PARKER DUE TODAY

Former Presidential Candidate Will Open Campaign.

RECEPTION FOR JURIST

Honor of Chairman Devolves on W. H. Holmes, of Salem, in Absence of Governor Chamberlain.

At the Hellig Theater tonight, Judge Alton B. Parker, unsuccessful Democratic candidate for President in 1904, will open the Presidential campaign in Oregon by delivering an address in support of William Jennings Bryan.

This event will be the occasion for the gathering of the braves from all sections to see that the Bryan third-time boom is launched properly. Having planned an energetic campaign to be conducted throughout the state, the men in charge of the programme of the minority party will make a special effort to start the work with enthusiasm.

Jurist Comes Today.

Judge Parker will arrive in Portland from San Francisco at 7:15 o'clock this morning and probably will spend two days in this city before going to Seattle where he will attend the annual meeting of the American Bar Association the latter part of the month. The distinguished jurist will be met at the depot by a reception committee which has made provision for his entertainment while in the city. The members of this committee are: F. V. Holman, chairman; T. G.

GREENE, JOHN M. GEARIN, AND C. K. HENRY, OF THIS CITY; STATE SENATOR J. E. HEDGES, OF OREGON CITY; DAN J. FRY, OF SALEM; S. M. GARLAND, OF LEBANON, AND LEAK BLYE, OF EUGENE.

In the absence of Governor Chamberlain, who is at Klamath Falls conferring with E. H. Harriman, the committee has asked W. H. Holmes, of Salem, to preside as chairman and introduce Judge Parker tonight. The services of a band have been engaged and the addresses at the Hellig tonight will be interspersed with selections from that organization. There also will be other music.

BELL TO BE PRESENT.

Among the other out-of-town notable members of the party who is expected to grace the occasion with his presence is Congressman Theodore A. Bell, of California, who served as temporary chairman of the Democratic National convention at Denver. Congressman Bell recently attended the National Aerie of Eagles at Seattle, and for several days has been delivering addresses in the State of Washington in behalf of the Democratic Presidential nominee. It is not likely that he will take part in the speaking tonight, the committee having decided to give all of the time to Judge Parker who has a wide reputation as a platform orator. An effort will be made by the Democratic State Central Committee to induce the California Congressman to return later in the campaign and address the voters of Portland.

National Committeeman M. A. Miller, State Chairman Alex Sweek and State Secretary J. B. Ryan already have established Democratic headquarters in the Merchants Trust building, sixth and Washington streets, and through the county central committeemen are unfolding the details of a campaign which will surpass all other attempts to annex Oregon to the Democratic column. Precinct organizations will be formed in every precinct in the 34 counties.

She Likes Good Things

Mrs. Chas. E. Smith, of West Frank-lin, Maine, says: "I like good things and have adopted Dr. King's New Life Pills as our family laxative medicine, because they are good and do their work without making a fuss about it." These priceless purifiers sold at Wood-ard, Clarke Co.'s drug store, 25c.

MILLS RAISE PRICES

Ten Per Cent Increase in Rates on Lumber.

BRISK DEMAND IN EAST

Sweeping Advance Includes All Local Sources of Supply and Affects Nearby Territory.

Beginning today, the price of lumber throughout the city will be tilted by the different mills about 10 per cent. The advance includes all kinds of lumber, from common rough to the most expensive finishing materials. All the local mills are marking up the price lists, the reason for the advance being assigned to the better demand for Oregon fir in the Eastern markets and the improved outlook for the industry.

The advance is a sweeping one, in that it includes all local sources of supply and affects the nearby territory supplied from Portland. It is understood that export prices and the tariffs on lumber shipped to the East and Middle West will remain the same for the present.

Common rough lumber, which has been selling for \$2 a thousand feet, will now be \$10. There is a general advance all along the line, most of the rougher grades being increased \$1 per thousand, while on the higher grades the advance has been even larger in proportion. On

Judge O'Day Declares Man Was Never Legally Married to Woman Who Poses as First Wife.

Alleging that the woman who represents herself as his first wife, Mrs. Louise Powell-Stevens, has failed to comply with the terms of the contract she made with him, T. M. Stevens will resist vigorously her suit for an alleged breach of that agreement. Mr. Stevens has employed Judge Thomas O'Day and will file an answer to Mrs. Stevens' complaint either tomorrow or Thursday, when the time for replying to the allegations expires.

"Mr. Stevens never was legally married to the woman who now poses as his first wife," declared Judge O'Day yesterday. "She claims to have been married to Mr. Stevens in Canada, when, as a matter of fact, he has never been in Canada. The fact is that Mrs. Stevens has been treated with consideration by my client and was by no means turned out penniless. At the time the contract, which is the basis of the pending suit, was entered into the woman received money and a mortgage of the value of \$25,000. The conditions of the contract were met by Mr. Stevens until the woman violated her part of the agreement, as we expect to be
