Expects to Treat of Subject in Speech Accepting Nomination-Hitchcock in New York to Select Headquarters.

HOT SPRINGS, Va., July 13.-Judge Faft was shown the statement given out by the Taft Industrial headquarters In Chicago concerning the "anti-injunction plank" of the Republican platform adopted at Chicago.

adopted at Chicago.

"I know nothing of the statement to which you refer," said Mr. Taft. "My views on the subject of injunctions have been expressed in my addresses, but I have neither made nor authorized on my behalf any expression on the subject since the Chicago convention. What may be said by some advocate of mine, based on my opinions or my speeches of course I cannot say, and could not now be expected to comment on. I expect to treat of the general subject in my speech and letter of acceptance."

letter of acceptance."

Tomorrow Mr. Taft will begin dictating his speech of acceptance and will be so engaged during the coming week. He has not yet prepared a line of his speech. although he has considered various parts of the document and talked with some of his callers about it.

NEVER HEARD OF STATEMENT

Hitchcock Thinks Chicago Publica tion Without Authority.

WASHINGTON, July 13.-Frank H. Hitchcock, chairman of the Republican National committee, had his attention brought this afternoon to the publication in a Chicago newspaper which was rein a Chicago newspaper which was re-ported to be an unauthorized statement, leaned by the industrial headquarters of Judge Taft's views on the anti-injunc-tion plank of the platform. Mr. Hitch-cock said he had never heard of the statement before and he certainly would have been advised had any such state-ment been authorized by Judge Taft. He declined to make any comment on the ned to make any comment on the macy of the statement with regard adge Taft's position in this import-

ant matter.
It is recalled by Judge Taft's friends It is recalled by Judge Taft's friends here that while Secretary of War, Mr. Taft not infrequently expressed himself with great cander upon the subject of the proper employment of the power of the legal sceney known as the injunction in disputes between employers and employes. They point out that the judge in several public speeches, notably one in Boston, indicated his belief that the existing court practice should be regulated so as to admit of the trial of contempt cases before other judges than those issuing the writ, and that in other respects he was in favor of liberalizing respects he was in favor of liberalizing court practice in the interest of labor, news?, however, going to the extent of sametioning the right of suspension of such writs of injunction without notice in cases where such action was necessary to prevent violence or destruction of tangible property.
