

BELIEVE DONAHUE KILLED BERRY TOO

Put Accomplice in Wife's Murder Out of Way, Theory of Oakland Police.

ARKELL ALSO INVOLVED?

Suspect Held in Jail Pending Further Investigation of Rapidly-Deepening Mystery—No Money to Bury Dead Woman.

SAN FRANCISCO, Sept. 4.—In an effort to determine responsibility for the death of the woman known as Alice Donahue, the police of Oakland, according to a report tonight, will proceed on the theory that Joseph Berry, whom Daniel Donahue virtually accused of the murder before his suicide, has also been made away with.

It is said to be the intention of Chief Detective Peterson, with the cooperation of authorities about the bay, to authorize a search for Berry's body, arguing that his failure to appear and clear himself of the charge made by Donahue indicates that he is unable to do so.

An elaboration of this theory, which is admitted to be little more than guesswork, is that Donahue and Berry both possessed information concerning the woman's death, and that Donahue, fearing exposure, sought and obtained the aid of a third man, whose identity is strongly hinted at, and who is said to have been the first husband of Mrs. Donahue.

Arkell Will Be Held. Because of the discovery of certain property identified as belonging to the dead woman in the home of Gustave Arkell, the latter, it was announced tonight, will not be released from custody until his connection with the case is thoroughly cleared up.

It is said that Donahue, prior to his suicide, denied that the comb had belonged to the woman, and it is the theory of the detectives that his refusal to identify the article was prompted by a desire to shield Arkell.

An exception to the Biblical teaching that in death there is peace and eternal rest seems to have been found in the case of Mrs. Donahue.

Her Money Not Available. The remains of the slain woman occupy a slab at the morgue, as do those of the man who passed as her husband. In the case of the alleged husband, there is said to be a sum of money in his sight with which to defray the funeral expenses.

This morning Public Administrator Gray filed letters of administration in the murdered woman's estate. It will take considerable attention of the courts to straighten out the affairs of the dead woman.

Donahue, a day or two before he took his own life, had made funeral arrangements for the woman who for ten years had posed as his legal wife. He had agreed to pay for a perpetual-care grave in Mount Hope cemetery and had made all plans for an elaborate wake.

Thinks Mystery Insolvable. Captain Peterson, of the detective force, stated today that he did not believe all the complications of the case would ever be cleared up. He is of the opinion that Donahue murdered the woman, and committed suicide rather than face a charge of murder.

His theory is that Donahue murdered the woman for her money, for the \$2950 insurance and \$9000 in the bank.

ANTI-DUBOIS MEN SCORE New Ticket Is Accepted, but Dubois Faction Starts Fight in Courts.

BOISE, Idaho, Sept. 4.—The anti-Dubois faction of the Democratic party in Idaho scored the first point in the battle between the two factions for recognition as the regular ticket of the party today, when Secretary of State Robert Landown accepted the ticket named by the anti-Dubois men at Wallace.

GRAND ARMY WILL SUSPEND APPEALS TO CONGRESS. Soldiers' Widows Will Let Pension Agents Bring Up Their Case. Next Convention Decided.

TOLEDO, O., Sept. 4.—Not for three years will the Grand Army of the Republic ask Congress for further relief measures. It appeared to be the consensus of opinion of the leaders that too much hammering for pension bills and relief measures might soon create an undignified impression in the minds of Congressmen and reflect discredit on the Civil War veterans at the time in their lives when they would need the most assistance at the hands of the Nation which helped to save.

Status of Soldiers' Widows. Another way will be sought by the veterans to get before Congress those bits of legislation which they feel cannot wait. The attention of the G. A. THE LION CLOTHIERS 166-170 Third Street.

Company will appear at the Baker for the last two times this afternoon and tonight in the rollicking musical-comedy, "Little Dollie from Coliseum."

Lyric Matinee Today. "A Celebrated Case," a world-famous French melodrama that has been delighting Lyric audiences this week, will be repeated by the peerless Blumfeldt Stock Company this afternoon.

Today at the Oaks. This afternoon at the Oaks will occur the awarding of the children's pony and cart, which has been so eagerly awaited. Tonight the Allen Curtis Company will repeat its splendid success in "A Lost Baby," that merry show. Last performance tomorrow night.

AT THE VAUDEVILLE THEATERS. Tom Dacie's Trio at Orpheum. Tom Dacie, the world's champion cyclist, brings his novelty, "Motoring in Mid-Air," from the Coliseum. Last season this act was considered so good that it was made the circus section of the New York Hippodrome.

Comedy at Pantages. "The Girl From Missouri" as depicted by Mable St. Clair at the Pantages, is a rollicking bit of comedy that fulfills its mission of making people laugh. Mable sacrifices a large measure of good looks to make herself grotesque and she succeeds.

"Bit of Blarney" Sunday. Tomorrow will be the last opportunity to see "A Bit of Blarney" and the many other novelties on the splendid vaudeville programs at the Grand. There is not an act on the bill from Tom and Thompson, the funsters, to the singing of Dorothy Dayne, with her director's gown, which is not a hit.

COMING ATTRACTIONS. Baker Stock Company. Everything is in readiness for the initial performance of the season of the popular Baker Stock Company at its new home, the beautiful Bungalow, tomorrow matinee. The opening bill is "Dorothy Vernon of England."

Military Commanders. There will be a warlike act at the Grand next week, commencing Monday afternoon, when George Street & Co. appear in "Military Commanders of the World."

Next Week at Pantages. The Pantages patron will see the funniest comedy animal act in vaudeville, the wrestling ponies. They are a revelation and will prove to be a big drawing card. Why do not wrestle with one another, however, but with John Hodge, a comical unbleached American.

"Hooligan" Coming. "Hooligan in New York," which opens at the Star Theater, commencing at the matinee tomorrow, can truthfully be termed the quintessence of fun. Unlike most comedies it has a plot, and this plot is in the main responsible for the many ludicrous mishaps and complications that round out a solid three hours of fun.

"Lena Rivers" Sunday Afternoon. Opening Sunday afternoon the Bismark Stock Company will offer a splendid production of the beautiful domestic comedy drama "Lena Rivers" for the coming week. Everybody has read Mary J. Holmes' beautiful story, but few have seen the play. This will be your opportunity.

LASTING RESULTS From Using NEWBRO'S HERPICIDE. While it is not natural for everyone to have extremely long hair, it is possible for every lady to have beautiful hair, for when the scalp is not diseased the hair will grow naturally and abundantly. The chief disease of the scalp is dandruff—which is highly contagious—and dandruff is now known to be caused by an invisible vegetable growth called the dandruff germ. Ordinarily, the first signs of scalp infection are dryness, dullness and brittleness of the hair, although the disease sometimes causes excessive oiliness. Following this, the hair loses its luster, the scalp itches more or less and dandruff appears. Falling hair and baldness represent the last stages of hair destruction. Newbro's Herpicide—the original remedy that kills the dandruff germ—will cure any stage of this disease, except chronic baldness, which is incurable. Herpicide not only destroys the dandruff germ and stops falling hair, but it is a most exquisite hair dressing, making the hair light and fluffy and giving it a silken gloss. Almost marvelous results sometimes follow the continued use of Herpicide. It stops itching of the scalp almost instantly. Two Sizes, 50c and \$1 at Drugstores—Send 10c in Stamps to the Herpicide Co., Dept. N, Detroit, Michigan, for a Sample NOTE—If the druggist suggests a substitute, walk out of his store and send the advertised price direct to us.
