

REOPENING OF GATEWAY RATES

Commission Makes Ruling on Through Routes Via Portland.

BECAUSE ROAD DON'T ACT

Failure to Establish Routes and Rates Voluntarily From Washington Points to Salt Lake Causes Imperative Order.

OREGONIAN NEWS BUREAU, Washington, Sept. 8.—After consideration of the Portland gateway lumber case, in which an opinion was rendered last June, the Interstate Commerce Commission today announces a modification of its original order, as follows: "As defendants have failed and neglected voluntarily to establish a through route for transportation of forest products between points hereinafter named, and as no reasonable or satisfactory through route now exists between said points; that said defendants be and they are hereby required, on or before October 15, 1908, to establish and to maintain in operation for not less than two years thereafter through routes through Washington points to Salt Lake and Ogden, and to all other points in Utah taking same rates as Salt Lake and Ogden on shipments of forest products from Portland.

Through Rates Ordered. "It is further ordered that said defendants be and they are hereby notified and required to establish and put in force on or before October 15, 1908, and maintain for two years thereafter joint through rates applicable to and through routes on, forest products hereinafter named, including with each other forest products grouped therewith, from all points of origin on said through routes all destinations above named, which said joint through rates shall in no case exceed the following scale per 100 pounds: Fir and spruce lumber in carloads, 50 cents. Cedar lumber in carloads, 50 cents. Long timber requiring two or more cars, 50 cents; subject, however, to present minimum weight regulations.

Long and Short Haul Proviso. "It is further ordered that the above order does not constitute sanction for or enforcement of the establishment of higher rates for a shorter haul than for the same line when the shorter is included within the longer. Defendants are authorized to make said joint rates effective upon three days' notice to the public and the commission. "As to the establishment of a through route and joint rates applicable to the movement of lumber and shingles from Western Washington through Portland over the lines of Northern Pacific, Great Northern and Union Pacific, to other named Eastern destinations, that the complaint in this proceeding be and it is hereby dismissed."

TAFT HAMMERS BRYAN (Continued From First Page.) seven years of all previous records since Washington's time. Still later in his flying trip through the state the candidate declared with great emphasis that Mr. Bryan and the Democratic party were responsible for at least two years of fighting in the Philippines, which would have been unnecessary in the absence of opposition in this country. The personal demonstration of Mr. Taft's capacity as a campaigner, added to the positive announcements he made in his numerous speeches, constituted an important epoch in the Republican campaign.

Talks Clear Across Ohio. Mr. Taft, who is comfortably ensconced tonight at the home of his brother, C. F. Taft, began the day with an address to the veterans, who are quartered at the soldiers' home at Sandusky. He talked patriotism and not politics to the veterans and was cordially received. Then came the principal speech of the day to an audience which filled the Sandusky opera-house. At 1:40 o'clock the start was made in a special for Cincinnati. Ten minutes later at Castella, the candidate received not only the cheers of the populace of Castella, but a huge bouquet of garden flowers tossed to him on the rear of his car by a crowd of children. Short speeches were made at Castella, Green Springs, Urbana, Wharton, Green Springs, to enthusiastic audiences. Springfield and Dayton vied with each other for the biggest crowds of the day and each was expressive of enthusiasm. Red fire and torches helped the crowds at Middletown and Franklin and the speaking time was limited.

Chief Speech at Sandusky. Cincinnati was reached at nearly 5 o'clock, an hour later than scheduled. The Taft family was driven directly to the residence of Charles F. Taft, from where the campaign of the month of September will be conducted. The principal effort of the day of the candidate was made at Sandusky. This speech was preceded by addresses by Representative Kiefer, General Corbin and ex-Governor Herrick.

Kiefer's Shot at Bryan. Representative Kiefer, the first speaker, took a parting shot at W. J. Bryan by declaring: "Yes, the people rule everywhere except in those states of the Union where Democracy is completely dominant." General H. C. Corbin followed with a final exhortation for political energy, after which ex-Governor Myron T. Herrick spoke against Government guarantees of bank deposits.

Mr. Taft, in the beginning of his speech, referred to the panic of last year. Confidence, he said, was a plant of slow growth. The people of the country—farmers, laborers, capitalists—were all in the same boat. The investment of money was, he said, necessary for the return of prosperity and confidence. He not only ridiculed Mr. Bryan's claim to be the heir or the father of the Roosevelt policies, but delivered his own emphatic pledge after analyzing the more important policies, saying: "If elected, I propose to devote all the year. TEST ON HUGHES MIXED

GOVERNOR HAS STRONG SUPPORT AND OPPOSITION.

New York Primaries Show Foreign-born and Tenement Dwellers Bitter Against Him.

NEW YORK, Sept. 8.—Results of the application of the "Hughes test" by 13 of the Assembly districts of New York and Kings counties in the Republican primary elections today were decidedly interesting and decidedly contradictory. According to figures obtainable by tonight, six of the New York districts cast majorities for the renomination of the Governor, three against. All of the three Kings County districts cast decisive majorities against his renomination. The Kings County totals show a net vote of more than two to one against the Governor.

HUGHES' ENEMY IS BEATEN Cassidy Loses Renomination Because He Voted for Gamblers. ITHACA, N. Y., Sept. 8.—(Special.)—State Senator Owen Cassidy was defeated for renomination today on account of his vote against the anti-race track betting bills at the last session of the legislature. Ex-assemblyman Ben Conger, of Tompkins County, who is a prominent churchman and supporter of Governor Hughes, received the nomination in the Senatorial district convention here by 15 votes to 5 for Cassidy, who had the support only of his own county, three other counties being against him.

GET LIGHT FROM ROOSEVELT

New York Republican Leaders Come Out for Hughes.

OYSTER BAY, Sept. 8.—That Governor Hughes, of New York, is the strongest man to head the Republican ticket in New York State at the coming election was the opinion expressed by a number of party leaders of Nassau County after a conference with President Roosevelt at Sagamore Hill. The conference lasted an hour.

LIFE IS CRUSHED OUT

Car painter Meets Death While Working Under House.

WALLA WALLA, Sept. 8.—(Special.)—D. L. Cox, a pioneer carpenter of Walla Walla Valley, residing at Watsburg, was today crushed to death beneath a house which he was moving on the Stone Clipper farm near Spring Valley. Details could not be obtained tonight, but it is thought the accident occurred while Mr. Cox was under the building placing sills and making the building sufficiently substantial to move. It is believed one of the supports gave way and allowed the building to fall on the victim, killing him instantly. Mr. Cox is survived by a widow and two sons.

SCORE MORE INJURED IN DENVER HOTEL BLAZE.

INCENDIARY KINDLED FIRE—Victims Lose Lives or Limbs by Not Waiting for Firemen. DENVER, Sept. 8.—A fire which is believed to have been started by a miscreant caused a panic early today among 100 guests of the Belmont Hotel, a three-story building at 121-125 Stout street, this city, as a result of which, four lives were sacrificed and a score of persons injured, two of whom are not expected to recover. Three men died from injuries sustained in jumping from windows and another was suffocated to death in his room. MRS. BACHUS CONFESSES

IMPLICATES R. D. ANDERSON IN MURDER OF HER HUSBAND.

Wife of Idaho Farmer, Slain at His Home Near Gifford, Is Held as Accomplice. SPOKANE, Wash., Sept. 8.—(Special.)—A special from Lewiston says: Following a complete confession, which has not yet been made public, Mrs. Nancy Bachus, wife of J. M. Bachus, who was cruelly murdered at his home near Gifford Saturday night, is locked up in the County Jail held as an accomplice in the murder of her husband, and R. D. Anderson, heretofore called Addison, is accused in the confession of the widow. After four hours' sweating by Sheriff Harry Leyden, Mrs. Bachus made a detailed confession, which was typewritten by W. E. Stoddard, and while the officials decline to discuss the case, no doubt exists that Anderson will be held for murder.

PROHIS STAND ALOOF

Refuse to Indorse Candidate of Any Other Party. TACOMA, Wash., Sept. 8.—(Special.)—"Get on the water wagon or be run over." That is the slogan of the Pierce County Prohibitionists. There will be no indorsement of any other party candidates. These facts were brought out at the Pierce County Prohibition convention, in a spirited discussion over the office of County Attorney. The convention refused to indorse County Attorney Rowland who is running on the Republican ticket for renomination. Other places on the ticket were filed with the discussion, as follows: Sheriff, W. H. Bock; County Clerk, A. D. Saver; Treasurer, George Riddout; Assessor, H. C. Guest; County Superintendent, Mrs. H. R. Cox. Some difficulty was experienced filling out the Legislative ticket, but one was finally agreed on.

FUGITIVE TAKEN BY POLICE

Man Wanted in Kentucky Is Arrested Near Seattle.

SEATTLE, Wash., Sept. 8.—The Prohibition State Convention met here at 3 o'clock today with 50 delegates in attendance. It was called to order by Secretary R. E. Dunlap, of the state committee. A declaration to the effect that prohibition is the only effective method to kill off saloons has been prepared for adoption. A. S. Caton, of Olympia, is scheduled for the nomination for Governor. SEATTLE, Wash., Sept. 8.—Latimer D. Carter, who is wanted at Louisville, Ky., on the charge of embezzling \$50,000 from the estate of George L. Douglas, deceased, was arrested at Georgetown, near here, tonight and is now in the County Jail. Carter caused an added sensation at the time he absconded a year ago by taking with him Mrs. Mary DeCoursey, wife of a family friend, and leaving his own wife almost penniless. From reliable sources it is learned that Bachus must have set the house on fire by accidentally knocking over a lamp, thereby temporarily felling plans of the assassin, who was lurking in the dark outside the Bachus residence. While trying to save some of his household goods Bachus is alleged to have been shot down.
