

CRISIS PAST IN SHERMAN'S CASE

Vice-Presidential Candidate Is Now on Road to Recovery.

NO OPERATION PERFORMED

But Physicians Say That He Must Submit to Knife as Soon as He Regains Strength and Can Stand It.

CLEVELAND, June 24.—Congressman James S. Sherman, of Utica, N. Y., Republican Vice-Presidential candidate, who was taken ill here last Sunday with a passage of gallstones while on his way home from the Chicago convention, rested most comfortably today. Attending physicians are of the opinion that the necessity for an immediate operation has been passed. It is not expected Mr. Sherman will be able to leave the hospital before next Sunday.

Mr. Sherman's physicians say that their patient's condition, all things considered, is better than it was a few days ago. They state, however, that while there is no immediate necessity for the performance of an operation to remove the gallstones which caused his illness, Mr. Sherman should undergo an operation as soon as he is fully recovered, and before the Fall campaign begins, in order to avoid another attack. The Vice-Presidential candidate agreed that this might be advisable.

Mrs. Sherman Better.
Mrs. Sherman, who arose from a sick bed at her home in Utica, N. Y., yesterday, to come here, was also much improved today. She is occupying a room near her husband at Lakeside Hospital.

Mr. Sherman will enter a sound sleep at 8 A. M. He awakened after nearly two hours of refreshing sleep. Dr. Stone, the hospital physician who was at the bedside of the patient, said that while Mr. Sherman had been restless during the greater part of the night, there was a marked improvement this morning. His temperature was quite practically normal and on the whole the condition of Mr. Sherman was entirely satisfactory.

Following a night of intense heat, a cool breeze sprang up this morning and added greatly to the comfort of the patient.

Told of Cleveland's Death.
Mr. Sherman was notified of the death of ex-President Grover Cleveland. He expressed great sorrow, and said he would send a telegram of condolence to Mrs. Cleveland later in the day.

At 12:45 P. M., Mr. Sherman was quietly sleeping, with his temperature, respiration and pulse practically normal. He slept at intervals most of the afternoon.

Postpones Committee Meeting.
NEW HAVEN, Conn., June 24.—Late this afternoon Secretary Taft directed the postponement of the meeting of the sub-committee of the Republican National Committee to select a National chairman from July 1 to July 8, on account of the illness of Representative Sherman, the Vice-Presidential candidate.

BRYAN CONTROLS COHORTS
(Continued From First Page.)
Ulysses, has retired from the contest for the Democratic Vice-Presidential nomination and left today for California. He said his boom flashed in the p.m.

Roger C. Sullivan, the Illinois boss, is nursing a boom for Colonel J. Hamilton Lewis, of Chicago, for second place on the ticket, but other party leaders smile at it.

It was announced yesterday that Judge Gray, of Delaware, had surrendered his hotel reservations here, but today the Savoy Hotel management stated that Josiah Marvel had advanced the date of the Gray reservation a week and will open Gray headquarters Saturday or Sunday next.

HANSBROUGH RUNS BEHIND
North Dakota Senator Is Probably Defeated for Renomination.

ST. PAUL, June 24.—Specials to the Pioneer Press state that the returns received at midnight indicate that United States Senator Hansbrough has been defeated at the North Dakota primaries and that C. B. Little (Stalwart) and T. E. Marshall (Insurgent) will be the two high men in the race.

Ideal weather brought out large numbers of voters to the primaries. The Democratic candidates for Senator are John L. Cashel and E. D. Purcell. For Governor, A. D. Johnson and Treadwell Twitchell, Republicans, and John Burke, Democratic.

A complete state ticket is also being nominated by both parties. The law provides that the names of the several candidates shall go directly on the ballot, doing away with the conventions.

IOWA IS FOR NEBRASKAN

SIoux CITY, Ia., June 24.—The Democratic State Convention which will assemble here tomorrow will indorse W. J. Bryan, whom Jerry S. Sullivan, of Des Moines, for the nomination for Vice-President, nominate two candidates for Judges of the Supreme Court, and adopt a platform. Delegates are arriving in large numbers.

May Change Meeting-Place.
OLYMPIA, Wash., June 24.—(Special.)—The National Association of Attorneys-General is considering the advisability of meeting in Seattle this year instead of in Denver, for which a preference was expressed by a majority of the members of the association when it was organized in St. Louis last September.

The American Bar Association will meet in Seattle, August 25 to August 28 and the latter association has invited the attorney-generals to convene at the same time and place.

Dinner in Honor of Taft.
NEW HAVEN, Conn., June 24.—Secretary Taft said today that after the Yale-Harvard boatrace tomorrow, he would come back to New Haven for the night and would go to New York on Friday, where, on Friday night, he is to be the guest of honor at a dinner to be given by the New York Taft League.

EXPECTED OPEN BREACH

CASTRO'S ENVOY NOT SURPRISED AT FINAL RUPTURE.

Will Not Ask Passports Until Ordered—Root's Course Decided Secretly Last Winter.

WASHINGTON, June 24.—Senor Veloz-Gottico, the Venezuelan Charge d'Affaires in Washington, was a caller at the State Department today and interviewed Acting Secretary Adee, but the latter declined to state what the nature of the interview was. Mr. Sleeper, the American Charge at Caracas, is coming home, by direction of the State Department, and it is admitted that this means the practical cessation of diplomatic relations with Venezuela. Senor Veloz was not much concerned, for Venezuela has had many similar ruptures in the past and is even now not on speaking terms with France. Certainly in the absence of any direct instructions from his government, the charge will make no demand for passports, and it is quite evident that he scarcely expects such instructions. He will probably in an unofficial way take steps to learn the disposition of the State Department toward himself and it may be stated that personally Senor Veloz is highly esteemed in official Washington. It develops that the programme adopted by the State Department after all is not one of the moment, but is the result of careful deliberation on the part of Secretary Root and Assistant Secretary Bacon, dating back to last winter, when at the request of Senator Lodge, the State Department submitted to the Senate all of the great mass of correspondence that has been exchanged between Washington and Caracas within the last few years in regard to American claims. The withdrawal of the American legation from Venezuela was a complete surprise to President Castro.

VENEZUELAN CHARGE WAITING

Will Not Ask for Passports Until Orders Come.

WASHINGTON, June 24.—Mr. Veloz, the Venezuelan Charge, has not yet been advised by his government of the withdrawal of Mr. Sleeper, the American Charge at Caracas. Consequently, he will not apply for his passports, unless he is ordered to do so, and he does not expect such an order.

Charge Sleeper has not yet reported his departure to the State Department, his last cablegram from Caracas relating to the plague situation.

Acting Secretary Adee is to confer with Secretary Root and Assistant Secretary Bacon, and will then probably make public the last diplomatic correspondence relating to the Venezuelan troubles.

WILL PAVE BIG DISTRICT

Holladay-Irvington Club Launches Plan for Improvements.

At the meeting of the Holladay-Irvington Improvement Association last night in the clubhouse at Irvington, the club first steps were taken toward paving all the streets of that district with hard-surface material. A. N. Gambell, employed by the city, and the club members, the territory embraced between Holladay avenue and Thompson street, Union avenue and East Twenty-eighth street, showing location and condition of all water, gas and sewer pipes and fire hydrants, and elevation at street intersections. These maps are indexed and contain all the information needed before the real work of putting down hard-surface pavement begins.

The matter of putting telephone and electric wires underground was discussed at length. Several ways were proposed to place telephone wires underground, but the problem of placing electric wires beneath the surface seems to be a difficult one. W. C. Bristol and C. K. Henry addressed the meeting and insisted on carrying out the project. Mr. Bristol declared that there should be no compro-

INDORSES FREE TUITION

Ash Swale Grange Opposed to Linn County Council.

BROWNVILLE, Or., June 24.—(Special.)—The Ash Swale Grange of Brownville has placed itself on record as opposed to the principle advocated by the Linn County Council, Patrons of Husbandry, of charging tuition at the University of Oregon. At the last regular meeting of the grange the following resolutions were passed:

Be it resolved, That whereas, the people of Oregon, having voted in favor of the University of Oregon retaining its appropriation of \$125,000, a majority having voted in favor of the Ash Swale Grange, living in the Democratic State of Oregon and believing in a Republican form of government, where the majority rules, hold it would be very unwise of the Linn County Council to ask the legislature to assist the will of the people, and compel the University of Oregon to charge a tuition fee before the people of Oregon advertising free tuition.

NORTHWEST LEAGUE.

Seattle 4; Tacoma 1.

SEATTLE, Wash., June 24.—(Special.)—Tacoma hit Harry Rush today but could get only one run across. On the other hand Tacoma did not allow more than one hit in an inning, but the visitors felled poorly. In the first inning Frisk walked and after a sacrifice scored on a hit and Martine's error. In the next seven innings Frisk pitched well, but Goss came in to come in and a combination of errors by Bresino, Franklin and Hall gave Seattle two runs in the fifth. Tacoma missed the bases three times and in the fifth three hits could not bring a man home. It took three safeties to score. Sues in the seventh and in the ninth again drove men in, but good fielding protected the plate. The score: R.H.E. Seattle.....11 0 2 0 0 4 5 3 Tacoma.....0 0 0 0 0 1 0 0 12 4 Batteries—Linn and Stanley; Hall and Shea. Umpire—Black.

Aberdeen 8; Spokane 5.

SPOKANE, Wash., June 24.—(Special.)—Aberdeen's victory today was a gift from the Indians. Hulse kept Roosevelt in the box in the first two innings, in spite of his inability to locate the plate for a practice workout. Roosevelt walked and forced in the first 19 men who faced him and pitched a swell game, but both errors were costly and two more runs came to Aberdeen on raw luck when Starkel had an easy grounder to Mackel in for the third out. The ball suddenly struck a pebble, bounded over Mackel's head and into the hands of the Indians. Starkel's error for 19 hits and allowed have won easily under ordinary conditions. Roberts, a young semi-pro, took the mound and pitched the best game he has ever pitched, but today and caught an excellent line of balls. He threw three out trying to steal second, the champions kept trying to steal. James Mackel pitched a home run to right center fence. The score: R.H.E. Aberdeen.....0 5 1 0 0 0 1 1 8 7 3 Spokane.....3 0 1 0 0 0 1 0 5 10 2 Batteries—Pendleton, Talafra and T. Baker; Baker, Gregg and Ward. Umpires—Tice and Turner.

Baker 10; Pendleton 6.

BAKER CITY, Or., June 24.—(Special.)—The closing game of a series was played here today between the Baker City and Pendleton teams of the Inland Empire League and Baker won the game by a score of 10 to 6. Pendleton claimed the game until the seventh when the team seemed to get into a groove and Baker made seven runs in one inning. Heated discussions and threats to quit from the Pendleton team due to decisions they seemed to have made were features of the afternoon. The score by innings: Baker.....9 1 0 0 1 0 0 0 6 6 Baker.....0 0 0 1 0 7 2 0 10 Batteries—Pendleton, Talafra and T. Baker; Baker, Gregg and Ward. Umpires—Tice and Turner.

THREE RECORDS ARE EQUALED

Good Racing Attracts Large Crowd to the Meadows Handicap.

SEATTLE, Wash., June 24.—(Special.)—Three track records equalled as four favorites flashing in front, along with a well-played second choice went to make racing that pleased a large crowd, turning out to witness the regular Wednesday handicap, inaugurated today.

The stellar event proved more than was expected in turning up the best race that has ever witnessed here. Lotus Eater won, in track time, after the four entrants had fought it out the entire mile and an eighth, the whole course. Rose Queen made her initial appearance on the local track and was an easy winner of the first sprint in the crack time of :34.

New York 6, Philadelphia 5.

PHILADELPHIA, June 24.—Today's game between New York and Philadelphia was stopped at the end of the ninth inning with the score a tie at 6 to 6 on account of darkness. The score: R.H.E. New York.....5 2 2 0 0 0 1 0 11 Batteries—Manning, Chesbro and Kleinow; Schlitzler, Vickers, Smith and Powers.

DID NOT KEEP HIS PLEDGE

Brother of Fisheries Bureau Official Sued for Divorce.

OREGON CITY, Or., June 24.—(Special.)—George M. Bowers, head of the United States Bureau of Fisheries, figures indirectly in a suit for divorce instituted here today against his brother, John S. Bowers, who has been in Alaska for the last two years. He was married September 26, 1902, to Mrs. M. M. Davis, a daughter of W. J. Rauch, of Gladstone, and she says that he promised to stop drinking but did not keep his pledge, became intoxicated for days at a time, and declared, shortly after their marriage, that he had no love or affection for her. The injured wife says he struck her a violent blow on the shoulder, threatening to hit her with a stick of stove wood, after pushing her against the stove. Bowers is the degenerate member of a prominent West Virginia family, and was sent to the Pacific Coast and given employment in the Bureau of Fisheries by his brother.
