MANY TO HEAR BEVERIDGE

CITIZENS FROM ALL PARTS OF STATE ATTEND RALLY.

Republican Campaign Will Be Continued by Judge Thompson. Speaks Here Oct. 13.

C. N. McArthur, secretary of the Republican state central committee, received word yesterday that Senator Beveridge, who will speak at the Armory on Tuesday night, would arrive at 8:15 o'clock on a special train from Tacoma, and upon receipt of this announcement he at once appointed a reception committee consisting of Judges C. T. Gantenbein, C. W. Hodson, Senator Bourne and Senator Fulton, who will meet Senator Beveridge at the train and will escort him to the Armory. In addition to Senator Beveridge's political speech, there will be a programme of music, and it is expected a number of prominent Republicans will deliver short speeches. Since it was announced that Senator Beveridge would, by his speech at the Armory, fire the opening gun of the

Republican Presidential campaign in Oregon, Secretary McArthur has received word from prominent Republicans from all over the state declaring their intention of coming to Portland for the purpose of hearing the distinguished Senator from Indiana. Republicans 10 strong will come from Salem alone. After his speech at the Armory, Senator Beveridge's special train will go south over the Southern Pacific, and arrangements have been made for short stops at many of the Southern Oregon towns. The Senator will follow the custom established by Bryan and Roosevelt of making speeches from the rear platform of his special car. His first speech will be made at Roseburg at 8:45 o'clock. The next stop will be at Grants Pass, arriving there at 1:55. He will talk to the Republicans of Medford at 3:20 and at Ashland at 4 o'clock. Another Republican speaker that will attract attention is Judge J. W. Thompson, of Seattle, who will be in Portland on the night of October 13. Judge Thompson is a noted orator. He will also speak at Forest Grove.

BLANKET SALE.

Full 11-4 size white and silver gray blankets in fancy blue and pink borders and taped ends—extra heavy—on sale today at \$2.38 a pair. See our Third-street window. McAllen & McDonnell, Third and Morrison.

This morning there will resume business alongside of us on Alder street the market that was put in under threat of the Beef Trust. Down on Alder street we have markets on both sides of us, but we rely upon the people of Portland today and in the future to pass up these markets and trade with Smith. There are many who say you can't depend upon the honor of the people at large, but in our fight against the Beef Trust in the past three years, the great mass of Portland's people has never failed us. We will give you better, cheaper meat than you can get anywhere else in the city. Every ounce of it is city dressed—clean, healthy, wholesome. We repeat the promise we have so often made the public, that as long as Frank L. Smith has life and health he will continue his fight against the Chicago Beef Trust and keep the price of meat down. He pledges his word never to sell out nor stand in with the Trust, even though it would crowd him to the very door. Will you, individually you, help us in our fight against the Beef Trust?

FRANK L. SMITH MEAT CO. "Fighting the Beef Trust."

Specials for Saturday at all of Smith's markets. Down on Alder street you will have to avoid the markets on both sides of Smith's. See that Smith's name is over the door and then come in.
