SEATTLE, Wash., Sept. 1 -- (Special.)-Allen pitched a great game for Seattle, a hot one, but Cooney's drop of Groom's throw to catch the runner at second was awful, and later on the same play he nearly did the same thing. Such playing as this is enough to take the heart out of a pitcher, and it is no wonder that Oakes followed with a two-bagger.

CHICAGO FALLS TO THIRD

Loses to St. Louis, While Pittsburg Steps Up to Vacant Place by Taking Two Games From

Cincinnati.

RECAPITULATION OF RESULTS YESTERDAY'S GAMES.

shall interest was again at white heat yesterday, with all three clubs fighting for the National League leadership in action and two of them playing double headers. With less than a game separating first and third poa game selected shakeup was easily possible. As it was, the important change was the fall of Chicago, beaten by St. Louis, from second to third place. Pittsburg winning a double-header from Cincinnali, gaining the second place. New York's two victories over Boston slightly lengthened the lead of the former club. The standing of the three leaders

this morning is: 

BOSTON, Sept. 1.—The New York Nationals won both games from Boston, the first 4 to 1, and the second 3 to 0, and thereby tightened their hold on first place. Two lefthanders opposed each other in the first game, Wiltse for New York and Luckey for the locals. Both pitched well, and Wiltse's head work in the tight places pulled out the visitors. Devlin's hitgame for the visitors. Devlin's hit-ting, which was a feature of the day, helped greatly to win the first game. His home run in the second inning, his single in the seventh, and his sacrifice

in the ninth netted three runs.

The second game was a one-sided affair from the start, Flaherty, who opposed Mathewson, getting himself in a posed Mathewson, getting himself in a ST. LOUIS. Sept. 1.—Chicago defeated hole in the first inning by his wildness. St. Louis in the second game of the series

into concerning the sale of this property will be strictly adhered to and fully carried out. SEABRIGHT is a beautiful, level piece of sand beach property, cut

happened to place your finger upon and have a lot just as good as any other lot.

The beach in front of this property is a fine sand beach—as fine as any upon the

Pacific Ocean; is fully a quarter of a mile wide at low tide. No stones, no gravel

upon it. Length of beach from Necarney Mountain to outlet of Bay, between

water about eight miles long, and for yachting and boating cannot be surpassed,

while fish of all kinds abound in its waters, and crabs and clams are too numer-

ous to mention; and during the open season for duck-shooting, thousands of these feathered fowl are seen floating upon its placid bosom; and the hills back of this resort and across the bay abound with wild game of all kinds, and the small streams emptying into the bay and ocean about this resort are fairly alive with

the justly-famous mountain trout. In fact, the many things that make it a pleas-

ure to spend your vacation at a certain place are all about you at this Seabright

resort, and these foregoing facts will make this property very desirable, and espe-

cially the fact that this resort is and will always remain the closest beach resort

to Portland, will make this property become very valuable. And upon the ad-

vent of the railroads into Tillamook County, one survey of which is but a few

hundred feet away, and the other but across the bay, and each of them interested

in getting into the county as quickly as possible, and with at least two electric
