

DRYAN INSTRUCTS LOCAL LEADERS

Precinct Committeemen Must Get Out Democratic Vote.

NEBRASKAN IS HOPEFUL

Says Direct Primary Has Revolutionized Politics—Calls for Subscriptions to Fund—May Spend October on Stump.

CHICAGO, Sept. 8.—Twelve hundred precinct committeemen recently elected in Nebraska tonight. The meeting represented an innovation in politics in Chicago, and was for the purpose of putting into effect the call of the National committee for a campaign club in every voting precinct in the United States.

Previous to Mr. Bryan's remarks John W. Tomlinson, of Alabama, chairman of the committee on organization, addressed the conference. He stated that over 5000 clubs already had been organized and that campaign literature and material had been sent to all clubs enrolled at Democratic National headquarters. After Mr. Bryan had sent out to all Democratic clubs.

Primary System Revolutionized.

Mr. Bryan opened by referring to the primary system and declared that it had revolutionized politics. "And authority now comes from the voters," he said, "instead of some central authority."

Mr. Bryan emphasized the importance of the position which the committeemen occupied and declared that no candidate would win success if the work of organization was neglected.

"It will be your business to see," he said, "first, that every Democratic voter is registered; second, that every Democratic vote is cast; third, that every Democratic vote is counted; and fourth, that false registration and repeating are prevented."

Work for Precinct Clubs.

The Democratic candidate administered his message before the day of registration they could be instrumental in assisting in the organization of clubs and that these clubs could assist in the circulation of literature that is needed. "You can find out what the voters are talking about," he said, "on what subjects they are interested, and what arguments need to be given. You can assist in the collection of campaign funds. With several thousand Democrats at work, a few dollars contributed by each means a considerable sum for the campaign fund."

"The reports that come to us from all sections of the country," he said, "amid wild applause, are very encouraging, and we have every reason to believe that, if we all work together and work diligently, we shall be able to rejoice over a victory, state and National."

Bryan Sees Bright Prospect.

Mr. Bryan told the members of the Democratic National committee at their meeting today to discuss campaign plans before the candidate makes his swing through the Eastern states, that with a perfect organization to conduct the Presidential fight the Democratic cause was assured. The outlook for victory, said Mr. Bryan, was much brighter than it was a month ago. The candidate of the committeemen that was more than pleased with the work of the National committee and hoped the work would be continued with the same spirit.

There were meetings at headquarters of the National committee and the advisory and finance committees early in the day, and this afternoon the committee met in general conference, in which Mr. Bryan took part in the council and made a speech. All Democratic members of the United States Senate and House of Representatives and Democratic Governors have been requested by the National committee to lend their services to the campaign. Col. William C. Williams, chairman of the finance committee, informed the committee that funds were being received in small amounts, which in the aggregate totaled a large sum.

Mr. Mack will accompany Mr. Bryan to Peoria, where the candidate will address the Democratic state convention tomorrow.

Bryan to Stump West.

While no official announcement had been made, it is generally believed that the effort to have Mr. Bryan stump during the entire month of October will prove successful. With the announcement that Mr. Taft will make a speaking trip through the Middle West and the West, the Democratic leaders believe that the fight should be forced all along the line until election day and that to that end Mr. Bryan should continue his stump trips until the campaign ends. National committeemen from the far West are trying to prevail upon Mr. Mack to send a candidate to the Pacific Coast states, but whether Mr. Bryan will make the long Westward swing will depend in great measure on plans made for Mr. Taft's stumping tour.

Rustin Mystery Solved

wanted me to shoot him through the abdomen, so his family could get his insurance money. He thought he could trust me. He wanted me to give him two or three days to settle his business affairs before killing him.

"I hardly knew what to say when he said that. He wanted it done Sunday at his office (that was August 23). He thought the noise of the cars would drown the noise of any revolver shot.

Mr. Rice said that Rustin then said she could kill herself. She said a cunning scheme to avoid her suicide being connected with his murder had been broached by the doctor. Mr. Rice said Dr. Rustin had bought a revolver at a pawnshop, but had no ammunition. The woman said she bought some cartridges, but in trying to load the revolver Saturday night she got it out of order, so that the killing could not be carried out on Saturday night as planned.

very angry, and they debated the murder and suicide scheme for some time, finally agreeing to go to his home and commit the double tragedy in his barn. Rustin told her it would make it look as if he had been murdered by some burglar or footpad, if he was shot in the barn.

Tells Her to Shoot, She Refuses.

"While I was at the alley someone drove along and I lost my nerve again and went back to Farnam street," said Mrs. Rice. "I went back to the front door of the house, intending to go out the back way to the barn. All this happened Friday, August 28.

Find Man to Kill Him.

Mrs. Rice said she went to his office Tuesday. She said: "He told me he had found some one else to kill him and that I would not have to do it. A man was coming who was going to kill him—a man by the name of Charley Davis. I was introduced to him."

Davis Denies Killing.

Davis was placed on the stand and testified that he attempted to commit suicide on the night in question by taking drugs, morphine and other poisons, furnished him by Dr. Rustin, but denied that he had any intention of killing the doctor or that he had anything to do with the latter's death. He denied any knowledge of Rustin's death until the day after it happened. He said the drugs taken made him sick and he vomited, thus saving his life. He gave no special reason for wishing to end his life except that he had no desire to live. He said he had made previous attempts at suicide. Davis has not been arrested.

EAST SIDE AGAINST ANKENY

Jones Leads Except in Walla Walla. McBride Beats Mead.

SPOKANE, Wash., Sept. 8.—(Special.)—Mead returns from Washington's first direct primary election at 1 o'clock this morning indicate that in the Third district W. L. Jones is maintaining a comfortable lead over Senator Levi Ankeny in Eastern Washington in the race for United States Senator. Jones has 484 votes for first choice to Ankeny's 244. In Yakima County Jones' home, he is leading Ankeny 5 to 1, while in Walla Walla County, Senator Ankeny's home, the Senator is leading 3 to 1. In neutral counties Jones is generally leading.

In the race for Governor, Henry McBride, indicating that many Democrats voted the Republican ticket. For Governor 11 precincts in Spokane County give Patton 56, Byrne 42 and Durkin 4. For United States Senator, on the Democratic side, if precincts in Spokane County give Catrill 113, Godman 73.

Returns in from the Third District show that Chadwick is running very strong on the Supreme Judicial ticket and is far in the lead of all other candidates. Crow is running strong with Root a good third.
