CAPITOL HILL

The choice of them all with 5-cent car fare on the best carline running in and out of the city. The Oregon Electric Railway runs through the center of Capitol Hill for more than half mile; every lot cleared, sightly and level, no stone or gravel, the richest kind of soil. The lots in Capitol Hill are all full size, 50x100 feet, no Jim Crow 25-foot lot. Capitol Hill is only ten minutes ride from the business center of this city, inside the city limits, on the West Side, in Portland proper; you can ride to and from Capitol Hill in a palace car. We have a nice little depot on the ground; you can slow walk from the depot platform on sidewalk through the tract for more than a raile. Every lot is a beauty, and the price, that is so low we are ashamed to mention it, \$200, \$250 and \$330 per lot. The terms, any kind of terms you want, from \$5 up monthly. Title to all of Capitol Hill is perfect. If you don't want to you need not call at our office, take the car at Front and Jefferson streets, ride to Capitol Hill and look it over for yourself. If you call at the office we will pay your fare. This is the cheapest inside property and the most desirable ever offered at the above low prices before in Portland for twenty years. Another statement we here make and that is that you can build your home in Capitol Hill and from your front porch see more people passing through it daily from now until the end of time than any other residence portion of Portland, and that's what gives value to real property and not hot air. Capitol Hill has two railroads running through it, and the best carriage and automobile road from the city to every lot in the tract.

Address or come to the office and talk to us about Capitol Hill.
