

TAFT'S PROGRAM TO OPEN TO CHANGES

Subjects for Speeches Will Be Chosen to Suit Delegations Calling on Him.

ALL ISSUES TO BE MET

But Will Not Be Taken Up in Any Prearranged Order—Republican Clubs to Be Organized in Colleges.

HOT SPRINGS, Va., Aug. 17.—(Special.)—The character of the speeches to be made during the campaign, Mr. Taft said he believed he had placed himself on record in the speeches he has already made on every question likely to become important in the campaign.

"But," he added, "that will not, I take it, preclude me from taking up any subject and making such speeches as I shall make to the various delegations who may come to Cincinnati during the campaign. My subjects will be chosen with particular reference to the interest and character of the particular delegation to which I shall speak. In this way it is possible that I shall review many of the important and minor issues, but I have laid out no set plan for taking up in any particular order, any question or set of questions."

Organize College Clubs.

There was a conference today between John Hays Hammond and Herbert M. Myers, a Columbus, Ohio, attorney, who is president of the Ohio Republican College League, which is affiliated with the National Republican College League. A general plan of cooperation was discussed.

"It is our intention," said Mr. Myers, "to organize Republican clubs in every college and university in the country. We expect to reach 25,000 first voters in the course of the campaign."

"The speech he is to make to the Virginia Republican club on Friday was the engrossing subject with William H. Taft today. The address is to be the first political utterance of the candidate since his speech of acceptance, and will be the only speech of his character he will make until his campaign opens in Cincinnati the first week in September.

Good Wishes From Cervera.

Although it is quite common for Mr. Taft to receive letters from the Philippine Islands expressing a desire for his political success, he was somewhat surprised today to receive one written by Admiral Cervera, of Spanish war fame, expressing the same sentiment. The letter was written to Charles D. McGuffey, of Cincinnati, and forwarded by him to Mr. Taft. In it the Admiral says:

"I pray for the election of Senor Taft for President. I should have written you a letter, but had not had time. I know very little personally about the United States and cannot, for that reason, give an opinion of my own concerning the election. But there is no doubt, from what I hear, about his election because he is a very distinguished man."

KEEP BORAH BUSY ON STUMP

More Valuable Than in Office.

Gathering Campaign Funds.

CHICAGO, Aug. 17.—The Republican speaking campaign in the West will not be opened until about September 15. That date was agreed upon today at a conference of political leaders with Chairman Frank H. Hitchcock. The organization of the Eastern speakers' bureau cannot be effected by Mr. Hitchcock until he comes West again, in about 10 days. It has been expected that Senator W. E. Borah, of Idaho, would assume the direction of the bureau, but the announcement was made today that there had been such a demand for him to speak in all parts of the country that it had been decided he was too good an asset for speaking purposes to admit of his being tied down to an organization work.

Under the original plan Mr. Borah was to have offices in Chicago and undertake to block out the Western country into areas and shape the speaking policies for each section according to the issues therein, while General T. Coleman Dupont, of Delaware, who has his office at the New York headquarters, would look after the machinery of the bureau.

Mr. Borah is to make several speeches in the early campaign in Eastern states, but has agreed to remain here for a time and get the speakers' bureau organized for the West. He will be assisted in this work by Colonel Cecil A. Lyon, of Texas, a director for the work will be named later.

Rev. Dr. John Wesley Hill, of New York, who will open the speaking campaign in Vermont, left for the East today.

A plan for the gathering of campaign funds in the various states was formulated today. The National committee in each state will be authorized to select a treasurer for his state who will be a financial agent. This agent is to solicit and collect contributions, which are to be turned over to Mr. Sheldon, the National treasurer, or Mr. Upham, the assistant treasurer. The disbursement in the states will be made under the direction of the state chairman.

Mr. Hitchcock and several of his assistants left Chicago this afternoon for Uleca, N. Y., to attend the ceremonies connected with the nomination of Mr. Sherman.

RETURNS CORPORATE GIFTS

Sheldon Obeys Federal Law—Silent About Amounts Refunded.

NEW YORK, Aug. 17.—Contributions to the campaign by corporations in New York from officers of corporations acting as such, are not being accepted at Republican National headquarters, according to a statement made today by Treasurer George R. Sheldon, of the Republican National committee. Mr. Sheldon said that he had returned several contributions to those who made them, in compliance with the Federal law of 1907 governing the matter. The law, however, does not prohibit contributions from individuals connected with corporations, provided such contributions are personal donations to the fund.

Mr. Sheldon refused to give the names of any of the contributors whose offerings were returned, or to tell to

HUGHES IS AT TAFT'S SERVICE

Will Open Ohio Campaign and Speak in West.

NEW YORK, Aug. 17.—(Special.)—Announcement was made today by General Dupont, director of the speakers' bureau at Republican National headquarters, that Gov. Hughes has offered his services as speaker during the campaign and that the offer had been accepted. The Governor will speak at the opening of the Ohio campaign at Youngstown in September. He will undoubtedly make several speeches in Western states before his return home.

Senator Burrows will speak in Vermont the last week of the campaign. From Vermont he will go to Maine and close the campaign in that state.

LAYS CLAIM TO TOWNSITE

Part of City of Marshfield Filed On as Homestead.

ROSEBURG, Or., Aug. 17.—(Special.)—A homestead entry was filed in the local United States Land Office August 10 by C. L. Kidder, of this city, which is of more than usual interest, taking in as it does a large portion of the water front of East Marshfield on which there are several dwellings, sawmills and other buildings.

The land upon which Mr. Kidder filed was formerly classed as school land. Later it was found that this land was included in the donation land claim of A. J. Davis, and therefore the state retained the land in its name. It is now being reverts back to the Government and becoming subject to entry.

Upon learning this fact Mr. Kidder immediately filed upon the land under a homestead entry.

PERSONAL MENTION.

Mrs. F. J. Catterlin and son Denton left yesterday for Newport for a two weeks' outing.

Mr. and Mrs. L. P. Marshall and family, accompanied by Miss Ellington, left last night for Seaside for a fortnight's visit.

John H. Mitchell, Jr., of St. Paul, son of the late Senator Mitchell, was in the city yesterday, a guest at the Portland Hotel. He left last night to return to his home.

E. M. Flood, a Spokane lawyer, is visiting his stepdaughter, Mrs. T. B. Neuhause, of Irvington. From here he will go to Seattle to attend the Bar Association meeting.

Assistant United States Attorney Walter H. Evans and family will leave tomorrow for a two weeks' vacation at the Siletz Indian Reservation in the interior of Lincoln County.

Thomas A. Jones, a business man of Corvallis, was in Portland yesterday. Mr. Jones said that the land that was sold recently to the State Agricultural College at \$100 an acre was very cheap, since private parties were ready to pay higher prices for the land, which, if platted in lots, would net at least \$2000 an acre.

NEW YORK, Aug. 17.—(Special.)—The following Northwestern people registered at New York hotels:

From Portland—B. Cohen, J. Lautstein at the Raleigh; A. J. Tolmie at the Albert.

Enemy Hurlled to His Death.

CHICAGO, Aug. 17.—Orliva Sieva, 23 years old, was killed last night by being beaten and thrown out of a third-story window. John Garsjantesewicz, 20 years of age, and Stephen Kiviankewicz, 30 years of age, are Sieva's alleged assailants.

Sieva was sitting in a second-story window opening on an alley enjoying the breeze that blew into the flat in which he lived and dropped his hat to the ground below. He went down to get it, and, as he was picking it up, it is alleged, the men on the third story threw a bucket of water upon him. Sieva, enraged at this, ran up the stairs to the third floor and a fight followed, during which he was thrown out of a window. His death followed soon after.

DEMOCRATS SEEK AID OF EDITORS

Appeal to Newspaper Friends to Raise Funds for Campaign.

FINANCE COMMITTEE PLAN

Colonel Moses C. Wetmore, Its Chairman, Confident New Scheme Will Bring Results—Senator Gore Promises Money.

CHICAGO, Aug. 17.—Editors of every Democratic and Independent newspaper throughout the United States will be appealed to by the Democratic National

committee to start subscriptions for the Democratic fund in their newspapers. This plan, which was made known tonight by Colonel Moses C. Wetmore, chairman of the finance committee, is distinct from the effort already inaugurated by the National committee to obtain money through financial representatives under the direction of the National committee in each of the states of the country.

Colonel Wetmore said: "We are going to get the money to run this campaign; make no mistake about that. The Republicans know where to get their money, no matter what contributions they may have to turn back to comply with the law."

Leaders Sign Appeal.

"The appeal is signed by Chairman Mack, Governor Haskell, treasurer of the committee, and myself."

Senator Thomas F. Gore, of Oklahoma, sent word to the National committee that he would give one-half of the proceeds of a series of lectures that he had been engaged for to the campaign fund.

Conferences for perfection of detailed plans for the campaign in the Middle West were held throughout the day by Chairman Mack and prominent Democrats. Ex-Governor Alexander Dockery and Congressman Champ Clark of Missouri, brought to Chairman Mack hopeful predictions of Democratic success in their state.

Champ Clark Confident.

Congressman Clark said: "Since the Denver convention I have been traveling continuously in Colorado, Kansas, Nebraska, Iowa, Missouri, Kentucky, Ohio and Illinois and find that the drift is undoubtedly toward Bryan. Missouri will give Bryan 40,000 plurality and the Democrats will elect 15 out of 16 Congressmen, a Democratic Legislature which will elect a successor to William A. Stone and a state ticket from the Governor down."

Chairman Mack will leave next Monday for Indianapolis, to attend the Kern notification, after which he will proceed to New York, where he will open the Eastern headquarters.

Low Water Stops Mining.

PITTSBURGH, Aug. 17.—Work has been suspended in 80 per cent of the coal mines along the Monongahela River as a result of the low water in the Ohio River. Practically all the coal shipped from this district is sent out by river, but recently the water has been so low that shipment was impossible. Unless rain relieves the situation shortly, there will be much suffering among miners.
