Among other sights to which the visitors will be treated is Tikitere, which is the nearest conceivable ap-proach to the infernal regions. Further afield are Walmungs, which a very few years ago was one of the most tremendous geysers in the world, the pressure of water and the explosions being almost volcanic in their inten-aity. There is now only an awesome cavity in the earth's crust surrounded by boiling springs and rushing torrents. In close proximity is Mount Tarawers, which was in eruption some 15 years ago and laid desolate the sur-rounding villages. In the mountain's side is an immense gap, which is one of the sights pointed out to the tourist. There are several great lakes here-abouts, over which the visitors will be ferried in gasoline launches. Some of the lakes are cold, but one of them is quite hot, the water varying in the

ASK RECEIVER'S REMOVAL Minority Stockholders of the Pasteboard Trust Complain.

CHICAGO, Aug. 7 .- Minority stock-holders of the American Straw Board Company and the United Box, Board & Paper Company today filed in the United States Circuit Court a petition for the removal of Sydney Mitchell, receiver of the two companies. It is alleged that Mitchell and his associates have so manipulated the affairs of the Strawboard companiess as to throw it into the control of the Box Board Company, thus defrauding the minority

stockholders of stock. This is illegal under the Illinois law, which forbids one corporation holding stock in another.
