LOS ANGELES, Aug. 16 .- (Special.)-Following two safe bunts by Bernard and Oakes, and Dillon's fielders' choice to Casey, the Beavers gave a grand heaving performance in the first inning today before 4000 fans. When the ball was at last returned to the plate the three runners had scored.
Dillon bounced the ball to Casey, who

threw wide to the plate to catch Bernard. Whaling and Johnson shot the ball back and forth between them several times and Whaling finally threw it past third base to the bleacher fence. Bassey fired it at Cooney to catch Dil-lon between second and third, Cooney made a wild dash past Johnson and

Dilion ran in.

In the fifth Nagle walked and stole second and third, acoring on Bernard's hit. Bernard was sacrificed to second and scored on Graney's wild throw to first. For the Beavers, Whaling walked in the sixth and scored on Graney's double to left. In the ninth a pass, two circles and a double made two rurks. singles and a double made two rufe. There were no startling features except the wild heaves by the Beavers.

Oakland Tries Out Three Pitchers, but to No Use. SAN FRANCISCO, Aug. 16.—San Francisco won both games today easily, the afternoon game being a gift. In the morning Oakland's run getting

closed in the first inning.
Suter had all his curves in the afternoon, except in the sixth, when he let down and gave Oakland two hits, which netted their only two runs. Oakland tried three pitchers, but was unable to stop the Seals from connecting with the ball. Oakland's fielding was of poor class also. Scores:

NORTHWEST LEAGUE

Seattle 6, Butte 0.

SEATTLE, Wash., Aug. 16.—(Special.)—Rush had the visitors helpless at all stages of the game today, and they were at no time in danger of scoring. Opportune hitting won for Seattle, the feature of the game being Harry Rush's home run in the second inning, the first in his career, driving Stanley in ahead of him. Seattle scored one in the first when Rowan walked and came home on Bennett's two-bagger over first. With two on bases in the fifth Cartwright fumbled McKune's grounder and then threw it away, allowing Stanley to score. Bennett followed with another double, scoring two more. Aside from the one misplay the fielding of Cartwright was sensational. Score:

ABERDEEN, Wash., Aug. 16.—Aber-ieen and Tacoma battled 17 innings to deen and Tacoma battled 17 innings to a draw in the afternoon, Ehret calling the game at the request of the captains. A crowd of fully 2500 witnessed the struggle and excitement was high throughout the matinee. Carson, who replaced Stackpole after the first, pitched a grand game, allowing but four hits in 15 innings. Callif was found for 13 hits in all, but excepting the first inning he kept them well scattered. It is interesting to note that Califf pitched a 20-inning draw for Aberdeen against Butte. The score on that occasion was the same as today's score, 3 to 3. Score:

CAL EWING ON WAY HOME Finds Puget Sound Cities Anxious

to Join "Coasters." J. Cal Ewing, president of the Pacific Coast League, who has been on a tour of the Northwest in the interest of the exten-sion of the league next season, passed through Portland last night on his way to

San Francisco.

While he would make no definite state-San Francisco.

While he would make no definite statement as to the success or failure of his mission North, the chief executive of the "Coasters" intimated that both Seattle and Tacoma would be represented in this league, providing of course, that the National Association of Professional Baseball Leagues awarded the territory at its next annual meeting. Mr. Ewing seemed well pleased with the prospects, and said he found Seattle and Tacoma to be much more enthusiastic over the prospects of Pacific Coast League ball that on his trip north several months ago.

President Ewing remained in Portland but a short time, arriving late in the afternoon, and leaving on the 7:45 train for San Francisco. Judge W. W. McCredle was expected to accompany him, but remained over for another day on the Sound visiting friends.

Observations taken at 5 P. M., Pacific ime.

An area of high barometric pressure is central over Mortana and one of less intensity is off the coast of Washington, with a trough of pressure but slightly below normal extending between the two from Alberta southwestward to California. Light showers have fasce in Northern Montana and Southern Nevada, but clear skies are sported from this entire district. It is warmer today in Southern Idaho, and the temperatures are generally above the seasonal average throughout the Northwest. The indications are for fair weather in this district Monday, with no material change in temperature except in Southeastern Idaho, where it will probably be warmer. FORECASTS.
