Bernard Scored for Rowdy Tactics That Cause Whaling to Miss Foul.

GRAY NOT UP TO FORM

Los Angeles Twirler Passes Six Beavers, but Team Has Batting Slump and Is Defeated, 6 to 3.

PACIFIC COAST LEAGUE. Yesterday's Results. Los Angeles 6, Portland 5. San Francisco 12, Oakland 2.

BY W. J. PETRAIN.

Portland's new southpaw pitcher, Jack Graney, made his debut yesterday, and one had in mind the fact that he was the first game of the new series between the home guard and the rowdy bunch from the Southland.

The crowd blessed and Graney lost his man, for he passed the "Rube," opening the way for the slaughter that followed. Delmas laced a fly to the bench, which McCredie kicked about long enough to allow the "Rube" to reach third. "Happy" Hogan, who had also made himself obnoxious by coaching from the bench, then laced a line drive which Johnson cleverly captured with one hand and threw Delmas out at first completing a double-play.

Score With Two Out.

With two out, this should have dispelled the gloom but Dolly Gray succeeded in connecting with a fly ball for two bases and Ellis scored the first run. Bernard was hit by a pitched ball, and George Wheeler, who is old enough to be retired on a pension, was hit by a line drive which Johnson cleverly captured with one hand and threw Delmas out at first completing a double-play.

Graney Made an Excellent Impression.

He is cool and collected and seemingly has some mystery about his pitching. Outside of the one bad inning, Los Angeles was never dangerous in spite of the fact that Graney had men on the paths quite a number of times. His wildness. All told he walked six men and hit one. Gray did nearly as badly in this line, passing six Portlanders to first. Had the Beavers been hitting as usually their custom, the visitors would not have had a look in even with their six runs.

Portland Secured One Lone Single Off Gray in the Sixth Inning.

Portland secured one lone single off Gray in the sixth inning, which was the only run in that time. The first was chased over in the initial canto. Casey went out. Ryan was passed and stole second. Johnson was hit by a pitched ball and smashed a corking single to center which gave Ryan his incentive to score. In the fourth Danzig walked, and took second on Bassey's sacrifice. Gray attempted to catch the big fellow, while Madden was at bat, the latter having been sent in to hit in place of Whaling.

Another Battle Was Started in the Ninth, but as Madden's out scored Rattery, and Bassey followed with another out chasing Johnson over.

McCredie secured a fluky hit, but was tossed out on an attempted steal while Madden was at bat, the latter having been sent in to hit in place of Whaling.

Mike started the shiftless work in centerfield by missing a fielder's choice, Breaino followed by letting two through the gate, filling the bases. Seattle filled the bases in the first, with none out, but couldn't score. In the second, with the bases full, Mundorff threw wide to the plate, allowing Graham to score, and in the fourth Fortier doubled and scored on Carney's hit. In the fifth Cahill's line drive struck on top of the fence, and the Indians had offered allowing him to make the circuit for the last run. Score: Seattle, 3; Vancouver, 2.

AMERICANS WIN AND CUT RECORDS

Share Honors of Olympic Games With Britons on Second Day.

GREAT HAMMER-THROWERS

Flanagan Breaks Former Olympic Record—Shephard Chagrins Confident Britons by Winning the 1500-Meter Race.

LONDON, July 14.—America and Great Britain captured most of the laurels in the first real business day of the Olympic sports. Twice the Stars and Stripes fluttered to the top of the staff in the center of the stadium, and the American enthusiasts, who monopolized a section of the stadium, waved their flags and broke out in cheers which, in a smaller field, would have been deafening. The honors were nearly even, for of the four events finished the United States and the United Kingdom each won two gold medals. Great Britain, however, took three silver medals, while America got only one. Canada, Australia, Great Britain and Belgium each obtained a bronze medal.

Flanagan Opens Their Eyes.

The Yankees had the hammer-throw to themselves, as had been expected, and the performance of John J. Flanagan, of the Irish-American Athletic Club, in breaking the Olympic record with the hammer and the almost equally good record made by M. J. McGrath, of the New York Athletic Club, were eye-openers to the foreigners.

When the result was announced, it being the first final of the fourth Olympic, the Stars and Stripes were run up

the American competitors in this event. The British pedestrians had their own way in the race and let the Englishmen take the lead. Shephard sprited the last 100 yards, and passing his competitors, crossed the tape 1 1/2 yards ahead of Wilson. The American was only being Wilson. Tait of Canada finished fourth. The runners held well together until the last 100 yards.

To add to the satisfaction of the Americans, the judges announced that G. W. Gaidzick, of the Chicago Athletic Club, had done the best work of his fancy diving. The British pedestrians had their own way in the race and let the Englishmen take the lead. Shephard sprited the last 100 yards, and passing his competitors, crossed the tape 1 1/2 yards ahead of Wilson. The American was only being Wilson. Tait of Canada finished fourth. The runners held well together until the last 100 yards.

The other interesting number on the programme today was the 600-yard cycle race, which was secured and the United Kingdom won six, France three and America one, her only entry being Cameron; Holland, Canada, Africa, Germany and Belgium, one each. The Canadians, who were expected to make a good showing in this heat, failed to appear. The final will be contested tomorrow by the three first men of each team.

The games were as bewildering to watch as a three-ring circus. At one time a dozen bicyclists were wheeling along the outer edge of the oval, while 20 runners were racing on the cinder path just inside of it, swimmers with bright-colored caps were splashing through the water tank, and on the green sward within, members of the Danish and German gymnastic clubs, arrayed in glaring white uniforms, were performing spectacular feats on the horizontal and parallel bars and giving exhibitions of callisthenic drills. Judges, scorers, trainers, timers and rubbers of many nationalities represented swarmed everywhere.
