TELLS OF HIS CRIME

Rogers Says Lovell Lured Him to Kidnap Girl. Captured Criminal Blames Partner for Leading Him Into Scheme. Posse Surrounds Lovell in Hills Near Coalinga. FRESNO, Cal., July 1.--Grover C. Rogers, who on Monday evening kidnaped 13-year-old daughter of Adolph Domingue, in such sensational fashion and who was captured late yesterday, was brought to the county jail here today from Coalinga and told the story of his crime. He says that Tony Lovell, his partner, who is still at large, met him in a saloon a week ago and unfolded a plan to kidnap the girl and hold her for a \$5000 ransom. Rogers says he at first would have nothing to do with the scheme, but finally consented, lured on by the promise that he would get half. He insists that he had never known the girl or where she lived, but had known her father and was friendly with him. Rogers said Sunday night Lovell furnished him with a pistol and a mask and both walked to the Domingue ranch, where they hitched up a team to the rancher's buggy. Rogers declares that Lovell set fire to the barn and the men then took the girl in the buggy. At Coalinga Lovell left his partner, saying he would keep a lookout for the old man. The horses were then turned loose. Lovell is supposed to be surrounded today, 14 miles west of Coalinga, in the hills. A posse of 100 men is in the vicinity and his capture appears certain.

ROBBER HAS RECORD HERE

G. S. STEVENS ARRESTED FOR KANSAS CITY CRIME. Oldtime Offender Now in Custody at Monroe, Mich. Charged With \$50,000 Theft. WASHINGTON, July 1.--F. E. McMillen, chief inspector of the Postoffice Department, was today notified of the capture and arrest at Monroe, Mich., of Charles Stevens, alias Charles Savage, a negro, in connection with the recent robbery at Kansas City, Mo., of a \$50,000 through registered pouch of mail from Los Angeles to New York City. The negro was identified by a photograph and officials of the Postoffice Department assume that he is the man wanted for the alleged robbery. A reward of \$2000 was offered by the Department for the arrest and conviction of the perpetrator. Inspector will be sent to Monroe. The negro, who is about 30 years of age, will be taken to Kansas City for trial. The mail pouch, which was stolen at the transfer point in Kansas City, had been already recovered. Stevens, it is said, served a sentence of six years for the robbery of mail at Salt Lake City and Portland, Or., and once was arrested in connection with a \$10,000 diamond ring robbery at Portland, Or. The negro known as Charles Savage, who was arrested in Michigan yesterday on a charge of robbing the mails, is believed to be the same Savage who participated in a number of robberies in this city about seven years ago and who was but a short time ago released from the Federal prison at McNeil Island, Wash., where he served two years for robbing a saloon, and is now serving a three-year term at Walla Walla. Previous to this robbery Savage, together with Kelly Wiley, another negro, participated in the robbery of several rooms at the Hotel Portland. Wiley was convicted on his own confession and sentenced to three years in the Oregon Penitentiary. At the expiration of this sentence, he drifted to Seattle and was arrested at that place while robbing a saloon, and is now serving a three-year term at Walla Walla. Through a technicality Savage escaped conviction in the Hotel Portland robbery case and managed to escape from the courtroom before the Portland detectives could arrest him on one of several other counts they had against him. He fled to Salt Lake City, where he became involved in other shady transactions and was shortly afterward arrested at Denver for robbery. During the time he spent in Salt Lake he became entangled with a colored woman and this caused his supposed wife, Frankie Savage, also well known to the Portland police, to go to Denver and testify against him. Her testimony assisted materially in convicting him. Frankie Savage was brought back from Montreal, Canada, with Savage, by Detective Joe Day at the time of the Portland Hotel robbery. After serving his sentence in Colorado, Savage was brought back to Portland by the Postoffice officials and tried and convicted on the charge of robbing the mails at the Union Depot.

SMALL SURPLUS IN JUNE

TREASURY'S CONDITION SHOWS IMPROVEMENT. But Heavy Payments From New Appropriations Mean Deficit in July--Heavy Draft on Banks. WASHINGTON, July 1.--From the Treasury standpoint, the fiscal year just closed has been most satisfactory. Since about the middle of October last, when the period of money stringency set in and the consequent depression in business began to be felt, there has been a constant falling off in Government revenues up to the month just closed. For June a surplus is shown of nearly \$1,000,000. This fact, however, is not significant, as June is unfailingly a surplus month, largely due to the fact that it is the closing month of the fiscal year, when appropriations gradually reach the point of exhaustion. The month of June, 1907, showed a surplus of approximately \$1,000,000 and every preceding June for many years past has shown a large surplus. As June uniformly shows a surplus, July as certainly shows a deficit. Nearly all appropriations begin to be available on the first of July and this year Treasury officials are looking forward to a deficit larger than usual, and while they are not willing at this time to express an opinion as to its size, it is believed that \$20,000,000 for the one month would be a conservative estimate, with a chance of its being considerably larger. The amount of cash now in the Treasury vaults and available to meet expenditures is about \$70,000,000. In addition to this, there is one deposit with National Banks about \$123,844,000, which is at all times subject to call by the Secretary. A considerable portion of this sum is likely to be called into the treasury within the next few days ago, while Mr. Cortelyou has not indicated the amount, it is thought it will be less than \$50,000,000.

A NEW PARK

It will no doubt be pleasing to Portland and other pleasure seekers to know that another fine park near the city will be thrown open next Saturday, July 4. Mr. H. S. Fine has just installed a splendid \$2000 Orchestration, bought from Eilers Piano House, at Vancouver Pleasure Park, end of Vancouver carline--Shaw Island. The Park has been fitted up especially for family picnics, lodge and church gatherings and, in fact, all sorts of outings. A large dancing pavilion has been erected for use of visitors. An especially noteworthy feature is that there will be no bar and no liquors of any kind will be sold within the grounds. All kinds of moderate refreshments and light lunches will be served.
