STANDS BY LYNCH

Printers' Convention Rejects Portland Appeal.

REGARDING PRIORITY LAW

Pinchot Addresses Convention on Preservation of National Resources and Praises Roosevelt for Advancing Great Ideas.

BOSTON, Aug. 14.—(Special.)—The appeal of the Multnomah Typographical Union, No. 88, of Portland, to the officers and delegates of the convention of the I. T. U. came up at today's session.

The contention of the Portland typographers dated from last August. In that month Mr. Lynch rendered a decision that No. 88's priority law is subject to the provisions of the arbitration agreement. Appeal was made to the executive council of the I. T. U., which sustained the president's stand. Today's action on the matter disposes of the case.

TOUR OF MIDDLE STATES

Cheered by Connors' Sanguine Talk of Carrying New York, He Spends Busy Day Preparing His Campaign Speeches.

LINCOLN, Neb., Aug. 14.—The prophesy of State Chairman W. J. Connors, of New York, that W. J. Bryan would carry that state; the sending out from Chicago of a number of speakers to various sections of the country by the Democratic National Committee, and the receipt of a number of telegrams and letters of congratulation on his speech, all served to put the Democratic nominee for the Presidency in a happy frame of mind today.

On account of threatening weather there were only a handful of visitors rode out to Fairview, and this fact afforded Mr. Bryan a rare opportunity to continue work at a lively pace on his speeches to be delivered at Indianapolis and elsewhere. No such day of quiet had been experienced at the Bryan home for some time. Mr. Bryan is awaiting replies to letters sent to different parts of the country in

response to invitations to speak before

of speaking campaigns, and then we will send out speakers on our own initiative. I expect Judge Alton B. Parker, of New York, to take an active part in the campaign."

NEW YORK INDORSES BRYAN

Democratic State Committee Passes Highly Flattering Resolution. NEW YORK, Aug. 14.—The Democratic state committee in its 19 minutes' session this morning voted to issue a call for the Democratic state convention to be held in Rochester, September 15. The committee also adopted unanimously resolutions endorsing the candidacy of William J. Bryan and John W. Kern and expressing approval of the platform of the Denver convention.

SENDS OUT BRYAN ORATORS

Democratic Committee Starts 30 Spellbinders on Travels. CHICAGO, Aug. 14.—With the organization of the speakers' bureau of the Democratic National Committee practically completed, John H. Atwood, head of the bureau, today sent out nearly 30 speakers in response to requests from Democratic organizations in various parts of the country. This vanguard of speakers will be followed by others in greater numbers, and Mr. Atwood said they would be sent to every part of the United States wherever their services were needed. The chairman of the speakers' bureau declared that the issue of the campaign would not lack expression because of any inadequacy in his bureau. "Speakers are volunteering their services in large numbers," said Mr. Atwood, "and no less than 12 United States Senators have written me stating they are ready to go on the stump. Every speaker that has been sent out has been a volunteer in the cause and ready to pay his own campaign expenses. We will send out speakers wherever they are requisitioned for a while, but later the National Committee will prepare a detailed plan
