

BEVERIDGE WILL VISIT PORTLAND

National Committee Orders Indiana Senator to Go to Pacific Coast.

TALK ON ORIENTAL TRADE

Republican Orator Will Speak in Dakotas, Montana, Oregon and California—Governor Hughes to Make Tour of West.

NEW YORK, Sept. 18.—Announcement was made today at the headquarters of the Republican National committee that Senator Albert J. Beveridge of Indiana has been selected to make a tour from New York to Portland, Or., and make political speeches in reply to William J. Bryan, Democratic candidate for President.

The Senator will speak in the Dakotas, Montana and Oregon and make an address at Portland on "The Navy and Oriental Trade." A speech on the same subject will be made at San Francisco.

An important meeting of the executive and advisory committees of the Republican National committee was held at Chairman Hitchcock's office today. A great many matters connected with the opening of the Republican campaign in New York were considered.

Cummins in Conference. Governor Albert B. Cummins of Iowa had a long conference with Mr. Hitchcock. He expressed the opinion that he would give Mr. Taft from 30,000 to 60,000 majority.

Ex-Governor Myron T. Herrick, of Ohio, who visited Republican headquarters, said: "I am surprised that any one should think of putting Ohio in the doubtful column. Differences that may have existed in the state will not interfere with the Republican majority in November."

Hughes Coming West. Governor Hughes will be here tomorrow and confer with Mr. Hitchcock. The Governor is to give a part of his time to the campaign in Western states.

Senator Borah, of Idaho, who had made 20 speeches in the East, left New York tonight for Chicago, where a Western itinerary will be made for him.

Officials at Republican headquarters were elated today by a visit from Calvin Chase, of Washington, D. C., a negro editor. Mr. Chase said:

"The alleged negro revolt will shortly become a mere hallucination. The negroes are not getting anything from the Democrats and the bubble is about to collapse."

TAFT AND BRYAN WILL MEET Both to Be Guests at Chicago Business Men's Banquet.

CHICAGO, Sept. 18.—Judge Taft and W. J. Bryan will meet at the Chicago Association of Commerce banquet in this city, October 7, after all, according to an announcement made today by Chairman Dixon, of the Republican Speakers' Bureau.

It is possible that the two Presidential candidates will meet even earlier in the day, as Judge Taft has accepted an invitation to speak at Galesburg, Ill., October 7, in the afternoon, and a committee of Galesburg citizens has been appointed to invite Mr. Bryan to be present.

"This talk that Judge Taft did not care to meet Mr. Bryan was all twaddle," said Chairman Dixon. "It didn't look as if he could appear both at Galesburg and Chicago, and so I cancelled the Chicago engagement because Judge Taft had another engagement for a Chicago speech on October 7, opening the Waterways Convention in the forenoon. When I found that we could get him back from Galesburg by special train, I changed my mind about it."

Taft Discusses Negro Problem. CINCINNATI, O., Sept. 18.—After an interview with Bishop Derrick of the Ohio conference of the African Methodist Episcopal Church, in which the entire negro political question was discussed and a conference with Sumner McPherson, New York, editor of the Churchman, Mr. Taft returned to the residence of C. P. Taft to continue work on his speeches.

Senator Crane, of Massachusetts, is expected to reach the city in the morning.

Sherman Speaks at Fair. SYRACUSE, N. Y., Sept. 18.—James S. Sherman, Republican candidate for Vice-President, was the principal speaker at the interstate celebration at the State Fair today. Mr. Sherman was introduced by Lieutenant-Governor Chanler, the Democratic nominee for Governor.

EASTERDAY CAN TAKE GAFF Defeated Candidate Willing to Abide Gracefully by Results.

OLYMPIA, Wash., Sept. 18.—(Special.)—Commenting on the report that some Republicans would contest the provisions of the primary law, J. H. Easterday, who was defeated for nomination as Attorney-General by second choice votes, said: "I understood the law, although perhaps not all features of the game before I entered the race. I took my chances and abide by the result. I trust that I fall in that class so lucidly described by Lincoln Davis, ex-Senator from Pierce County, as 'It is a gamecock that can take the gaff.'"

SECOND BLOW AT FORAKER (Continued From First Page.) Memphis, Tenn., where he speaks tomorrow night. He was followed at the theater by Thomas L. Hiscox, the Presidential candidate of the party. Hiscox discussed the campaign issues raised in the party platform and analyzed the conditions which, he declared, made the formation of the Independence party necessary.

Mr. Hearst in his address said: "Mr. Foraker replied in characteristic Republican manner. He practically admits that he did serve the Standard Oil and is proud of it. His statement is based on letters I read last night. If he had seen the letters I am going to read tonight, he would have denied the whole matter."

The first letter follows: "28 Broadway, New York, January 27, 1902.—My Dear Sir: Responding to your favor of the 25th, it gives me pleasure to hand you herewith certificate of deposit for \$50,000, in accordance with our understanding. Your letter states the conditions correctly, and I trust the transaction will be successfully consummated. Very truly yours,

J. B. Foraker, Washington, D. C." The second letter, as read by Mr. Hearst, was: "28 Broadway, New York, Feb. 25, 1902.—

"JOHN D. ARCHBOLD. "Hon. J. B. Forsaker, Washington, D. C." Forsaker Does Not Convince.

Mr. Hearst continued: "The bill referred to in this letter is one introduced by Senator Jones, of Arkansas, in the United States Senate. Consequently Senator Forsaker's statement does not convince when he says the correspondence had nothing to do with any legislation in Congress.

"There is no greater danger to this republic than this mighty power of money employed for evil. There are no greater criminals than those trusts that corrupt the public servants.

"The Republican party has long been maintained by these criminal combinations. The Democratic party has long wanted to be tempted by these corporations."

Bryan Working Shell Game. Mr. Hearst then gave his reasons for leaving the Democratic party.

"Mr. Bryan," he said, "is a shellman at a county fair, executing a shell game. Where is the little ball of free silver, of public ownership of the referendum, gone? Mr. Bryan is an astounding juggler. He balances on one hand Belmont, the union labor breakers, and on the other Gompers, the union labor leader.

"Mr. Bryan is the political loose skin man. You cannot tell whether he is coming or going."
