**SOMETHING NEW**  
**Wilburton**  
This beauty tract has at last been placed on the market in reach of all—has just been platted into 210 lots 50x100 and 70x100 feet. You remember it faces for a quarter of a mile on the north side of Portland boulevard and, with the exception of a small area in the northeast corner of the tract, it has also a quarter-mile frontage on Patton avenue. It is that park just one-half mile west of Piedmont.  
110 of the lots have been cleared, leaving only the ornamental trees on the blocks; the streets in front of 44 lots are graded. Think of it! Clear, sparkling Bull Run water from a 14-inch main, running along the entire length of the park on the south, cement sidewalks now being laid throughout the entire tract; good soil, capable of producing excellent lawns and the finest of roses; nice driveways, a real boulevard on the south and east, the purest and clearest of atmosphere, beautiful ferns in their natural growth to aid in the making of the artistic homes, the Willamette a short distance to the west, and the Columbia boulevard and river to the north.  
Secure a lot in Wilburton, the elite of Portland realty, now offered to the public, with its many advantages, and insure for yourself a beautiful home in a fine residence district. Prices very reasonable, payments easy, and all lots sold under building restrictions.
