Two National Guard Regiments at Springfield Ordered Withdrawn.

GRAND JURY IN SESSION

Negro Accused of Assault That Precipitated Race Riots Indicted. Citizens Unite to Restore

Peace in City.

SPRINGFIELD, III., Aug. 18.-That the appring Figure 11. Aug. 12. The series was situation in this city is considered much less serious was evidenced tonight, when Governor Densen ordered the First and Fourth Infantry Regiments to take trains for their homes tomorrow. "I took this action after a conference with Sheriff Warner, Mayor Reece, jor-General Young, Adjutant-General Scott, General Foster and General Wells," explained Governor Deneen to-

"Does that mean that you consider all inger of serious trouble past?" he was

asked.
"It means that we can properly guard the city with the troops which wiww remain. There will still be the Second and Seventh regiments under General Fosted. in the western division, and the Third and Fifth under General Wells. The depart-ure of the First and Fourth will lessen our forces by about 1600 men, leaving a good 2000 here."

Lesson to Lawless.

Major-General Young said: Major-General roung said.

'The mob celment has had a lesson, and the way citizens with knowledge of rictous misdeeds are responding to the appeal for information on which to base indictments will furnish further instruction to the violently inclined. We are getting news on which we will be able to make many arrests of importance, and these arrests will render the situation much easier to handle. With the ring-leaders behind the bars, there will be lit-

the for the military to do."

There were the usual baseless alarms tonight, but up to midnight nothing of a
serious character had occurred. Deputy
Sheriffs reported an entire absence of
trouble or excitement at the Woodside Coal mine, where the white miners re-fused to work with the negroes. Some nervousness was reported as existing fur-ther out, at the Tuxhorn mine, but no

Miners Must Return.

The refusal of the whites to work with their colored comrades was considered at an all-day session of the examining board of the State Federation of the United Mine Workers of America. As a result of this consideration an order was issued that the union does not recognize the right of the miners to cease work. All were orered to report back at their posts tomor-

The walkout today was not in a body, The walkout today was not in a body, but by individuals and small groups of miners who feared that the negroes, alarmed at conditions, were armed and would cause trouble, prepared themselves for any outbreak. The negroes protested the most poaceful intentions.

While the Sheriff of Sangamon County is glad of the presence here of the National Guardsmen, personally he and his deputies will feel much safer when they are gone, according to stories told tonight by deputies.

night by deputies.

Terrorized by Soldiers.

Nearly all of last night's shooting, according to Chief Deputy Long, was done by soldiers. Long was riding in the wagon with other deputies and soldiers, among them being Lieutenant Ridgeway, of the First Infantry, whose scabbard was struck by a bullet, and Deputy Sheriffs John Canfield and Harry F. Kramer. It leaked out tonight, despite efforts of Camfield to keep the matter secret, that one of last night's bullets went through his hat. Others whistled over Deputy Kramer's head.

"Who will be the first to show his sincerity by telling what he knows of recent crimes?" exclaimed State's Attention

'Not one of you but knows something

about it," said he. "Who will be the first in doing a citizen's duty by giving this information to be presented to the State's Attorney?" State's Attorney?"
"Bully for you," and as he greeted the lawyer's appeal, "I'd like to know who put that 'regardless of race or color' in the resolutions," demanded Dr. Scott,

chairman of the city Democratic com-mittee amid an uproar. "It's bad judg-ment at this time," he shouted. "It will be a firebrand to the mob. It will only excite it again." excite it again."
"I'm responsible for it," cried Attorney
Logan Hay in answer and Dr. Scott subsided amid the cheers which greeted

the lawyer. "I bow to the bad judgment of the meeting," said Dr. Scott.

Adopt Strong Resolutions.

Dr. Hall then read the resolutions, which were unanimously adopted with such sturdy cheering that some people in the street below thought that another riot

Satisfaction is expressed by citizens and local newspapers with the personnel of the grand jury, which was selected by Judge Creighton to listen to evidence at I o'clock this afternoon. Its membership is about evenly divided between this city and smaller towns in the vicinity. Lawyers, merchants and one reporter are yers, merchants and one reports are among others on the jury. Some of them foresee a long and tedious task, and aought to be excused, but Judge Creigh-ton firmly declined to allow anybody's personal affairs to interfere with public

Today's session of the grand jury was devoted to hearing witnesses in the case of the assault of Mrs. Hallam. George Richardson, the negro whom Mrs. Hallam identified as her assallant, although not positively, was indicted. Mrs. Hal-lam, members of her family, including Mr. Hallam, and the police who re-sponded to a call for help after the crime, were the witnesses who told their stories. Richardson protests his inno-

#### Probe Rioting Today.

The grand jury will meet again tomor-row morning to begin its general inves-tigation into the riots. If ation into the riots.

The funeral of Frank Demore, who was killed by the mob, was held today, the sermon being preached by Rev. Timothy Hickey, vicar of the diocese of Alton. Father Hickey is credited with great influence and his plea to those present at the services was thoughtfully heard.

"We are the street and don't served."

'Keep off the streets and don't aprend foolish reports and the trouble will soon

be over," said the vicar.

The determination of Governor Densen. The determination of Governor Densen, announced today, not to surrender Private Klein, who killed a young man at Kankakee in pursuit of his orders to guard the car, has a deeper significance than merely protecting the individual soldiers. It is feit that unless a firm stand is taken in behalf of the soldier

who kills in the discharge of his duty, even though such action would appear over-zealous in civil life, the morale of the National Guard will be injured. The Guardsman who has his orders must not be made to feel that he is run-ning a risk of trouble with the civil au-

Pickets Are Fired On.

An attack upon pickets and the forced hegira of 150 negroes from corn-fields on the outskirts of the city to the State Arsenal kept the militia busy, this morning. The firing upon the sen-tries and their answering shots oc-curred less than two blocks from the headquarters of General Young at the County Jail. No one was hurt but the firing caused consternation in the dis-

The trouble followed an attempt to set fire to a building on Eighth street, between Jefferson and Madison streets. A negro who had been ordered away from the place several times during the night was discovered lurking in a shadow by Private George Howell, of Troop E. First Cavalry. Howell ordered the man to move on, but the negro's reply was a shot from a revolver. He dashed down a shot from a revolver. He dashed down the street disregarding the commands of other sentries to halt. As he turned into an alley. Corporal Adelman and Private H. Lowenstein, both of Troop B, fired at him. The shots went wide, but they aroused the headquarters, two blocks away, and Company E, of the First Infantry, was sent to the place on the double quick.

Fugitives Not Found.

The alley and adjacent houses were searched, but no trace of the fugitive was discovered. The shooting happened shortly before daybreak, and was the third occasion of the night in which attempts had been made to assassinate militia pickets.

The clearing out of the cornfields south-east of the city was the result of suc-cessive nights of terror in Harvard Park. An inspection of the cornfields late yea-terday showed that at least 150 negro-refugues had camped therein. The presence of the negroes is thought to have been responsible for the disturbed conditions in the suburbs.

Three Months for Theft.

Jack Lund, jointly indicted on a larceny charge with Michael McMurray, was sentenced by Judge Morrow in the Circult Court yesterday to serve three months in the County Jail. Weary with the long confinement while he awaited trial. Lund decided to change his plea of not guilty to one of guilty. The two men stole clothing and other valuables belonging to Harry Schoof, and worth about \$225. The crime was committed May 25, the goods being taken from 452 Morrison street.

# CONDITIONS FORCE US

COME 200 MILES TO SELECT THE PIANO IF NECESSARY-IT WILL PAY YOU TO DO SO.

Read Our Announcements, Every for Yourself and You Will Know Why We Are Furnishing 10 to 15 Homes Every Day of This Sale With Pianos, Pianos Within Reach of Every Purse, on Terms of Six Dollars Cash and Six Dollars Monthly.

Every Purse, on Terms of Six Dollars Cash and Six Dollars Monthly.

This store has become Portland's and the Northwest's principal distributing center for planos of the best makes, because we have maintained a strict barrier against inferior instruments and we always have on exhibition at our store a widely varied assortment of well-known manufacturers' latest models—the inexpensive, the medium-priced and the best. Furthermore, we command undoubted advantage over the average dealar and the so-claimed large houses, by reason of our direct connections with the Eastern manufacturers and we have developed a vast outlet—several thousand planos yearly—which cannot help influencing prices most favorably to our customers.

But rarely, indeed, is it possible to offer such values and terms as are in this sale.

Yearly contracts are made by this house to take certain number of carloads each month of different manufacturers—the planos are built for us and the manufacturer will not merely hold until we say ship, he must have room in his factory and he ships our sinst as agreed. It's business for him to do so, and usually we want them just as ordered, and if not forthcoming we hold him responsible, so it's up to us to take care of them, but when the hot weather made plano selling stop our warehouse and our store soon filled and kept on filling.

Semething had to be done and that quickly. Some two weeks ago we decided to test unheard-of-before terms: "A Dollar a Week," coupled with greatest low prices—the result, one hundred planos advertised were taken at rate of 10 to 20 a day at the close of the sale.

This helped some, but we found we were again pressed for room, as several more, carloads, uprights and srands had come in.

Another—this present—sale at greatest-known reduction on reliable planos was started last Monday on terms of Six Dollars down and \$5 a month, sand, from indications shown in Monday's and Tuesday's selling, this sale will exced our other one, just closed, in fast buying.

Intending purchasers should not

ment to the next, is the only difference between cash and time accommodation.

Today is the day to share in these—pay \$138 instead of \$255 and \$152 for the \$275 models.

Finest \$400 planes reduced to \$243, and \$350 styles at \$197. Our \$294 big values are going fast—worth close to double the sale price.

Come and flame the price you care to pay for a plane and we will show you the instrument and guarantee for every dollar you pay you'll save a dollar. It is stating the facts conservatively that on an average the pianes in the "aix-dollar" sale are well worth double the prices now asked—and we strongly advise all who contemplate purchasing to do so now—today is the day for choice. If at a distance and you cannot conveniently come, leave selection to us, mention the price, also second choice, and wood you prefer, and whether soft, medium or brilliant tone—we'll guarantee absolute satisfaction or no sale.

The plane must be right if bought here, else we would not give you the strongest guarantee ever given—"Your Money Back" if not satisfactory; also exchange privilege. Every plane in this sale carries with it the above guarantee—your absolute protection.
