PARKER ON TARIFF

Declares Revision One Great Question of Hour.

WARM PRAISE FOR BRYAN

Quondam Democratic Candidate Calls for Cutting Out of Corporate Campaign Contributions as Core of Evil.

LOS ANGELES, Cal., Aug. 5.—Alton B. Parker, Democratic candidate for President in 1904, delivered his first speech of the present campaign in behalf of William J. Bryan and John W. Kern before an audience of 2000 people at Temple Auditorium tonight. He said:

We have at the head of the Democratic ticket two men of character well known, one of whom is especially well known, and who, in season and out, has fought against the relations between Government and corrupt corporations. And with him is associated a man whom I have known personally since 1895, and who, in my judgment, is in every way worthy of his associate, and who, in case an emergency of the kind should arise, which God forbid, would be in a position to take up the standard and carry it on.

The reference to Bryan was received by the audience with great enthusiasm. Cheers for the candidates came from all parts of the hall.

Tariff Great Black Cloud.

Speaking upon the issues of the campaign, Mr. Parker devoted practically his entire speech to the tariff, which he denominated "the one great question of the hour" and the subject of campaign contributions by corporations. Upon these subjects he said:

There is one great question of all questions to be solved by the electorate in the coming campaign. Many years ago a small black cloud appeared upon the horizon of this country. It was a small one, but it has grown now to one of giant and menacing proportions. A tariff was imposed for the ostensible protection of infant industries, which has been extended and enlarged until under it has grown up a system which now has the country completely within its grasp. The steel industry, under the guise of building up a business, has levied a frightful tribute upon all the people. The great majority of our people, struggling perhaps with a daily pittance, have been compelled to pay tribute to those giant corporations.

Strike at Root of Evil.

How is that against the interest of the people a party in power for more than 50 years has been able to shut its eyes to the fact that the people have been persistently robbed by means of a statute which this party enacted, but which it has not had the courage to change? What does it mean when Republican managers go to the managers of corporations, hat in hand, and ask donations of $50,000? What is the agreement? It is that the parties receiving the money will take care of the parties giving the money.

Continuing, Mr. Parker said of campaign contributions:

This alliance between corporations and Federal officials is one that must be stopped or we will go down. You need not talk of the Republican party's doing it, for it is plain from their record that they will not. If we will live, we must do away with this rottenness. Cut it out to the core. The issue is pressing. We must do it now. The duty of every citizen is plain and there is no doubt as to which of the two National tickets he should support.

AGREES TO SPEAK AT ST. PAUL

Bryan Receives Pledge of Support From Johnson's State.

FAIRVIEW, Lincoln, Neb., Aug. 5.—Of more than unusual significance was the visit to Fairview today of Frank B. Lynch, of St. Paul, Democratic National Committeeman from Minnesota, and manager of Governor Johnson's campaign for the Presidential nomination at the Denver convention. Mr. Lynch arrived about noon, in company with B. F. Nelson, of Minneapolis, president of the State Fair Association. His presence at Fairview was at the special request of Mr. Bryan. He lost no time in conveying to the Democratic nominee Mr. Johnson's assurance of loyal support of the Democratic ticket and intention to take the stump in Mr. Bryan's behalf.

"There is no animosity toward Bryan in Minnesota," said Mr. Lynch. "While I do not promise that the Democrats will carry Minnesota this year, I think they have a good chance."

Mr. Lynch declared that nothing rankled in Mr. Johnson's heart because he was defeated for the nomination.

"He feels all right about it," said he, "and all Minnesota Democrats are for Bryan."

The business which brought Mr. Nelson to Fairview was to invite Mr. Bryan to attend the State Fair in St. Paul and deliver an address. The invitation was accepted, the date being fixed at August 31, but with the understanding that there should be no charge for admission to the grounds on that day. The St. Paul speech will be the only one that Mr. Bryan will make in Minnesota during the campaign. The subject to be discussed will probably be the tariff.

JEWELRY BURGLAR INSANE

FRED HAMILTON SENT TO PRIVATE SANITARIUM.

Although Former Athlete Is Deranged, Charge on Which He Was Held Is Not Dismissed.

Fred Hamilton, the ex-football player, was sent to Dr. Williamson's Sanitarium yesterday afternoon, Judge Webster having signed the commitment, which pronounces the former athlete insane. Notwithstanding that he has been sent to the hospital for the present, the charge of burglary upon which he was held at the County Jail, has not been dismissed. The order committing Hamilton to the sanitarium was issued after the County Judge had consulted with District Attorney Cameron, and the latter had examined Hamilton.

Asked why the charge is still held against Hamilton if he is insane, Judge Webster said he held a different view on the insanity question from that of some people. He said that he believes a man may be a candidate for the asylum and still be responsible for the commission of crime, for instance burglary. He said that great caution should be exercised in cases where a man is charged with a crime and insanity is pleaded in his defense.

"But Hamilton seems to be in such a condition as to be entirely irresponsible," he continued. "I have decided to send him to the sanitarium, where his relatives will bear the expense of the treatment. It may be that his health will mend under proper treatment. The man is afflicted with general paresis. He has delusions regarding great gold mines, timber claims, and diamond mines, with a peculiar disconnectedness of thought."

Yes, indeed, it's a wonderful Piano Clearance—not a husband, or father, young man, or young woman who has any use for a piano now, or even for the next two years, can afford to miss this stock reduction sale at or near half regular prices and on terms of

A DOLLAR A WEEK,

with only five dollars at first—and the piano is sent home at once. Only a little over a dime—ten little pennies—a day, merely the smallest portion of your usual unnecessary daily expenditures, will if you come here now during this sale, soon pay for your piano. Can you afford it? Yes, if you love music and its home influence and, besides, music is now a part of a child's education—the least expensive part if you buy now at this sale. Summer time is the time to buy pianos, and especially this Summer, and here—now—when we are virtually compelled to reduce stock for various reasons already fully explained.

ONE HUNDRED PIANOS

must be sold, in addition to our regular business, to make up the average and, besides, to make room for large shipments coming in daily—filling our large warehouse and Washington-street store to overflowing. Better by far have the pianos in Portland homes, even on such remarkably small payments and at cost prices, than in storage, hence this "house-cleaning." In business the far-seeing man of affairs buys his stock before the demand sets in and while prices are at the lowest point. This policy is a wise one for the man and woman to follow in selecting the piano.

In ordinary times the piano which will cost $250 to $275, can be bought here now for $128 to $147.

We have an over-stock and more coming from four prominent makers of strictly reliable pianos—and in order to move them have cut prices to the lowest point on record. Therefore prompt buyers can get standard pianos here now for at or near half their value.

For $194 you can get a $350 piano, and $218 will buy a fine $375 latest model.

We offer today best $500 pianos in mahogany or fancy oak cases that have never been sold in this or any other city for less than $388, we will sell them now for $294.

We have other pianos not mentioned above—all grades and prices—and if you call at our store today you'll be glad you put off buying that piano until now. You'll have good reason to be, for we've never known piano offerings to even remotely compare with those you'll find in today's sale and on terms of a Dollar a Week, with an initial payment of only five dollars. Don't wait until tomorrow—come today, while you have best choice and before someone else picks up just the bargain you've been looking for. Eilers Piano House, 353 Washington St., Cor. Park.
