SAN FRANCISCO, Oct. 1 .- (Special.) The Commuters nesed out ahead of the Beavers today in a loose and wobbly sort of game that might have been exciting of game that might have been exciting had the ball park been steam-heated and if the fans had had their furs on. But with the thermometer greased and sliding down all the afternoon it was hard to keep the chilbians off the enthusiasm. Each team put on most of its twitters and all of them got theirs. The Oaks first tried a lengthy busher from Chicago named Davis in the box. He lucked like a been pole and had all of the scentricities, but none of the curves of Rube Waddell. He has been playing with the Chicago Ladies' Baseball team and a few of his fair teammates were watch-ing his work from a box.

The Commuters started almost like living human beings in the first inning by grace of Helm Heltmuller's home run right over the cuuter field barrier. The Beavers came to life in the fourth when You Yohnson thought he was swinging the ax on a tree in those dear old Minne-sota lumber camps and repeated the feat accomplished by Heiny.

The Beavers came within a whisper of evening it up in the ninth, and if the atmosphere had been less frapped the multitude might have got excited. The PORTLAND.

ENTRIES FOR HORSE SHOW

HUNT CLUB DISPLAY PROMISES TO BE SUCCESS.

Although Lists Are Not Complete, Number Will Probably Double Last Year's Showing.

Entries for the Portland Hunt Club Fortries for the Fortian Function Horse Show closed yesterday, but it will be several days before all of the names will reach the office of the club. A partial list, made up of the entries thus far received, indicates that almost twice as many horses will be shown in the ring this year as were shown last, and there is no question but that the standard of those that will attract the attention of

the judges will be classier.

Applications for practically all of the stalls in the stables back of the Oriental building have been applied for by out-of-town exhibitors. Most of the stalls have been reserved for those who have shipped their stables to the show, although a cer-

T. S. McGrath, president of the Hunt Club, returned from Seattle yesterday morning. He brought back a large en-try list of Seattle horses, which will again be one of the features. The stables of Messra. Farrell and Considine will again be a part of the show and shipped with these will be the stable of D. E. T. T. Strain, who again has charge of the entries to the heavy harness horse class, will have between 50 and 70 horses shown in the various classes. These horses, all of them used for delivery service and heavy draying, were a distinctive feature of last year's show. In this class there will be shown six four-horse teams, and when they purade into the ring, with their heavy harness and heavy wagons, it will be a sight well worth seeing, for Portland can boast of as fine a lot of heavy harness horses as any city in the country. In addition to the six big sets of four, there will be three teams of three abreast.

The results of these games caused the New York team to fall back two points in the percentage column and enabled the Chicago club to draw two points closer to New York. This leaves Chicago and Pittsburg tied for second place, with New York leading by the narrow margin of two points. The standing of the first three teams in the National League follows:

PHILADELPHIA. Oct 1.—New York broke even with Philadelphia here today and thereby retained the lead in the National League race. The visitors knocked Corridon off the rubber in the first inning of the opening contest, but the home team bunched hits off Mathewson and tied the score in the fourth inning. In the last five innings Philadelphia could get only two hits off Mathewson, while Richie held his opponents to three hits during these innings. New York scored the winning run in the sixth inning when, with Deviln on first and two out, Magee muffed a drive by Needham, the former scoring. Covalskey held New York to four hits in the second game and the home team won easily. They knocked Wiltse off the rubber in three innings and also touched up McGinnity's curves in lively fashion. New York's runs were scored in the sixth inning on two bases on balls and Donlin's double. FROM A CIVIL WAR VETERAN

Tells How He Was Cured of Rheumatism After Fifteen Years of Suffering.

Mr. John D. Laughlin, whose address is R. F. D. No. 1, Burns City, Martin Co., Ind., is known and highly respected throughout that county and has lived on his present farm for 68 years. During the Civil war Mr. Laughlin served in Company B, 27th Indiana Volunteers and his sickness was the direct result of the hardships of the war. After years of pain he found a cure in Dr. Williams' Pink Pills and his statement should be read by every rheumatic ould be read by every rheumatic

"I was discharged from the army in September, 1864, a physical wreck, weighing only 97 pounds," he says, "and soon after became seriously afflicted with rheumatism. My feet and ankles and my arms were drawn ed with rheumatism. My lect and ansies were swollen and my arms were drawn up stiff and at times I could not lift them for they felt lifeless. There were darting pains that shifted from one part of my body to another and kept me in misery all the time. At night I could not sleep and my heart troubled me. I was frequently confined to my bed.

"I tried several doctors but got little help and no encouragement from them

help and no encouragement from them for they said I could not expect to live for more than a year or so even with the best of care and advised me not to try and work. I then tried many remedies but with little benefit until I began to use Dr. Williams' Pink Pills. I had been sick for about fifteen years before I read about these pills and bought two boxes for a trial. These helped me some so I kept on taking them until cured. I always keep them on hand to take occa-sionally if I feel I need a tonic. I gained in weight and have done as much work as most of my neighbors. I often rec-ommend Dr. Williams' Pink Pills for I can't help speaking well of them." Dr. Williams' Pink Pills are a tonic

for the blood and nerves and have proved especially helpful to women and grow-ing girls. They were used extensively in private medical practice and, proving in private medical practice and, proving efficient in a wide range of diseases and absolutely safe in all cases, were placed upon general sale with directions for use prepared by the doctor himself.

New York goes home for a three-game series with Boston at the Polo grounds, while Pittsburg hooks up with Chicago on the Cubs' home lot.

Jesse Garrett seems to have lost his grip, for he has been twice knocked out of the box since McCredle invaded the Southland. Five runs in the first session effectually put a crimp in Portland's aspirations, although the boys made a gallant bid for the later game of the day. . . .

Los Angeles copped victory again yesterday, but it took them an extra session to do it. The Seals must have come to life ali of a sudden, for they are playing a much better brand of baseball against Berry's crew than was their wont carlier in the season.
