SAN FRANCISCO, July 3.—(Special.)—For the fourth time without a switch, the Seals hung it on the Beavers again this afternoon in a game that was full of everything in the baseball calendar. It was one of the toughest games that a nine ever lost, for Portland was riding in front, 4 to 0, in the fourth round when the Seals got Jerry to McFarland, the ex-Oaklander, who became a Beaver just before the game, and hammered him for two runs. Kinsella came to the front then, and before the round was over the home team had put another pair over and the score was a tie.

But the eighth inning saw the finish of Mac and his gang. A pass to Hilde and errors by Casey and Danzig filled up the bases, after which Kinsella hit Curtis and forced Hilde over. Berry came on with a double to left that cleared every base. Willis' out and a wild pitch allowed Berry to register the final run, the fifth for the inning and the ninth for the day.

Oscar Jones started to pitch for San Francisco, but when the Beavers began to office up to him in the fourth he was ousted and Salisbury, the new slow-ball pitcher, took a chance. He began to look easy in the seventh, so Willis was brought in to finish the game.

The teams play a double-header tomorrow, the first game being called on the Oakland diamond at 10 o'clock. Before the last game the members of each team will take part in several fungo contests for prizes.

Angels Land Hard on Nelson's Curves in Ninth.

LOS ANGELES, July 3.—Los Angeles defeated Oakland today by batting Nelson, Oakland's new left-hander, for four hits in the ninth inning, scoring two runs and making the final score 4 to 3. Oakland's misplays were largely responsible for the first two runs scored by the home team.

Spokane 3, Tacoma 2.

SPOKANE, Wash., July 3—(Special.)—Spokane nosed out Tacoma again, making the winning run in the eighth inning, score 3 to 2. It was James' hit that turned the trick, as on two other occasions. Tacoma's hard luck was again in evidence. By brilliant fielding, that of Bresno being spectacular and as sensational as ever seen on the local diamond, Tacoma stalled off defeat half a dozen times until the eighth inning. Seemingly impossible chances were turned into outs by the midget shortstop when the Tacoma home plate was threatened. Carson was in good form, too, and the Tigers were after the game as never before, but they were outgamed by the swift leaders in the pennant race. Score:

SEATTLE, Wash., July 3.—(Special.)—Seattle lost today's game when Carney kicked Hyatt's single into center field, allowing Quigley to score from first. This was after Seattle's first inning, when Donovan led off with a double, Mundorff beat a bunt and Quigley walked. Hyatt brought Donovan home with a ringing hit and Flannigan scored Quigley and Hyatt with a two-bagger, which struck on the foul line. Rush then pitched gilt-edged ball till the eighth, when Quigley hit and came home on Hyatt's single and Carney's error. Bennett put the ball over the fence in the second and McKune's single, Lussi's three-bagger and Snyder's error allowed two more scores in the fourth. Score:

GAME AT VANCOUVER TODAY

St. John Club Will Contest With Local Nine.

The Vancouver team of the Tri-City League is scheduled to meet the St. John club at Vancouver this afternoon, and Manager Helser is planning to make the occasion a gala one for the hustling town across the Columbia.

The Vancouver players are to be taken from Portland to Vancouver in automobiles. Both teams are evenly matched and a good game is in store for the fans of Vancouver. The same teams will play at the Catholic Young Men's Park at Williams avenue and Stanton street tomorrow. This park has just been completed and will be used frequently by the Tri-City League clubs.

GANS HOT FAVORITE

Nelson Coin Is Hard to Find at Odds of Ten to Four.

BIG FIGHT FOR TODAY

Black Boy's Friends Bet Even Money That Dane Will Lose Inside of 20 Rounds—Go Is for Forty-five Cantos.

SAN FRANCISCO, Cal., July 3.—(Special.)—With Joe Gans and Battling Nelson both practically at weight tonight, the sporting element in San Francisco and throughout California is expectantly awaiting the 45-round fight scheduled for tomorrow, which should settle conclusively who is the lightweight champion of the world. If public opinion counts, Joe Gans is slated to hold the title. Starting several weeks ago, with Gans a 10 to 8 favorite, the rush of Gans money has forced him into 10 to 4 favoritism, and there is not enough short-end money. So strong is the belief that Gans will cut a fast pace that his admirers are betting even that he will win inside of 20 rounds.

According to the articles, the men are to make 133 pounds stripped, just before the fight, which will start at 2:30 o'clock in the afternoon. There is not the same difficulty that stared Gans in the face at Goldfield. He has made the weight easily and is unquestionably strong at 133. The same applies to Nelson, but the Dane hasn't shown any improvement in his last two years of fighting.

Judging by the dope, Gans is a legitimate favorite and the impression prevails that he will win inside of 20 rounds. Everything points for a record house, as there has been a $12,000 advance sale. All the $3 and $5 reserved seats are gone and Promoter Coffroth figures on at least $25,000 when the scrappers are ready for action.

WILL FIGHT AT SAN FRANCISCO TODAY FOR THE LIGHTWEIGHT CHAMPIONSHIP

Battling Nelson.

Joe Gans.

TERMS ARE BETTER FOR GANS

Meets Nelson With More in Favor Than at Goldfield.

SAN FRANCISCO, July 3.—For the second time within two years, Joe Gans, the world's lightweight champion, and Battling Nelson will meet in the ring to battle for the title and substantial percentage of the gate receipts. The contest will take place tomorrow afternoon in the Mission-street open air arena, across the county line, and is scheduled to go 45 rounds. The men will enter the ring at 2:15 P. M.

The conditions under which the men will fight differ from the previous contest to the extent that the colored champion will meet Nelson on more even terms than those which governed the Goldfield contest. Gans on that occasion was required to make weight—133 pounds—three times during the four hours preceding the fight, fully attired in fighting costume. Tomorrow the men will not weigh in stripped at the ringside and must make 133 pounds. Both men are right on edge and the weighing in ceremony will be but a necessary formality.

There is a healthy demand for seats and it is almost certain that standing room will be at a premium when the gong summons the men to action. Despite the fact that there has been a very noticeable increase in the betting, the champion remains a topheavy favorite. The price has been hammered down to 10 to 4 and it is predicted that Nelson will be a 10 to 3 short-ender at ring time.

Several heavy wagers were registered today. Nelson himself risking $500 against $1000 and also betting $1000 even that Gans would not win inside of 25 rounds.

PACKY AND WELCH ARE READY

Finish Training for Fight—Odds Are on McFarland.

LOS ANGELES, July 3.—The new pavilion of the Jeffries Athletic Club at Vernon will tomorrow hold one of the largest crowds assembled in Southern California to witness a battle of the prize ring. Packy McFarland, of Chicago, and Freddie Welch, of England, will fight 25 rounds for a percentage of the gate receipts, which were tonight so large as to assure a good-sized purse. Both men are said to be in excellent physical condition, and no difficulty is anticipated in making 133 pounds when they weigh in at 9 o'clock tomorrow morning. Welch weighed 134 pounds today and McFarland a half pound more. Actual training was finished with light road work today.

McFarland's backers have made the odds of 10 to 6, but the price is expected to be 10 to 7 at the ringside. Welch is said to have offered $1000 at $5 to $4 that he stays over 15 rounds. Both men express confidence in the result, Welch declaring that he is too fast for his opponent and McFarland predicting a knockout before the rounds are half counted. James J. Jeffries will referee.

The preliminary, a 12-round affair, will be between Kid Carsey and Harry Dunn.

La Grande 2; Baker City 4.

BAKER CITY, Or., July 3.—(Special.)—Defeat overtook La Grande's team again today in the second game of the series with Baker City, the score standing 4 to 2. Batteries—La Grande—Zimmerman and Fournier; Baker—Standridge and Ward.

CRICKET TEAMS WILL PLAY

Married Men to Meet Single Men on Club Grounds.

Following its usual custom, the Portland Cricket Club will have an all-day match on the Portland Cricket Club grounds today. The game starts promptly at 11 A. M., and, as the wicket is in first-class condition, an interesting struggle will take place. The contest will be between the married men and the single men. The benedicts were victors in the first match, and have been strengthened for today's game by the addition of Charles Lawrence, still the premier batsman of the Pacific Coast. The bachelors will have the assistance of Greig, an extremely fast and deadly bowler, and will rely greatly on him to beat their opponents.

A good crowd is expected to see the game, and preparations have been made to give all visitors plenty of amusement. The luncheon interval is fixed at 1:30 o'clock, when the teams will adjourn for a brief time.

The teams are selected from the following list of players:

Married—W. G. Smith, C. Lawrence, K. Bailey, J. Churchley, A. Sisley, G. Shipley, P. Henderson, A. M. Crocker, C. J. Kay, B. White, E. Fenwick (captain).

Single—H. Phin, E. Naylor, John Hughes, F. H. King, A. Matthew, A. E. Mackenzie, C. E. Gjested, J. P. Banks, W. L. N. Gilman, J. H. Verrender, A. R. White, A. Greig, H. E. Verrender, J. C. Cumming, S. Mills, R. Rylance (captain).

CUTS DOWN HER OWN RECORD

Delilah, California Horse, Goes Exhibition Pace on Albany Track.

ALBANY, Or., July 3.—(Special.)—Delilah, owned and driven by H. Rutherford, of San Bernardino, Cal., paced an exhibition mile on the S. S. Bailey track at this city, this afternoon in 2:07¼. She went against her record of 2:08 for a purse offered by the local Fourth of July racing committee, and made good.

The races this afternoon were witnessed by the largest crowd which ever attended a racing meet in this part of the state. All were successful events. The special roadster race, for a silver cup, furnished the closest contest, but the running race aroused the most interest and, as was the case yesterday, The Councillor came through with a pretty victory. Betting was very active on every event. Results:

2:17 trot, mile heats, two in three—Redskin, owned by A. C. Lohmire, of Portland, won two straight heats; Coma, owned by Dr. Young, of Salem, and Dr. Frazer, owned by C. O. Frazer, of Loomis, Cal., divided second and third money, interchanging those positions in the two heats. Best time, 2:20.

BIG DAY IN SPORTS

Chief Events Are Seattle Regatta and Two Fights.

BOAT RACES IN PORTLAND

Tri-City League Teams Will Play on Vaughn-Street Grounds and Flycasters Will Hold Contest of Skill.

TODAY'S SPORTING EVENTS.

At Portland—Motor-boat races at 2 o'clock; Tri-City League baseball game at Vaughn-street grounds, between East and West Portland clubs at 2:30 o'clock; fly-casting contests at Hazel Fern Lake at 2:30 o'clock.

At Los Angeles — International lightweight championship battle between Packy McFarland and Freddie Welsh at 2 o'clock; start of the Trans-Pacific yacht race from San Pedro to Honolulu, with four entries.

At San Francisco—Championship lightweight battle between Battling Nelson and Joe Gans; Portland and San Francisco baseball teams in two games, morning and afternoon.

At Grand Rapids, Mich.—Stanley Ketchel and Tony Caponi in 12-round ring battle.

At Seattle—Pacific Northwestern Amateur Oarsmen's Association annual regatta on Lake Washington.

According to precedent, today should be one of the most interesting occasions of the year for the lovers of outdoor sports, but little in the way of athletic attractions has been planned for this city. The Portland sportsmen will have an opportunity to witness motor boat races on the river, or to attend the Tri-City League game between the East and West Portland teams on the Vaughn-street grounds this afternoon. In addition to these attractions there will be a fly-casting contest held by the Portland Fly Casting Club, at Hazel Fern Lake, but this event will be of interest only to those familiar with fly casting.

While the home attractions are few, the sporting fraternity is keenly interested in events to take place elsewhere. Three ring battles at different places are attracting more than usual attention. The trans-Pacific yacht race from San Pedro to Honolulu is another event widely discussed, and the rowing regatta on Lake Washington, near Seattle, is of more than passing interest in this city because of the Portland oarsmen participating.

Nelson Will Fight Gans.

At San Francisco, Battling Nelson, who once enjoyed the distinction of being the idol of fistiana, is scheduled to meet the peer of all lightweights, Joe Gans, for the second time. Gans is the universal favorite in the betting, and the principal wagers being made are on the number of rounds Nelson will last. Nelson has gone the pace rapidly and while he declares he was never beaten in a ring battle, those who have seen him in his last several appearances are positive that he is not the "battler" of three years ago. He is a fighter pure and simple, and on that account can be expected to give Gans a good battle for a time. But the colored man is his superior in science, generalship and punching ability, and it is on this account that he is such a favorite over the Hegewisch lad.

At Los Angeles, the Packy McFarland-Freddie Welsh bout, which is to be conducted under the auspices of James J. Jeffries, will undoubtedly prove a strong attraction for the fight fans. McFarland is as much of a favorite over the English lad as is Gans over Nelson, but this is due simply to the lack of reputation possessed by the little fellow from across the Atlantic. Welsh came into prominence suddenly and was little known until he secured the match with McFarland. These two little fellows can be depended upon to put up a rattling good mill.

In far off Grand Rapids, Stanley Ketchell is to meet Tony Caponi in a 12-round contest. Caponi has a fair reputation among the Easterners and will probably give Ketchell a good battle.

Yacht Race Across Pacific.

The trans-Pacific yacht race has finally come to be recognized as an event of importance on the Pacific Coast. The contest which starts today is attracting more interest than any previous race. Four white-winged sloops will start at a signal given by President Roosevelt, who, by touching a button in his home at Oyster Bay, will fire the starting gun at San Pedro, and the yachts will start on their 1700-mile cruise. The entrants are the Gwendolyn II of Seattle, Lady Maud of San Diego, Lurline of Los Angeles, and Hawaii of Honolulu.

The Portland Rowing Club's senior four, senior doubles and senior single scullers are to compete at Seattle today for the championship of the Pacific Northwest. Seattle rowing authorities pick the Portland crew as winner in the four-oared event, and justify their opinion with the statement that the Oregon men have had the benefit of better coaching and more experience than their rivals.

The Vaughn-street grounds this afternoon will be the mecca of the majority of the Portland fans, for the East Side team is scheduled to meet its old-time rival, West Portland, in a Tri-City League game. Both teams are well matched and last Saturday played a splendid game, which was won by the West Siders by a score of 3 to 1.

The motor boat races on the river will prove a strong drawing card, for the speedy little river craft are capable of making excellent time, and the rivalry between the owners is intense.

MOTOR-BOAT RACES ON RIVER

Many Fast Entries for Events This Afternoon.

The first motor-boat races under the auspices of the Willamette Motor-boat Club will be held on the Willamette River at 2 o'clock this afternoon. During the past year a large number of new boats have been built or brought to Portland and the interest in this sport has increased phenomenally within a short time.

The events scheduled for this afternoon are as follows:

Race A—For motor-boats whose speed is under 10 miles per hour; course around pier, Morrison bridge.

Race B.—Motor-boats over 10 miles per hour; make distance around pier of Steel bridge twice, a distance of eight miles.

Race C—Scratch, free for all, for boats of Vixen or Happy Heine type; course around light buoy at Swan Island, a distance of about 8¼ miles.

Race D—Scratch, between The Wolff (J. E. Wolff) and Arien II (Roesch); course, make distance around light buoy, Swan Island, twice, a distance of about 20 miles.

The motor-boats entered are: Lonesome, Sport, Judge, Sunny Jim, Alta, Laddie, Honey Boy, Mercedes, Silverheels, Ruth, Artisan, Shell Lake, Elleta, Sterling, Teaser, Happy Heinie, Floedha, Summer Girl, Arien II, Rohame, Van, Flittertail, Sappho, Venus, Rochester, O. Y. C., Kittie, Almo, The Wolff and Vixen.

TRI-CITY TEAMS WILL MEET

East and West Side Nines Will Cross Bats Today.

As a Fourth of July attraction at the Vaughn street grounds this afternoon, the Tri-City League has scheduled the two Portland teams. These clubs met last Saturday and played one of the prettiest games of the season, which resulted in a victory for the West Side aggregation by the score of 3 to 1. The East Siders are anxious to even up this score and will go after the crack West Side team with a determination to win.

Rodney Hurlburt will do the pitching for the East Siders, while the West Portland contingent will depend upon the curves of Southpaw Jack Olney, who pitched against Hurlburt last Saturday. Both are clever pitchers and backed up by such fielders as comprise both teams, a rattling good game should be in order. The game will be called promptly at 2:30 o'clock. The teams will line up as follows:

W. Portland.	Position.	E. Portland.
Olney	P	Hurlburt

POSTPONE BOAT RACES

WATER ON LAKE WASHINGTON TOO ROUGH YESTERDAY.

Portland Crew Favorite in Four-Oared Contest—Ralph Wilbur Is Re-elected President.

SEATTLE, Wash., July 3.—(Special.)—Owing to rough water on Lake Washington all the junior races of the North Pacific Association of Amateur Oarsmen were postponed until Saturday morning.

In both the four-oared races Portland is conceded to have the best chance, with the Vancouver crew a close second for the junior event. In the junior single, all the contestants are well matched, with all of the Portland scullers a slight favorite, but in the senior singles, Laing, of Vancouver, is the favorite over Glass, of Portland, and Desbrisay, of Nelson, a close race being looked for by those best posted. In the doubles, there is no entry from Portland, and there is little to choose between the Vancouver, Victoria and Nelson entries, the latter, however, being picked to lead the junior race.

At a meeting of the delegates to the association, Ralph W. Wilbur, of Portland, was re-elected president; H. W. Kent, of Vancouver, secretary and treasurer, and the old standby of the Victoria Club, D. O'Sullivan, vice-president. The 1909 races will be held at Seattle, providing suitable arrangements can be made.

SELLINGS TO PLAY OPTICIANS

Amateur Teams Will Meet on Professional Field Tomorrow.

The Ben Selling baseball team and the Portland opticians will engage in a game of baseball at the Vaughn-street grounds at 9 o'clock tomorrow morning. The Sellings are a crack amateur team, and have made a fine record this season, while the opticians are rated as formidable opponents. The clothiers have just received their new uniforms.

The game will be started promptly on time and no admission will be asked. The teams will lineup as follows:

Ben Sellings.	Position.	Opticians.
Watrous	C	Fontana
Berger	P	Watfield
Stutt	1. B	Y. Thompson
Politz	2. B	Franzke
Michel	3. B	Mills
Burns	S. S.	Wetherton

Evans	C. F.	R. Cummings
Lavery	R. F.	A. Thompson

Portland Hunt Club Picnic.

The Portland Hunt Club will observe the Fourth with a picnic at the ranch of James Nicol, one of the most enthusiastic members of the organization. The members are invited to ride to the ranch and the start will be made at 3 o'clock in the afternoon. A paper trail will be laid from the Ford-street bridge to the Nicol ranch.

BOATS START TODAY

Course Is From San Pedro Across Pacific to Hawaii.

FOUR YACHTS TO COMPETE

San Diego, San Pedro, Seattle and Honolulu to Be Represented by Various Respective Entries.

SAN PEDRO, Cal., July 3.—One hundred thousand people, gathered to participate in the most notable celebration of the Fourth of July to be held in Southern California, will tomorrow witness the start of the ocean yacht race from this port to Honolulu. The signal gun will be fired at noon and, if arrangements can be made, the word to fire will be flashed by President Roosevelt, at Oyster Bay.

Four yachts will participate in the event, which is regarded as the classic of Western waters and which was revived this year after early preparations had been abandoned. As each yacht carries the hopes of a city fronting on the Pacific, the race will be watched with interest, not only along the length of the Coast, but also from the Hawaiian Islands, where the race ends.

The Hawaii, built and sent across the Pacific for the race by the Hawaiian Yacht Club, will be commanded by Captain H. J. Harris. The yacht, designed by B. B. Crowninshield, is 72 feet over all, 52.6 water line, 16.10 feet beam and draws 10 feet.

The Lady Maud, carrying the colors of San Diego Yacht Club, is yawl-rigged, estimated at 65 feet over all and 60 feet at the water line. She will carry Wilbur Kyle, her chief owner and will be navigated by Captain L. B. Harris.

Seattle is represented by the Gwendolyne II, which was entered on very short notice. She is the smallest contestant, measuring 49.9 feet over all; 39 feet at waterline, 13.6 beam and 7.8 draught. She will be commanded by Captain Joseph Redfern, and her owners, Dean and Lloyd Johnson and Henry Henke, will serve as members of the crew. The Gwendolyne will fly the colors of the Elliott Bay Yacht Club.

Representing the South Coast Club is the Lurline, owned and sailed by Commodore H. H. Sinclair. She was built in 1883 and captured the ocean race of two years ago. She measures 85.10 over all, 73 feet on water line, 23.3 feet beam and draws 10.7 feet. Because of her size, the Lurline will be scratch boat, allowing the Gwendolyne about 18 hours and the Lady Maud and the Hawaii about eight and one-half hours each. Despite the handicap, the Lurline is favored by local yachtmen as having the best chance.

Change of Hours in Circuit Court.

The Circuit Court is to convene at 10 A. M., beginning next Monday, and continuing until September. At other times in the year it convenes at 9:30 A. M. The hours will be 10 to 12 A. M. and 2 to 4 P. M. During the Summer vacation months only urgent matters, such as writs of habeas corpus, injunction and mandamus proceedings, and default divorce cases will be tried.

Judge O'Day will be presiding judge from July 6 to July 20, Judge Bronaugh from July 20 to August 3, Judge Cleland from August 3 until August 17, and Judge Gantenbein from August 17 until the Fall term. Only one session of the Juvenile Court will be had each week during July and August, Friday afternoons at 2 o'clock.

Twenty Injured in Wreck.

NORWALK, O., July 3.—Later reports from the accident on the Lake Shore line two miles west of this city say that 20 persons were injured, but none seriously, in the wreck.

THE FIRST BOTTLE.

In every household should be a bottle of Lane's Kidney and Backache Medicine. The Kidneys are of greatest importance in protecting and maintaining the health of every human body. But because of the very nature of their work they frequently become clogged and need help to free themselves from impurities. If they are not assisted they work imperfectly and disease results. These are some of the kidneys' warnings: Pain in the back, loss of appetite, swelling in the lower limbs, pains in the calves of the leg, swelling and pain in the right side, dizziness and blurred eyesight. If these warnings are promptly heeded it's easy to set the kidneys going properly. A few doses of Lane's Kidney and backache Medicine always gives relief. It is the very best specific for kidney troubles—safe and sure—purely vegetable—guaranteed under the pure food and drugs law. If you have any sort of kidney trouble get a bottle immediately. The Scientific Treatment of Weakness

Dosing the system with powerful stimulants and tonics in an effort to restore functional vigor can have but one final result: The condition is rendered worse than before. "Weakness" is merely an indication of a low form of inflammation in the prostate gland, and this inflammation is but aggravated by stimulating remedies that excite temporary activity. I employ the only scientific and fully effective treatment for "weakness," which effects a permanent cure by restoring the prostate gland to a sound and healthy state. I obtain complete results in every case I treat.
