SET OUT 50,000 ROSES

PENINSULA WILL PREPARE FOR FESTIVAL.

Residents Will Purchase Plants Through Association in Order to Secure Reduction in Price.

To purchase and distribute, at cost, 50,000 choice rose bushes to the people of the Peninsula in preparation for the next Rose festival is the object of a movement just inaugurated by the Peninsula Rose Association. The old rose carnival committee, which secured such admirable results last Spring during Rose Festival, has been reorganized by re-electing the following officers: President, W. J. Peddicord; secretary, M. C. Van Tyne; treasurer, J. F. Hendricks. All bills for the festival were paid, so the committee starts out without any burdens.

A committee has been appointed to negotiate for the purchase of the 50,000 rose bushes, the most desirable varieties being wanted. It is thought that by purchasing such a large quantity of rose bushes a considerable reduction in prices will be secured. Subcommittees will be appointed to make a house-to-house canvass on the Peninsula for the distribution of these plants, and every resident will be asked to set aside space for rose culture. It is thought that the cost of the bushes will be so low that there will be no trouble in disposing of them. A committee has also been appointed to confer with the Rose Festival committee and arrange to work in harmony with that body, as was done last Spring. Just what part the Peninsula will take in the next festival will be decided at a later date.

It is the plan of the Peninsula Rose Association to hold public meetings at different points on the Peninsula, beginning at St. John and continuing at Portsmouth, University Park, Maegly Junction, North Albina, Peninsula and other places. The first mass meeting of the series will be held October 14.

STARTS TO WHIP CHIEF

Joe Thompson Misinterprets Gritzmacher's Glances—Is Arrested.

Joe Thompson, who lives in South Portland, was arrested last night by Chief of Police Gritzmacher at Fourth and Stark streets under circumstances rather embarrassing for the Chief of Police and disconcerting to Thompson. Chief Gritzmacher was passing this corner when his attention was attracted by a young woman and he paused to watch her. Thompson, who was conversing with the woman, misinterpreted the looks cast in their direction, and not recognizing the small man as the head of the police department, proceeded to resent the chief's glances in insulting language.

Thompson was rather surprised to find that the small man he started out to thrash was the Chief of Police and submitted to arrest without any violence. He was very much agitated, however, over being taken into custody and roundly denounced the manner in which Chief Gritzmacher had looked at his companion, who, he said, was his brother's wife. He was released from the City Jail after having put up $20 bail for disorderly conduct.

Funeral Largely Attended.

BUTTEVILLE, Or., Oct. 6.—(Special.)—The funeral of the late Mrs. Mary Osborn Scheurer, wife of W. Riley Scheurer, of Butteville, was held yesterday afternoon, in the Congregational Church, at that place with interment in the Butteville Cemetery. The funeral was one of the largest ever held here.

Mary Osborn was born in England, August 5, 50 years ago, and died at her home here October 4, where she had resided for the past ten years. She leaves a husband, two stepsons, Fred and John Scheurer, of Portland; a brother in Michigan and another brother, D. M. Osborn, of London, England, a noted hop-dealer.

WORK OPENS FOR WINTER

Y. W. C. A. DEPARTMENTS ARE BEING ORGANIZED.

Miss Stella Fisher Speaks to Large Audience on Mission Work in Japan.

The opening week of the work of the religious department of the Y. W. C. A., which is holding a series of meetings, has aroused much interest and a particularly large crowd was present last night at the quarters of the Association at Stark and Sixth streets to welcome Miss Stella Fisher, who delivered a lecture on missionary work in Japan.

Miss Fisher is one of the foremost workers the Association has in the missionary field and her remarks were listened to with great interest. She is the daughter of missionary parents, her father and mother having been pioneers in the Japanese field. She is a graduate of Chicago University, and after finishing school, went to the Orient on a visit to her parents and became interested in the work of Christianizing modern Japan and decided to devote her life to the work. She is a particularly interesting platform talker and held the attention of her audience closely from beginning to end.

At the meeting it was announced that the dedication of the new Y. W. C. A. building would occur in the near future, the domestic arts and religious departments alone being opened at the present quarters.

Miss Fisher's lecture was followed by an entertaining talk by Miss Margaret Mathew, of the University of California, who also spoke of Y. W. C. A. work in Japan, and she in turn was followed by Mrs. E. B. Mosman, who took as her subject, "Sociology."

Bible classes for the year were organized, the 60 members being divided into six clubs, which will meet on Tuesday nights. Dr. Luther R. Dyott will act as the instructor, assisted by Miss Constance McCorkle. Over 125 guests were present at the lecture, among them being the members of the board, Mrs. Frank M. Warren, Sr., Mrs. W. J. Honeyman and the state secretary, Mrs. Frances Gage. A violin solo was played by Mrs. McDaniel and a vocal duet was rendered by Miss Laura May and Mrs. Jensen.

In the near future, the new physical director, Miss Alberta Corey, will meet the prospective new members who will compose her classes at the new Y. W. C. A. building. Miss Corey has the reputation of being one of the most capable gymnastic instructors in the country, having done splendid work for nine years in the Harlem Association, and later at Oberlin College.

HEAVY TRAIN HITS COACH

Two Killed and Many Hurt on Pennsylvania Road.

LANCASTER, Pa., Oct. 6.—Two men were crushed to death, one was fatally injured, five others seriously hurt and a dozen more bruised, cut and battered by a wreck today on the Pennsylvania road freight line at Washington Borough, near here.

A work train with a coach at the rear had stopped on a bridge over a small stream. There were 50 Italians in the coach, and before a flagman had sufficient time to go back to flag a New York train following a heavy freight loomed up out of the fog and crashed into the passenger coach.

The workmen were hurled in every direction, some being thrown into the stream beneath the bridge, 25 feet below.

Golf Honors Go to Miss Young.

ST. LOUIS, Oct. 6.—Match play in the Western Women's Golf Association tournament began today at the St. Louis Country Club. Miss Elizabeth Young, who won the medal for low qualifying score yesterday, had the honor, her opponent being Miss Clark, of Waukegan. At the close of the day 45 of the original aspirants for the championship were reduced to eight.
