Big Brooklyn Party Spends Day in Portland.

ON TOUR OF NORTHWEST

Visitors Are Guests of Commercial Club for Trolley Ride to Near-Points of Interest—Admire Council Crest.

A party consisting of 10 representative business men of Brooklyn, N. Y., accompanied by their wives and families, arrived in Portland at 7:30 o'clock yesterday morning in their special train of nine cars, spending the day in Portland, and leaving for Tacoma at 11:30 o'clock last night. The party is traveling under the auspices of the New York Central Railroad.

W. C. Seachrest, North Pacific Coast Agent of the New York Central line, met the party at Ashland and will accompany it as far as Spokane on the return trip. The excursion left Brooklyn on July 2 and will reach home on August 1, after having visited the principal points in California and the Pacific Northwest and Yellowstone Park. The trip is being made under the direction of T. W. Meyer, a prominent merchant of Brooklyn.

During the day the members of the party made their headquarters at the Oregon Hotel, where at 8 o'clock a committee of the New York State Society called upon the visitors and welcomed them to the city. The committee was composed of the following:

Miss Hilda M. O'Byrne, Charles C. Fisher, Judge D. J. Haynes, Mrs. J. Mabel Miller, Mrs. F. D. Chamberlin, Mrs. E. T. Taggart, Miss Ella Hubbs, Delos D. Neer, Herbert B. King, Thomas O. Hague. Later the tourists were the guests of the Portland Commercial Club on a trolley ride to points of interest. The visitors were much impressed with the view from Council Crest and the Forestry Building also elicited expressions of appreciation from the travelers. The members of the entire party inspected the new quarters of the Commercial Club at the conclusion of the ride. Some regret was felt by the visitors because the excursion in Portland occurred on Sunday. Ever since the itinerary was planned, Manager Richardson of the Commercial Club has endeavored by correspondence to have the Portland date changed. This, however, could not be done. During the afternoon a committee composed of Dr. Luther R. Dyott, Dr. Henry Waldo Coe and E. L. Thompson called at the hotel and invited the members of the party to attend services at the First Congregational Church.

TO ABATE WATER SHORTAGE

PLANS MADE TO DIVIDE MOUNT SCOTT DISTRICT.

Plans Made to Divide Mount Scott District.

The plan to abate the water shortage in the Mount Scott district is to divide the district served by the Woodmere Water Company into four sections, as nearly equal as can be done, and then each district may use water for irrigation for one hour, beginning in one district and passing on through all four, so that the whole district is not drawing water at the same time. People living along the Foster road, near the larger main, are asked to limit their use of water. A special committee, appointed at the mass meeting Friday night, will arrange for this division with George Brown, president of the company. The success of this plan depends on the cooperation of all the people, and a few can defeat it altogether by refusing to comply. It is a temporary arrangement, to tide over the shortage during the hot weather. As soon as the season for irrigation ceases, there will be water for domestic purposes for all.

YAKIMA WANTS WIDOW

Charge of False Pretenses Pending Against Gipsy Woman.

NORTH YAKIMA, Wash., July 19.—(Special.)—The murder, in California, of Edward Butler, a gipsy, has revealed the whereabouts of Rebecca Butler, the dead man's wife, who has been wanted here since last fall for obtaining from Brighton Uhl, an old rancher of Selah, \$300 under false pretenses. The money was obtained by the gipsy confidence trick and Uhl searched for the woman all over the Sound country without success. The woman is held by the Sheriff in Mendocino County, California, as a witness in the murder case.

The Star Brewery's famous Hop Gold beer is unexcelled in all respects and is highly recommended for its strength and health-giving qualities. Orders for bottled beer receive prompt attention. Phone East 48. Home phone B 1146.

Leave After Brief Visit

Five well-known New York politicians and district leaders, accompanied by Richard J. Whalin, Secretary of State; Patrick J. Walsh, Supreme Court Justice; Newberger's secretary and well-known athlete, "Big Jim" Foley, a personal friend of the Tammany leader, Charles F. Murphy; James J. Hoey, Assemblyman for the Thirteenth District, and Municipal Court Clerk Michael Skelly.

Mrs. Seip is Reinstated

That the charges preferred against Sophia B. Seip in the Circuit Court by Green C. Love cannot be supported, in view of action taken yesterday at a meeting of the Ministers' and Mediums' Protective Association, is the statement made by Mrs. Seip. This action, taken in open meeting at the Auditorium, was the rescinding of a resolution signed by four of the officers of the association, ousting Mrs. Seip from membership. The resolution was signed several weeks ago. A number of delegates elected to the state convention last year are reinstated in the medium's association by yesterday's action of the body.

MAKER OF MEN'S CLOTHES

Once in a while comes a hot day when the aroma of the frying steak seems too heavy and pronounced. The sizzling chop won't appeal to you. Well, at Smith's you can find dozens of different cuts of meats which, if given the correct method of cooking and a little forethought, will tempt the appetite and be eagerly relished these warm days. Is there anything better than Roast Beef sliced cold? It's delectable the year round. Smith can give you Prime Rib Roast Beef at 10c and 12 1/2c per pound. The Beef Trust markets charge from 18c to 25c for the identical cuts. If you want cheaper cuts of Beef you can have them at 6c, 7c and 8c. They are cheap in price only, for the quality of Beef that Smith is serving nowadays is superb and cannot be found outside of Smith's four markets. We are selling Beef for soup at 3c per pound. It makes nourishing meat jellies. Corned Beef sliced cold is a general favorite. Smith sells Plate Corned Beef and Brisket Corned Beef at 6c per pound and Rump Corned Beef for 8c. Let us tell you of an appetizing tid-bit. Take a Brisket of Beef at 5c per pound or a neck of Beef at 5c per pound; cook slowly and when very tender put the meat through the grinder. Season with salt, pepper, onions and either dill pickles or your favorite variety, and you have the most delicious sandwich filler you ever tasted. No porch party or picnic lunch will be a success without it. Remember, in buying these meats, you must come direct to Smith's. The market just to the right of us on Alder street belongs to our opponents and does not carry our fresh Oregon meats. See that Smith's name is on the door and then come in.
