mississippi—"Allies" Fight to Finish.

CHICAGO, June 16.—At midnight the committee on credentials was still in session, with every intention of finishing its work before adjournment. Six cases, involving 62 delegates had been called up to that time and in every instance the decision of the committee had been in favor of the Taft faction, and sustained the action taken last week by the National committee. The contests heard were those in Arkansas, Alabama, Florida, Georgia, Kentucky and Mississippi.

The bitter fight in Louisiana was settled without coming before the credentials committee. The "Lily Whites" and the "Black and Tans" held an extended conference late in the day and agreed to accept a method suggested by the National committee, which seated both delegations with half a vote each.

The Taft members of the committee early showed that they possessed a strong working capacity. The opposition several times attempted to force rollcalls, which could only be held on the request of 20 members. At no time did the opposition show that it had a majority of more than 18 in favor of such action. The first vote taken on the seating of the Taft delegates in Alabama was 38 to 7 in favor of the Taft delegates. The rollcalls in Texas showed that that division of strength.

Declare for Finish Fight.

Although outnumbered in the committee, the "allies" announced that they would continue their contests and would carry every one of their fights to the floor of the convention before they would accept final defeat.

Much ill-feeling was shown between the contesting delegations throughout the night. The members of the opposing faction in the First Kentucky District plied epithets with force and frequency and angry disputes between counsel were frequent.

It had been expected there would be opposition to the selection of Senator C. W. Fulton as chairman of the committee, but when his name was proposed no other names were suggested. The election of Mr. Fulton was unanimous. A. R. Smith, of New York, was elected temporary secretary, although he is not a member of the committee. After the election of Mr. Fulton, who is known to be pro-Taft and who sat as a member of the National committee in hearing contests, informal procedure were discussed by the committee.

Allies Present Contests.

As soon as a decision to hear the contests was announced by the committee, counsel representing Speaker Cannon, Vice-President Fairbanks, Governor Hughes and Senator Foraker submitted a statement showing that they purposed to submit cases involving 110 seats, as follows:

State and district. Delegates. Alabama, at large and all districts..... 22 Arkansas, fifth district..... 2 Georgia, first and third..... 4 Kentucky, first, fifth, sixth and seventh districts, at large, first, third, fifth and eighth..... 10 Ohio, thirteenth..... 8 Tennessee, at large, second, third, fourth, fifth, sixth, seventh, eighth and tenth..... 36 Texas, at large, 19 districts..... 36 Total..... 110

The protests concluded with the following:

Please be advised that the undersigned, representing the contestants in the above named contests, do hereby protest against the seating of the above named contestants who may see fit to present their contests to your body. As to the contestants represented by us, however, we desire to state that we view the important subject matter, to suggest that sufficient cause be shown to justify the seating of these cases to your committee. We also request that we may be accorded that right which is given to complainants before courts and judicial bodies in such cases, to present the argument in these cases, to the effect that the merits of the cases be properly presented for your consideration.

The statement was signed by Major Fred C. Bryan, who served as general counsel for the "allies" in the hearings before the National committee; George T. Buckingham, for the Cannon interests; Senator-elect W. B. Bradley, of Kentucky, for Mr. Fairbanks; and A. N. Sager, for Mr. Hughes.

Will Grant Fair Hearings.

When the subcommittee met it was proposed by Mr. E. J. Fitzgerald, who had adopted the report of the National committee without hearing the contests. His plan was supported by Mr. Elder of Massachusetts, Mr. E. J. Fitzgerald, of Kansas, Rinkler of Nebraska and Fassett of New York. These men are not friendly to the "allies" and they thought it unwise to adopt any plan which would appear to stifle fair hearings.

The case of Alabama, involving the delegation-at-large and all of the districts, was called at 5:58 o'clock and the proceedings began promptly.

The contest involving the entire delegation of 22 was decided by the committee within two minutes after the close of the arguments. The verdict was in favor of the Taft delegates, headed by Joseph O. Thompson. The Fifth Arkansas district went to Taft by default. The Taft delegates were seated in the First and Third Georgia districts—the only contests in that state. The Taft delegates in the Florida contests—two at large and three from districts—were declared entitled to their places on the permanent roll, with only one vote in opposition.
