## BOTH MACHINES WIN IN CALIFORNIA

Incomplete Returns Show League in Minority in Convention.

CARRIES SOME COUNTIES

But Hopelessly Beaten in San Francisco—Wins Los Angeles and Alameda—McNab Faction of Democrats on Top.

SAN FRANCISCO, Aug. 11.—A primary election was held today in the principal counties of the state, for the purpose of choosing delegates to the county, district and state conventions and determining the question of control in the Republican and Democratic parties. At 11 o'clock tonight the returns were incomplete, but the figures indicated that the regular organization or "machine" of both parties had won a victory. There was no contest in the Independence League, Socialist and Union Labor parties.

League Beaten in Bay City. In San Francisco the Lincoln-Roosevelt League has carried but four of the 17 districts with one in doubt. On the Democratic side the Bell, or opposition ticket, has carried only six districts. The organization Republican ticket has carried the districts comprising the Fourth and Fifth Congressional Districts, assuring the renomination of Congressmen Kahn and Hays.

Alameda Carried by League. In Alameda County the league will control 135 out of 225 delegates. State Senator G. R. Lukens has been defeated by John W. Steinson, the league candidate. All of the candidates for the Assembly in this county are pledged to the re-election of United States Senator Perkins.

Clerks Rob Employers. Half Dozen Pittsburg Stores Effectively by Conspiracy. PITTSBURG, Pa., Aug. 11.—An alleged conspiracy of employees of mercantile establishments to rob their employers, and which it is said has already resulted in the theft of over \$50,000 worth of goods from a half dozen firms, has been unearthed, and four arrests have been made, while others are expected to follow.

Extra Session in Georgia. ATLANTA, Ga., Aug. 11.—Governor Hoke Smith will call an extra session of the Georgia Legislature to meet August 24 to consider the convict bill, the agricultural support bill and the anti-lobbying bill.

## GLAD TIDINGS ARE BORNE BY BRYAN

Democratic Leaders Arrive in Lincoln, Promising Victory.

STATES HE WILL CARRY?

Gathering for Notification Develops into Meeting of Optimists' Club, With Few Earnest Words About Campaign Fund.

FAIRVIEW, Lincoln, Neb., Aug. 11.—John W. Kern, Vice-Presidential candidate, Norman E. Mack, chairman of the Democratic National committee, and several other prominent Democrats were the vanguard of interesting arrivals today to attend the notification ceremonies here tomorrow. Within a few minutes after their arrival Mr. Mack, Mr. Kern, Joseph Daniels, head of the literary bureau of the National committee, ex-Governor John E. Osborne, of Wyoming and John E. Lamb, of Indiana, were in an extended conference with Mr. Bryan at his home at Fairview, on questions relating to directing the conduct of the coming campaign.

Finances and Spellbinding. These conferences with Mr. Bryan had to do in a general way with the outline of the coming campaign. Together with a tentative plan that has already been formulated for the financing of the coming political struggle. A general speaking campaign for Mr. Bryan in different parts of the country also came up for consideration, but no definite dates, which would include a campaign of the Middle West, were definitely decided upon.

Mack Is Cheerful Prophet. Regarding the campaign and the several conferences had with Mr. Bryan today and tonight, Mr. Mack says: "While I am here principally to attend the notification ceremonies, I have discussed with Mr. Bryan tonight, and will also discuss tomorrow, the general plan of the campaign. It has been my purpose in this campaign to deal with actual facts and these I have communicated to Mr. Bryan, telling him that conditions as I have found them are better than have been reported to me by National Committee men and well-known Democrats all point to his election to the Presidency."

Kern Babbles With Hope. Mr. Kern has every confidence in the election of the Democratic ticket; for every man does his duty. Speaking of the situation tonight, he said: "I have told Mr. Bryan that conditions are more favorable than have been reported to me. I have made predictions it would seem

## RECALLS HIS ENVOY

Sultan Removes Minister of Old Administration.

CONSUL PUT IN CHARGE

Mehmed Ali, Son of Fugitive, Izzet Bey, Supplanted by Bitter Enemy, Consul in New York.

WASHINGTON, Aug. 11.—Mehmed Ali Bey, the Turkish Minister to the United States, today admitted that he had received advice from his government recalling him from his post here. His recall did not come as a great surprise, as in view of the conditions in Turkey it was to be expected. Persistent rumors have been rife to the effect that the Minister would be recalled, but it was not until last night that a positive statement regarding the matter was received and this came in a cable dispatch to the Associated Press from London.

Discord in Illinois. I. S. Field, of Baltimore, a member of the notification committee, assured Mr. Bryan that Maryland Democrats were united in support of him this year. Mr. Field, of Jacksonville, Ill., informed Mr. Bryan that the Republican party in Illinois is torn to pieces. Mr. Chambers believed Bryan and Stevenson would carry the state because, as he explained, he did not see, in view of things that Messrs. Demery and Yates were saying about each other, "how any decent Republican can vote the Republican ticket."

SUPPORT NOT PERFUNCTORY Parker Scorns Doubt of His Loyalty to Bryan. SAN FRANCISCO, Aug. 11.—Judge Alton B. Parker, in company with Delancy Nicoll, arrived in San Francisco yesterday from Los Angeles in an automobile. He is on his way to Seattle to attend the National Bar Association convention, which begins on August 23. A committee from the Ironclad Club requested Judge Parker to speak in this city. He would make no promise. Asked if it is true that he is supporting Bryan in only a perfunctory way, he replied that such was not the fact.

Shows Effect of Panic. NEW YORK, Aug. 11.—The financial depression since last Fall is responsible for a decrease of 6.4 per cent in the revenues of the New York postoffice for the fiscal year ended June 30. The net revenue of the general post-office and stations for 12 months, ended June 30, was \$11,416,137, compared with \$12,448,997 for 1907, or a loss of \$1,032,860 for the fiscal year recently ended.

Kern Visits Old Home. INDIANOLA, Ia., Aug. 11.—John W. Kern, Democratic nominee for Vice-President, yesterday afternoon visited his boyhood home in Warren County. He addressed the Indianola Chautauqua in the evening and paid a high tribute to Iowa and her pioneers.

Build Parliament House. SULTAN SHOWS HEARTY SYMPATHY WITH NEW LIBERAL REGIME. CONSTANTINOPLE, Aug. 11.—The Sultan has made known his intention of defraying the entire cost of building a new House of Parliament and has given orders that plans be prepared. The general attitude of the Sultan with regard to the new order of things in Turkey is giving great satisfaction. In an interview with one of his new ministers the Sultan said: "Every man in Turkey is a member of the union of progress and I am their president. Let us live together and make the country prosperous."

Enemies Are Certain Fugitive Secretary Will Be Found. NEW YORK, Aug. 11.—In spite of repeated denials from the Turkish legation at Washington, Munji Bey, the Turkish consul-general at New York, is still convinced that Izzet Pasha, the former secretary to the Turkish sultan, is in America. This opinion is also held by many in the Turkish, Syrian and Armenian quarters. Munji Bey states that he talked over the telephone on Sunday night with Izzet Pasha's most intimate friend and companion and is convinced that the fugitive secretary is with him. It is believed that after Izzet Pasha escaped from Constantinople on a British ship, he landed in Italy and made his way to America either directly or by way of England. "We are sure Izzet was in New York on Sunday," said an Armenian revolutionist, "and that he is accompanied by an interpreter, who speaks English perfectly and acts as body guard as well. He could not remain in hiding 24 hours, no matter how much money he had. He might conceal himself temporarily in the French quarter or among Germans, because he speaks both languages. His knowledge of English is exceedingly limited. We will know very soon and then—well, wait and see."

## ARMENIANS STAY AT HOME

Abandon Intention to Come to America, Now Turkey Is Free.

COOKE IS BEHIND BARS

Alleged Timber-Land Swindler Unable to Get Bail.

NEW YORK, Aug. 11.—Held in \$5000 bail for trial on a charge of conspiracy to violate the timber lands act, Henry Cooke, president of the Oregon Ranching & Timber Company, with a New York office, who was arrested on July 11 in Baker City, Oregon, was committed to prison today. Cooke arrived from the Northwest last night, in the custody of Deputy Marshal Nicholson, of the Oregon District. A. G. Marshall, jointly indicted with Cooke, on July 18, surrendered to the authorities and was released on \$2000 bail.
