SITUATION ROSY, ROOSEVELT'S VIEW

President Confers on Politics With New York and Ohio Leaders.

BUT WILL NOT INTERFERE

Discusses New York Affairs With Woodruff as Bearing on National Result—Loomis Sizes Up President Castro.

OYSTER BAY, July 29.—"President Roosevelt is very much pleased with the present situation in general," said one of the participants in the conference at Sagamore Hill this afternoon, as he was about to depart for Oyster Bay. He explained that the President is taking nothing for granted and is anxious to see the Republican party everywhere working its hardest for the election of W. H. Taft.

For over three hours today the President was in conference with Timothy L. Woodruff, chairman of the New York State Republican Committee, and Francis B. Loomis, of Ohio. The general political situation in the entire country was discussed by the President and his visitors. Very little more than this could be learned after the conference was over.

Let Local Politics Alone.

Mr. Woodruff said they had talked over the National political situation and discussed the state situation only so far as it had a bearing on the National situation. He said that the candidacy of Governor Hughes for renomination was talker over the same as the other possible candidates for nomination. The President had told them, he said, that he would not interfere in local politics. Mr. Woodruff declared that he had not come to Oyster Bay to talk with the President regarding the candidacy of Mr. Hughes.

Mr. Loomis said he had been asked to come to Oyster Bay to talk over the National situation with the President. He had informed Mr. Roosevelt regarding the situation in his home state, Ohio. He believed the outlook was very favorable.

Mr. Loomis is one of the American commissioners to the Japanese exposition in Tokio. He said he would leave for Japan in September by the way of San Francisco. On the way he will stop at the Hawaiian islands to endeavor to interest the Hawaiians in the exposition.

Loomis' Opinion of Castro.

The President talked with Mr. Loomis on the Venezuelan situation. Mr. Loomis said, as minister to Venezuela for three years, he became well acquainted with President Castro and his methods. He said it seemed very much as if Venezuela was looking for trouble but he did not know of any contemplated move on the part of the United States to take definite action in regard to Venezuela. He could not understand why President Castro was antagonizing so many foreign countries. Castro, he said, is very cunning, but not cunning enough to escape punishment from these countries.

IS NOT ONE OF ROBBERS

Business Man of Klamath Falls Erroneously Implicated.

KLAMATH FALLS, Or., July 29.—(Special.)—W. H. DuLeamy, a business man of Klamath Falls, was not in any way connected with the preliminary hearing of J. B. Melton, Milton E. Hale and William Thompson, the men who are held under heavy bail, charged with robbery of the Schallock & Daggott store last Friday night.

It was erroneously stated in dispatches reporting the robbery that a man by the name of DuLeamy had been apprehended.

It is alleged that J. B. Melton made threats against the person and property of W. H. DuLeamy as a result of an altercation between the men. A watchman employed by DuLeamy observed the men under arrest on the street during Friday night and the evidence of Watchman John Lambert was very material in the preliminary hearing.

METEOR SEEN NEAR EUGENE

Lights Up Surrounding Hilltops and Lands to North.

EUGENE, Or., July 29.—(Special.)—This morning at about 2:15 a brilliant meteor is said to have passed through the heavens north of this city. Those who saw the meteor were Nightwatchman Bonney, Mailcarrier Reid and Fred Callison.

They report the meteor in appearance like a huge ball of fire, descending almost perpendicularly and apparently striking not far north of Eugene. Sparks appeared to fall from the mass of fire, and the trees on top of Skinner's Butte were strongly illuminated by the meteor as it passed out of sight beyond the hill.

NOMINATED FOR PRESIDENT BY INDEPENDENCE PARTY

THOMAS L. HISGEN.

CHICAGO, July 29.—The newly-formed Independence party was threatened with a dangerous schism during the debate on the currency plank of the party's platform. So serious did the situation become that several party leeaders not members of the committee were sent for in an effort to bring the recalcitrant members into line. William R. Hearst and Gesner Williams, of California, appeared before the committee, the former making an extended statement in explanation of the position taken by the February conference of the party on the platform.

The plank, as corrected and adopted by the convention, "favors the establishment of a central Government bank, which institution is to be the medium through which money shall be put into general circulation."

The measure is a compromise, the more radical members of the committee having favored a declaration that the money should issue directly from subtreasuries of the United States, which branches of the Government should be established in each capital, and, perhaps, in addition in the chief business centers of the country.

FIGHT FOR HONORS

Spanish Queen Wins Day Against Fleming Boy.

FOR DETROIT'S BIG RACE

Has Narrow Escape From Defeat by Alceste, After Forcing Favorite to Break and Lose Two Heats.

DETROIT, Mich., July 29.—With three out of six starters winning heats, the 1908 renewal of the Merchants' & Manufacturers' trotting stake proved one of the hardest fought since the institution of the event in 1889. Spanish Queen, owned by George H. Estabrook, of Denver, won first money under the five-heat plan, although the old-fashioned system would probably have given the honor to Alceste, driven by Geers. Fully 12,000 people turned out.

Favorite Loses by Breaking.

Fleming Boy, in the stable of Dean, whose entry won the Chamber of Commerce stake, was a strong favorite. Fleming Boy led all the way in the first heat, finishing an easy winner, while Spanish Queen barely saved her distance after a break. Next time Spanish Queen acted finely and, collaring Fleming Boy at the three-quarters, came so fast that he broke and gave her the heat. The third heat was a repetition. Fleming Boy was leading past the three-quarter pole and left his feet in the stretch, Spanish Queen jogging home.

Fleming Boy showed them the way in the fourth mile, breaking again in the stretch, and this time when Spanish Queen came by she was attended by Alceste, that mare beating her by half a length. Spanish Queen took the lead at the half in the fifth heat, as Fleming Boy was tired, and again in the stretch Alceste rushed and beat her in the last few yards. Summary:

Summary of Results.

2:15 pace, purse $1000, three in five—Arthur J won three straight heats in 2:08¼, 2:07¾, 2:09. Star Patch, Miss Castle, Shadeland, Nuilear, Our King and Gene Whitcomb also started.

Merchants and Manufacturers' stake, $10,000, 2:24 trot, three in five heats—Spanish Queen won the second and third heats and the race in 2:07¼, 2:08. Alceste won the fourth and fifth heats in 2:07¼, 2:07¾. Fleming Boy won the first heat in 2:08. Bonnie Way, Vandetta and Florence C also started.

2:10 trot, purse $1000, two in three heats—Hamburg Belle won the first and third heats in 2:03¼, 2:07¼. Sterling McKinney won the second heat in 2:14. Susie N, Chimes Bell, Munle, Gold Bur, Miss Adbell and Mochester also started.

2:09 pace, purse $1000, two in three heats—Red Bow won two straight heats in 2:04¼, 2:05. Charley Hal, Brenda Yorke, Miss Georgia, Leslie Waterman, Raoul, William C. Russell, Shaughran, Major Brino and Arrow also started.

PURSUE ATTACK ON STANDARD OIL

Government Will Ask for Reargument and Suits Will Be Pressed.

NO REBATERS WILL ESCAPE

Conference With Bonaparte Results in Unanimous Decision—Attorney-General Denounces Fiction About Prentice Dinner.

LENOX, Mass., July 29.—After an all-day conference of the leading Government prosecuting officers and Frank B. Kellogg, of Minnesota, one of the special counsel for the Governemnt in certain civil suits, it was announced by Attorney-General Bonaparte today that an effort would be made to secure a revision of the recent decision and opinion of the United States Circuit Court of Appeals in the case of the Standard Oil Company of Indiana and that an application for a reargument of the case and a motion for a modification of the opinion would be submitted to that court. Although no time is fixed, this action will be taken at the earliest possible moment, and the pending prosecution against the Standard Oil Company and all other prosecution in which the giving or receiving of rebates is charged will be pressed to trial.

Lawyers of One Mind.

The decision to take this action was unanimous on the part of five men whom the Attorney-General called to the conference, namely, Solicitor-General H. M. Hoyt, of Washington; Edwin M. Sims, of Chicago; United States District Attorney for the northern district of Illinois; James Wilkerson, of Chicago, Mr. Sims' assistant, and Frank B. Kellogg, of Minnesota.

In discussing the various aspects of the case, Mr. Bonaparte took occasion to refer to the report published in certain newspapers to the effect that W. Parmelee Prentice, the son-in-law of John D. Rockefeller, had given, or was to give a dinner to the Attorney-General, Mr. Rockefeller and Judge Grosscup. Mr. Bonaparte said in this connection.

No Dinner With Prentice.

"I have not the pleasure of Mr. Prentice's acquaintance. I did not know that Judge Grosscup was here until after he had left, and the dinner is entirely a figment of a lively imagination. During a political campaign one must expect stories of this character, and it would be unnecessary and perhaps indecorous to characterize them properly. Barring its other merits, the talk is wholly free from any taint of truth."

Mr. Sims and Mr. Wilkerson left during the afternoon for Chicago, followed an hour later by Mr. Hoyt, who started for Washington. Mr. Kellogg will remain until tomorrow, but the main part of the conference was finished today.

RIDERS' THREATS ARE VAIN

Willson Will Seize Campgrounds for Kentucky Troops.

FRANKFORT, Ky., July 29.—The threats against railroads or individual property-owners on whose land state guardsmen encamped while on duty will not affect the state officials in selection of camps, according to a letter sent to Vice-President Rawton, of the Illinois Central Railroad, by Governor Willson. The letter was in response to a letter from Mr. Rawton informing the Governor that the Illinois Central had received notice that, if it permits troops to be encamped on its right-of-way, all trains of the company will be derailed. In his letter the Governor says:

"There has been an attempt to prevent the commonwealth's forces from performing their duties by refusing them a place to stay or by making others afraid to let them stay on their premises or to buy provisions. Services of the commonwealth are above private right and they can take places to rest and camp without consent, after previously tendering compensation, so that, if your right of way is the most suitable place to have a camp, it will be the officers' duty to locate there."

Railroad Admits State's Right.

CHICAGO, July 29.—"The Governor's position is quite correct," said Vice-President Rawton, of the Illinois Central Railroad, today, when shown Governor Willson's letter. Mr. Rawton said:

"When I received threats that trouble would ensue if the Kentucky militiamen encamped on our land, I sent the information to Governor Willson, not as a protest, but for his information. If the Kentutcky soldiers deem it wise to encamp on our lands, the Illinois Central has no objection."

THE OREGONIAN AND BIBLE

Pioneer of Eugene Appreciates Early Receipt of Paper.

EUGENE, Or., July 29.—(Special.)—M. T. Awbrey, one of the well-known pioneers of Lane County, was one of the first to express his appreciation of the change recently made in the delivery of The Oregonian here from the afternoon to the morning of the day on which it was published.

"I have taken The Oregonian since the first issue was published, that was before it was a daily paper, and in the early days I used to wait sometimes several days before getting my paper, and to have it before breakfast, the same as if I were living in Portland, is better service than I ever supposed we could get here at Eugene, and I'm sure we could ask nothing better.

"I have missed only about eight weeks of The Oregonian since I began taking it, and that was one time when I went to British Columbia, and now that my eyes are not as good as they used to be, The Oregonian and my Bible are about all I get to read."

For years back the Eugene Oregonian agents recall Mr. Awbrey's habit of always coming to the office and paying for the paper in advance.
