However, it is said by his followers that he is stronger today with the people of Idaho than ever before. And they are emphatic in their statements that he is far from dead politically. "Ever since the Supreme Court decided against the Dubols wing of our (Demo-cratic) party, we have had to lle quiet and await developments on several im-portant measures. The former Senator has acted with great wisdom and is to-day stronger in Idaho than ever before, despite the fact that he and his sup-porters were 'downed' by the pro-Mor-mon wing, which took possession of the state convention and nominated Moses Alexander for Governor. "The local option question is attracting much attention. The Republican plat-form indorsed the movement for local option, with the proviso that when its enactment into law comes up as a unit before the Legislature, a law is to be passed. My treatment for diseases peculiar to men are along original lines, and are successful. Hence, I reiterate that no man need be WEAK and AILING. My Special Treatment is an open door to manly vigor and all the pleasures that belong to perfect health. Any man may avail him-self of my services. It has been and is my life's work to all affiltered men, alleviate their sufferings and restore them to health and vigor. I have therefore placed the charge for my services within the easy reach of any man, no matter what his circumstances. To PROVE faith, I WILL WAIT FOR MY FEE UNTIL YOU ARE CURED. No man could be fair-er than that. I take all the risk. You take none whatever. You have everything to gain and absolutely nothing to lose.

My Fee For Any Ailment of Men Is...... In Any Simple Disorder

Delay Is Dangerous

Men whose vitality is exhausted, those who have some private disease or weakness lurking in their system, and who are prematurely old, while still young in years-broken-down wrecks of what they ought to be, and who want to be strong and to feel as vigorous as they did be-fore they wasted their strength, to enjoy life again, to win back the vim, vigor and vitality lost, should consult with me before it is too late.

My Direct Method Treatment Offers a

Positive CURE for Every Ailing Man

I Cure "Weakness"

"Weakness" is not a nervous disorder, domainding a tonic system of treatment, but is merely a symptom of chronic infilammation or con-gestion in the prostate gland. This condition exists as a result of early dissipation or some improperly treated disorder, and requires carefully directed local measures only. By my own original methods the pros-tate gland is quickly restored to its normal state, which results in full and complete return of strength and vigor. My cures are per-manent because the condition responsible for the functional disorder is entirely removed, and I am convinced that by uo treatment other than my own carefully directed local measures is a radical cure of this all-ment possible.

Men's Diseases

The serious results that may follow neglect of men's diseases could be scarcely exaggerated. Safety demands an absolutely thorough cure in the least possible time. I have treated more cases of these disorders than any other physician upon the Paelfic Coast. My cures are thor-ough and are accomplished in less time than other forms of treatment requirs in producing even doubiful results. I employ remedies of my own devising, and my treatment is equally effective in both recent and chronic cases. I also cure Lost Strength.
