National Committeemen Make Selection at Close of Conference in Colorado Springs—Chairman Hitchcock's Busy Day.

COLORADO SPRINGS, Colo., July 21.—The Inter-Mountain Republican conference came to a close today with a dinner given by Frank H. Hitchcock, chairman of the Republican National committee, to the members of the National committee and state chairmen who have been here for the past three days.

Tender Hitchcock Talks. Resolved, That the thanks of the Republicans of the States of Kansas, Nebraska, North Dakota, South Dakota, Wyoming, Colorado, Utah, Idaho, Nevada, Montana, California, Oregon, Washington, Oklahoma and Texas and the Territories of New Mexico, Arizona and those representatives at this conference are due and are hereby specially tendered to Mr. Hitchcock, chairman of the Republican National Committee, for the great interest he has taken in his party in the West and for the assembling of this conference.

Telephone to Mr. Sherman. The dispatch to the Republican Vice-Presidential candidate was signed by Representative George W. Cook and W. A. Hargrett, of this state, and Fred McGulre, of Oklahoma, and was as follows: "Chairman Hitchcock and party send congratulations from Pike's Peak summit. Your honor has won the highest telegraph station in the world amid tumultuous cheers."

Hitchcock Is Retiree. Mr. Hitchcock insisted that he could not discuss the plans. He declared that the conference had been very successful in every way, but particularly through the good-fellowship established among the men who are depended upon to do the real work in the West and the spirit of enthusiasm that has been aroused.

Plans a Busy Week. Mr. Hitchcock has a busy programme mapped out for the next week or ten days. He will reach Chicago on Thursday night and will meet several leaders of the Central states with whom he has already had engagements. He may decide to have a general conference there to be attended by as many of the National Committeemen and state chairmen from the Middle West states as can be reached before leaving on the morning of July 27 for Cincinnati to attend the ceremonies of notifying Judge T. A. McBride of his nomination for President on the Republican ticket.

Chicago the Seat of War. CHICAGO, July 21.—Chicago will possibly be the Republican Congressional committee's headquarters, as well as the center of activity for the Presidential ticket. A conference of the Congressional leaders was held yesterday at the Union League Club and another meeting will be held late in the week. Speaker Cannon, Congressman William B. McKinley, Congressman Henry C. Loudenslager, of New Jersey, and Senator James Hemenway, of Indiana, were present.

Tacoma Educator Dies. TACOMA, July 21.—Albert H. Heath, aged 44 years, dean of Whitworth College of Tacoma, is dead following an illness of several months. He was a graduate of Oxford, winning a Bishop's prize, a high honor, in 1885. He leaves a widow and four sons.

The Lambert (London) Board of Guardians has decided that no outdoor relief should be given to widows during the first six months of widowhood if they have a layable funeral and insuring any money received from a club, insurance society or other source.
