## SING HERE NEXT WEEK

Four Famous Artists Will Appear at the Hellig, October 7.

Campanari, the baritone, with the Metropolitan Quartet of singers, who will give a concert at the Hellig Theater, Wednesday, October 7, is one

of the best-known and best-liked figures in the artistic life of New York. His conceptions of operatic roles have excited much comment and his singing especially of the role of "Tonio" has been characterized as the finest exemplification of art that opera can put forward. His "Prologue" from "Pagliacci" is hard to equal for its sympathy and perfection. The other members of the quartet

will be Rappold, the soprano, Jacoby, the contralto, and Martin, the tenor. The programme will be wonderfully attractive with numbers from the finest operas. This will be the first concert in the Lois Steers-Wynn Coman series of subscription concerts and will open the season at the Hellig on Wednesday, October 7.
