

Compromise Effected Between Warring Republican Factions.

CAMPAIGN OPENS TODAY

State Chairman Cake and National Williams Will Committeeman Conduct Taft-Sherman Fight This State Jointly.

Any dissension which may have ex-isted between the members of the Republican state central committee and State Chairman Cake has been compromised in the interest of harmony and a "Roosevelt" majority for Taft and Sherman. Republican headquarters Sherman. will be established today in rooms on the second floor of the Chamber of Commerce building and the details of an active compaign will be directed jointly by State Chairman Cake and Raiph E. Williams, of Polk County. Na-tional committeeman for Oregon. It is apparent on the surface that an

arrangement mutually satisfactory to all parties concerned was the result result of conferences held Thursday and yesterday between National Committeeman Williams and other prominent Republicans of the state with State Chairman Cake, following, his return from the East Among the leading Republicans East Among the leading Republicans of the state who were in the city yes-terday were Senator C. Committees Meet Today.

Congreasman Ellis was called home yesterday by reason of sickness in his family, while Senator Fulton will re-turn to Astoria this morning, not wait-ing for the conference of the state central committee, which is scheduled for 11 o'clock this morning in the head-quarters in the Chamber of Commerce. The committee will not meet in the Selling-Hirsch building, as originally

The programme to be followed at to-day's conference has practically been decided as to details in the conferences which have been held. All that remains to be done is to ratify the plans that have been decided upon. Today meeting will be attended by the mem Today's bers of the state central committee and the chairmen of the Republican organ-izations in the different counties. It will be ordered that the Taft-Sherman campaign be conducted jointly by State Chairman Cake and National Committeeman Williams, in the rooms that have been engaged in the Chamber of Commerce building. They will be as-sisted by a committee of five repre-sentative Republicans of the state, who will be named at today's meeting. This committee will have charge of the financial end of the campaign and the financial end of the campaign and in every possible way will assist Cake and Williams in lining up the voters of the state for the usual Republican majority in November. Considerable literature has already

been received from the Republican Na-tional committee and a plentiful supbeen received from the Republican Na-tional committee and a plentiful sup-ply of Taft-Sherman buttons and other campaign souventrs is on the way. These will be distributed through the state committeemen and county chairmen in the different coun-ties. These officers also will receive ties. These officers also will receive instructions today as how to proceed to

Court suits against the Oregon & Cali-fornia Railroad Company to compel that corporation to sell to them 160 acres of timberiand located near Drain, Douglas County. The lands involved in these suits ere included originally in the grant ade by the Government to the Oregon California Railroad about 40 years ago. The plaintiffs, who are represented by Attorney A. W. Lafferty, ask that the rairoad company be required to sell to them the two tracts of 160 acres each at them the two fracts of 160 acres each at \$2.59 an acre in accordance with the terms of the grant by which the land was acquired. Over 70 of these individual suits have been filed, and, with the ex-ception of Lonsberry and Goetlitzer, the plaintiffs have been made defendants in
