THOUGHT HE TOLD A LIE
PREACHER'S DELUSION DRIVES HIM INTO INSANITY.
SUSPECTED EVIL-SPEAKING ABOUT MEMBER OF CONGREGATION MAKES CONSCIENCE KILL MIND.
STERLING, Ill., June 17.—From a strong man physically and mentally to an inmate of an insane asylum, wrecked both in mind and body, is the metamorphosis of a prominent minister of this city, through the hallucination that he had told a lie about a member of his congregation. Only a few weeks sufficed to transform him from a vigorous, aggressive exponent of the gospel to a subject for legal inquiry.
The Rev. Sara Florry has for a long time been the pastor of the Church of the Brethren, better known as the Dankard Church, in this city. Mr. Florry taught a literal interpretation of the Bible. No words of his mouth admitted of doubt until a short time ago. His intimate friends were puzzled one day to hear him speak of injuring one of his devotees by speaking untruthfully of him. Investigation showed that this only existed in imagination and they endeavored to remove the delusion, but to no purpose. From dwelling upon the subject among friends, the minister continued until he included all to whom he talked in his self-denunciation. References to the subject began to creep into his sermons. Then he imagined himself pursued by the person he thought he had wronged.
His case was taken into the Probate Court at last night, after having been adjudged of unsound mind, he was taken to an asylum.

Hold Temperance Congress.
SARATOGA, N. Y., June 17.—The world's temperance congress, being held here to commemorate the 100th anniversary of the first temperance society, was continued today, with meetings under the

direction of the National Purity Federation and National Division, Sons of Temperance. Anti-saloon leaders from the Eastern states began a three days' conference with representatives present from a large number of states. Temperance editors met this morning and heard addresses from several temperance and prohibition writers. The congress will be continued all this week.
Predicts Business Revival.
WHEELING, W. V., June 17.—President T. L. Lewis, of the United Mine-workers, left here today for Indianapolis to attend a meeting of the National Board. Concerning the business outlook President Lewis says that the beginning of July would see a spirited revival in the mining and steel business. He said: "All Lake boats will be in commission after July 1 and they will have orders for ore shipments back from the Northwest, whereas they have so far this year only carried coal to the Northwest and returned light, which kept many boats from starting."
