

CALLS SHELTON TRUSTS MAGNATE

Mack Opens His Attack on Republican Campaign Treasurer.

IS IN SEVENTEEN TRUSTS

Democratic Chairman Attempts Explanation of Sheldon's Choice to Collect Funds—Why Odell Rejected Him for Nomination.

NEW YORK, Oct. 2.—National Chairman Mack today made an attack upon the corporation affiliations of George R. Sheldon, treasurer of the Republican National Committee, charging that Mr. Sheldon is at this time connected with no less than 17 financial companies. Mr. Mack made the following statement:

The trust and corporation affiliations of George R. Sheldon, treasurer of the Republican National Committee, for the past 20 years make interesting reading. At the recent developments in the campaign of Odell Tamm His Dues.

Member of Seventeen Trusts.

This cannot be denied. Most of the corporations with which Mr. Sheldon is identified are capitalized for millions. How much of their stocks he owns, I do not know, but he is easily ascertained. Yet Mr. Roosevelt has defended him and Mr. DuPont was invited to step down and out. Mr. DuPont was only identified with one trust, while Mr. Sheldon is at the present time intimately identified with no less than 17 prominent financial concerns.

Some of Trust Connections.

One of these, the Bethlehem Steel Company, does not employ union labor and has opposed the organization of its employees for the past 18 years. Mr. Sheldon is a director of this company. He is also director and treasurer of the North American Company, capitalized for \$20,000,000. It is but a few years back since he was prominently identified with the Standard Oil Company in his connections with various companies for the past 20 years with explicit variety. No further comment of mine is necessary.

The corporations named by Mr. Mack include railway, industrial and financial concerns here and elsewhere.

Chairman Hitchcock, of the Republican National Committee, has shown Mr. Mack's attack on Mr. Sheldon, but declined to make any statement. Mr. Sheldon said the statement did not contain anything to which he desired to make answer.

SEEK MATERIAL FOR SCANDAL

Democrats Inquire Into Records of Republican Committeemen.

NEW YORK, Oct. 2.—After the attack of National Chairman Mack today on the corporation affiliations of George R. Sheldon, treasurer of the Republican National Committee, it was learned tonight that the Democratic National is preparing to assail the corporation connections of William Nelson Cromwell, member of the advisory committee of the National Republican committee. Other members of the Republican advisory committee are also being investigated and representatives of the Democratic committee are inquiring into the financial records of the Republican committeemen.

ROBBERS PUT UP FIGHT

A futile attempt was made at 1:50 o'clock this morning to rob the Stockholm lodging-house at Third and Everett streets. Two men entered the place, but, after searching in vain for valuables in the office, were discovered by one of the proprietors, John Kakouris. The intruders fought and managed to escape.

REFUSES TO PAY FOR ORGIE

Tacoma Clubman Alleges He Did Not Get His Money's Worth.

TACOMA, Wash., Oct. 2.—(Special.)—The sensational case of George Gleason and Ben Minnick, proprietors of the Marshall Road House on the Tide Flats, against William V. Burrill, a member of all the prominent social clubs of the city, was concluded before Judge Irwin today. The plaintiffs are seeking \$500 alleged to be due them on checks issued by the defendant upon which payment was stopped. Burrill alleged that he did not get value received for his money. Women took the stand and testified to disgraceful orgies at the road house. Burrill, when he returned home, "welched" on the checks he had given and suit followed.

BLIZZARD HITS MONTANA

Floods to Follow if Chinook Winds Blow.

BUTTE, Mont., Oct. 2.—A blizzard general over this section struck Butte last night and six inches of snow have fallen, crippling telegraph service and delaying trains.

Should a Chinook wind follow, floods are probable, as the fall of snow is unprecedented for this time of the year.

CALLS DISPUTED GAME TIE

Pulliam Sustains Umpire and Denies Claim of Chicago.

NEW YORK, Oct. 2.—President Pulliam, of the National League, tonight

announced his decision on the New York-Chicago game of September 24, declaring it a tie.

Mr. Pulliam rules that the Chicago club has no claim in equity for a forfeited game on September 24, when Chicago holds that the game of the day previous should have been played off. The whole dispute comes down to a question of whether the umpires should be upheld or not. Mr. Pulliam declares. In conclusion, he says:

The playing rules saying the decision of the umpires on a question of fact is final, this whole controversy hinges on a simple question: "Was Merkle forced out at second base?" Umpire-in-Chief O'Day says the substance of an affidavit purporting to have been made by Rev. Dr. Joseph G. Murray, which was presented to Justice Giegrich in the Supreme Court today.

BRYAN NOT LIKE LINCOLN

SHERMAN COMPARES NEBRASKAN WITH MARTYR.

Says Commoner Would Destroy Work Done by First Republican President for Union.

ROCK ISLAND, Ill., Oct. 2.—James S. Sherman, Republican nominee for the Vice-Presidency, delivered an address here today. Mr. Sherman said in part: "I shall not abuse my privilege by imposing upon your patience or claiming your attention for more than a brief period. I am advised that it is permissible to speak as a partisan. I am told that this is Republican day, and my theme shall be something of a comparison of the early leader of Republican thought and action with the present dictator of so-called Democratic declarations and professed intentions.

"In so far as he has a party behind him, Mr. Bryan is the candidate of those who maligned and ridiculed the first and greatest President of the Republic party has given to the Nation. Mr. Bryan relies for support on the forces which at every step opposed Lincoln, which obstructed the measures of war and peace of that savior of the Union, and pronounced the proclamation of emancipation a monstrous crime.

"In his earlier campaigns he counted most of the states which elected Lincoln 'the enemy's country.' He has never accepted the principles and policies which glorified the administration of that martyred patriot. What proofs can he offer that he is a disciple of the man who I felt like to, at dinner, who signed the Morrill tariff, who stood steadfastly for protection and made possible the present grandeur of the United States?

"In 1850 the states which elected Lincoln cast all their influence against the candidate who now reaches for the strength of the halcyon name, who should be a citizen who admires Lincoln, believes in his teachings, wishes his principles and policies perpetuated, tolerate for a moment the preposterous claims of this self-assertive candidate? Could two men be more different than are these?"

ASKING GOVERNMENT AID

Pendleton Business Men Want Experimental Farm at Hermiston.

PENDLETON, Or., Oct. 2.—(Special.)—That a memorial asking for funds for equipping the Government experimental farm near Hermiston be addressed to Secretary of Agriculture Wilson and to F. A. Newell, director of the United States Reclamation Service, was adopted tonight in a meeting of a committee of the Commercial Association held in the association rooms to consider that problem. The committee handling this matter consisted of Dr. W. G. Cole, of this city; B. C. Brownlee, of Umatilla; Addison Bennett, of Irrigation; H. G. Newport, of Hermiston, and Dr. C. C. of Portland.

The government has already set aside 40 acres of land near Hermiston, and has signified a willingness to help in its development. The problem now confronting the people of the irrigation belt is to get this farm equipped with tools and machinery and into running order. The water is at present furnished by the Government.

President Kerr, of the Oregon Agricultural College, will be asked to furnish plans and specifications for the farm to be submitted to the Government.

Seattle's Superintendent of Streets Proves Careless Driver.

SEATTLE, Wash., Oct. 2.—(Special.)—Two men were run down by the city street department's automobile at Third and James streets about 4:30 this afternoon and seriously hurt.

George Hewitt, assistant storekeeper at the Navy-yard, in attempting to dodge the automobile was caught by the car and run down. His right leg was broken under the knee and his scalp is severely cut.

Hugh McGee, foreman in the street department, who was in the machine, ran over the man who was struck and killed when the machine struck an iron post and his right hand was almost severed from the arm.

M. T. Maloney, Superintendent of Streets, who was driving the car and doing his best to avoid the accident he saw impending, escaped without injury.

CAMPAIGN AGAINST RACING

Anti-Racetrack League Holds Meeting in Berkeley.

BERKELEY, Cal., Oct. 2.—The anti-racetrack campaign was reopened in Berkeley tonight by the California Anti-Racetrack League at a well-attended meeting at which Bishop William Ford Nichols was the chief speaker.

Earl H. Webb, president of the league, declared that every assemblyman in the state, in order to be re-elected, must be connected with and that many had promised to fight the track.

Bishop Nichols characterized the track as one of the greatest forces for broken homes and said that politics and civic life would both be more moral when it was wiped out of existence.

Stabs Negress With Glass.

Grace Porter, a negress, living at 341 Flanders street, was attacked at 10:30 last night by a negro, who escaped after the assault and for whom the police are now searching. According to the story of the Porter woman, a negro named Howard Thomas asked her for some money, and when she refused, he attacked her with a long piece of glass, shoving it in a danger. Patrolmen Humphreys and Hirsch searched the neighborhood, but could find no trace of the assailant.

OFFICER HURT AT FINISH

AT BRIGHTON 24-HOUR RACE NEARLY PROVES FATAL.

Ralph De Palma Breaks Track Record for Mile—Two Cars Injured in Practice and Do Not Start.

BRIGHTON BEACH RACE TRACK, N. Y., Oct. 2.—Almost in front of the grandstand, where thousands of persons were watching the 24-hour automobile race tonight, M. Hickert, a special officer employed by the motor racing association, was seriously injured by one of the racers and so seriously injured that it is not believed he will live. Hickert was struck by car No. 6, one of the American machines, which at the time was being driven by Robertson.

The starters were: No. 2—Murdorf and Cobe, American. No. 3—De Palma, Cuba and Hawley, Italian. No. 4—Laurent, Oldfield and Marquis, American. No. 5—Strang and Basie, French. No. 6—Robertson and Lescault, American. No. 7—Schubert and Rodgers, American. No. 8—Roberts and Winters, American. No. 9—Chevrolet, Miller and McMan, American. No. 11—Rippinger, Lathwell and Peppery, American. No. 12—McArthur and Blanchard, American. No. 13—Blok and Clement, French. No. 14—Post and Galien, Italian. Cars Nos. 1 and 10, the American entries of Michner and Lynch and Young and Doty respectively, did not start, both cars being injured in a collision during a practice spin preliminary to the races. Number 6, the Robertson and Lescault car, jumped to the lead at the start. Ralph De Palma, driving a 60-horsepower Italian car, broke the track record for the mile.

The affidavit submitted by Mrs. Gould in reply to allegations her husband had made today, in which it is charged that certain witnesses had been hired to testify in favor of Mr. Gould.

The case came up on a motion to strike out certain allegations in Mrs. Gould's complaint in her suit for a separation from her husband as scandalous and irrelevant. Mrs. Gould's counsel opposed the motion and presented several affidavits, in which it was charged that certain witnesses had been hired to testify in favor of Mr. Gould.

"When living in the country and spending most of my time in the open air, I have drunk a cocktail on sitting down to luncheon and generally a glass of white wine with luncheon. At dinner, whenever I felt like it, I drank a cocktail and a glass of champagne. We were always accustomed to have wine served at those meals, but that was the extent of my drinking."

Then she accuses her husband of gross habits of intoxication. She says she was particularly annoyed by her husband during a trip to Egypt, where they were entertained by the Khedive and Prince Mohammed Ali. She accuses Mr. Gould of being drunk and of having a woman with the Prince, while he went in a carriage with another woman who was a guest at the luncheon.

SEATTLE, Wash., Oct. 2.—(Special.)—A draft for \$3013, the first installment of \$20,000 to be sent outside the state for Republican campaign purposes, was mailed to Frank H. Hitchcock, chairman of the National Republican Committee, today.

The amount was entirely made up of voluntary subscriptions from individuals, and no one contribution amounted to more than \$100, while most of the subscription arrived at tonight in a meeting of that amount. The largest lump sum was contributed by the Yale Club, which turned in \$50.

The subscription was raised by a committee men, including Judge R. A. Ballinger, Hon. John L. Wilson, P. W. Baker, R. R. Fox and L. H. Gray. The money was collected through general solicitation of members of the committee.

SIGNED NOTE UNDER SPELL

Judge Allows Defense and Dismisses Collection Suit.

TACOMA, Wash., Oct. 2.—(Special.)—Justice Graham today was a storm center during the hearing of the suit of W. B. Proctor against Mrs. Lena Kilbourn to enforce the payment of a note for which Proctor claims the balance of the purchase price of a rooming-house which the defendant purchased from him last July. Mrs. Kilbourn admits having bought the house and given the note, but declares that the plaintiff exercised a mysterious spell upon her which rendered her temporarily not herself.

She declares that she was completely in his power and did anything he told her. Justice Graham decided the woman was incapable of managing her affairs when the note was signed and dismissed the action.

NOT RELIGIOUS MINISTERS

Salvation Army Officers Can't Pay Half Fare on Harriman Lines.

CHICAGO, Oct. 2.—(Special.)—The legal department of the Harriman Lines has decided that the officers and workers in the Salvation Army are not ministers of religion and are not, therefore, entitled to free transportation or reduced rates on railroads.

Believing that such is the case, the Southern Pacific has caused the subject to be docketed for consideration at a monthly meeting of the Transcontinental Passenger Association which is to be held here next week.

Attorneys of the Southern Pacific insist that within the meaning of the statute ministers of religion are those only who have been regularly ordained as ministers by the various recognized denominations.

LOS ANGELES, Cal., Oct. 2.—Jim Barry, of Chicago, defeated Battling Johnson, of Los Angeles, the latter's seconds throwing a towel into the ring in the seventh round of the ten-round bout before the Pacific Athletic Club here tonight. At the sign of the towel Johnson, who had been outclassed and was groggy, cried out for a contest and he and his seconds rushed upon and pummeled his seconds, declaring his ability to win.

Barry showed little class and was very tired in the last rounds. The attendance was 3000.

CHINESE AFRAID OF WARSHIPS

Rumors Circulated Among People Amoy Is to Be Seized.

AMOIY, China, Oct. 2.—Local agitators have been circulating a report to the effect that the American battleship fleet, which will visit this port about the end of October, purposes to seize Amoy as a base of operations in a forthcoming war with Japan. The people became alarmed and began leaving the town. There to prevent a general exodus of the population the municipal authorities issued a proclamation forbidding the people going to the interior taking heavy baggage with them. Two of the agitators have been arrested and punished with severe whippings.

Coaling Is Begun.

MANILA, Oct. 2.—The battleship fleet has begun to coal preparatory for its visit to this port about the end of October. It will depart on the evening of October 3.

Some of the battleships reached Manila with only a few tons of coal in their bunkers and colliers went alongside them as soon as they were anchored.
